A BRIEF BIOGRAPHY OF OUR GRAND MASTER

George Edward Turner was born in Windsor, Ontario, December 18, 1906. He received his elementary and High School education in Windsor, during which time he became very interested in sports in which he excelled. In 1926 he entered McGill University and graduated in 1933 with a degree in Medicine. Following one year's internship in Windsor he entered general practice in that city in June 1934, and has continued in that capacity to the present time.

Early in his medical career, he became interested and specialized in the field of Industrial Medicine and has since been directly involved in its application, having served for many years as Medical Director for a large Windsor Company which position he still holds.

Two of the many honours in his profession include being President of the Medical Staff of Grace Hospital, Windsor, and President of the Essex County Medical Society.

In 1937, he married Frances McKeith Stevens of Port Elgin, Ontario, and that union has been blessed with two lovely daughters, both married, and seven grandchildren.

He was initiated, passed and raised in St. Andrew's Lodge, No. 642, and became its Worshipful Master in 1958; was elected District Deputy Grand Master of Windsor District in 1959. In 1961 he was appointed to the Board of General Purposes of our Grand Lodge, was elected to the Board in 1963, and re-elected each alternate year up to and including the year 1971. He served with distinction as Chairman of the Blood Donor Committee of Grand Lodge for ten years from 1961. In 1962 he was appointed Grand Representative of the Grand Lodge of Illinois by our Grand Lodge. He was elected Deputy

Grand Master in 1971, and was installed as Grand Master in July 1973.

He is a Past Principal of Ark Chapter No. 80, R.A.M., and was Grand Superintendent of St. Clair District No. 1. Also, he served on the Grand Executive of Grand Chapter for several years. He is a Past Preceptor of Windsor Preceptory No. 20; is a life member of the Ancient and Arabic Order Nobles of the Mystic Shrine, Mocha Temple, London, and also a member of the Royal Order of Jesters.

He is a Past Thrice Puissant Grand Master of Windsor Lodge of Perfection, a member of the Windsor Chapter of Rose Croix, and the Moore Sovereign Consistory, Ancient and Accepted Scottish Rite of Canada. In September 1962 in London, Ontario, he was coroneted as Honorary Inspector-General of the Supreme Council A. and A.S. Rite 33°; was crowned a Sovereign Grand Inspector-General and active member of Supreme Council in September 1968. He has acted as Co-Deputy for Ontario for the Supreme Council of the A. and A.S. Rite since September 1969. He is also a member of the Royal Order of Scotland.

His hobbies are gardening and fishing, and he is a life-long member of the Anglican Church.

His sincerity, dignity and service to this jurisdiction is well known, and as the Most Worshipful the Grand Master he will maintain and uphold those high ideals practised and preserved by his predecessors. We wish him well in that high office.

ORDER OF BUSINESS

It was moved by the Deputy Grand Master, seconded by M.W. Bro. H. L. Martyn, and unanimously carried, that the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the
Grand Lodge A.F. and A.M. of Canada, in the
Province of Ontario.

My Brethren:

For two years, as your Grand Master, I have passed in and out among you—in many of your Masonic homes—in all your Masonic Districts—making new acquaintances and renewing old ones. I have endeavoured to interpret and communicate some of my conceptions of the fraternity of Masonry and to suggest ways and means by which we as leaders can be agents and vehicles for making Masonry meaningful to our brethren.

To-morrow as I surrender the symbol of office it will be with a grateful heart appreciative of the many kindnesses and courtesies extended to me personally and as your Grand Master. I trust that I have been able to convey to you through word and action and by zest and zeal my deep and abiding appreciation of the responsibilities as well as the potentialities of the office of Grand Master. As *primus inter pares* or first among equals I have endeavoured to always bear in mind these words of the late Dag Hammarskjöld "Your position never gives you the right to command. It only imposes on you the duty of so living your life that others can receive your orders without being humiliated".

Of necessity the major portion of the address of the Grand Master is a recording of his stewardship as well as references to significant happenings and undertakings during the past year. Although some items will be reviewed very briefly it does not follow that they are any less important. It is simply that they will be treated fully in other reports.

We are delighted to welcome to our Annual Communication guests from sister Jurisdictions of Canada and the United States of America, from the Grand Chapter of Royal Arch Masons of Canada in Ontario, from the Supreme Council of the Ancient and Accepted Scottish

Rite of Canada and, for the first time, representatives from the Sovereign Great Priory of Canada. Our guests have been most gracious in extending welcome and hospitality to your Grand Master and his representatives when attending their respective Communications. It is our fond hope that we may in some way show our appreciation during these two days. Our guests may feel assured that we do not view their presence among us each year as mere formality. We treasure their fellowship and welcome the opportunities to exchange personal and fraternal greetings.

The decision to hold this Annual Communication in the Royal York Hotel was taken solely and primarily with the comfort and convenience of our guests and delegates in mind. It is a matter of regret to us all and especially our guests that we have had to forego the panorama of assembly and the colour of parade of former years under the able direction of V. Wor. Bro. Burnie C. McClelland. Please be patient with those charged with the arrangements for this assembly of Grand Lodge. The registration of delegates might pose some problems and there could be some difficulty adjusting to the new arrangements for voting for the Grand Lodge officers following the afternoon session of Grand Lodge.

The Grand Secretary and the office staff simply could not plan and perform all the tasks attendant to the registration and voting for our annual assembly. On your behalf your Grand Master is pleased to express sincere gratitude to the Metropolitan Toronto Past Masters' Association, the several committee members and the nearly 100 brethren from Toronto and Hamilton who work on our behalf Tuesday evening and all day Wednesday. Without in any way showing any lack of appreciation of the services of the entire group, perhaps we might be permitted to single out R. Wor. Bro. Robert Strachan for special mention.

NECROLOGY

DONALD JAMIESON GUNN

On September 5, 1972 we were saddened to learn of the passing of M. Wor. Bro. Donald J. Gunn, Past

Grand Master of our Grand Lodge. Although we were aware that our brother was not in the best of health during the July Communication we had no inkling that the problem was other than fatigue. His death came of a heart attack after a fairly long period of indifferent health perhaps brought on by strain from assiduous attention to the business affairs of his company and the zeal with which he discharged the duties of Grand Master.

Commencing as D.D.G.M. of Toronto District A in 1944, appointment to the Board of General Purposes in 1952 and subsequent elections from 1954 to 1964, service as chairman of Grand Lodge Committees, election as Deputy Grand Master in 1965 and Grand Master in 1967, our esteemed brother gave ever so faithfully of his talents and time to his brethren and Grand Lodge. Although Craft Masonry was his first love he was loyal and devoted to his Royal Arch Chapter, Shekinah No. 138, the Scottish Rite bodies particularly as Most Wise Sovereign of the Toronto Chapter of Rose Croix, and the Royal Order of Scotland. Our late Past Grand Master was coroneted an Honorary 33rd degree Mason in 1960.

In business Bro. Gunn was associated with the Dominion Rubber Company from 1912 to 1930 and with Monarch Brass Company in which firm he served as President and General Manager for several years prior to his retirement in 1969.

Over 200 of his brethren honoured his memory at a Masonic Service and, again, his Masonic associates, among them, your Grand Master, the Grand Secretary, M. Wor. Bro. B. B. Foster, M. Wor. Bro. E. G. Dixon, accompanied by representatives of Grand Chapter of the Royal Arch and the Scottish Rite, joined with many long time friends, to pay tribute to his memory at a service in Kingsway Lambton United Church.

Donald Jamieson Gunn was a devoted family man, a dutiful church member, a business man of integrity and a dedicated servant in Masonry. He leaves to mourn his loss his wife, Jean, two daughters, a son-in-law and two grandchildren.

DONALD R. CALLUM

I was much distressed to hear of the sudden passing of R.W. Bro. Donald R. Callum, District Deputy Grand Master of Frontenac District, on June 10, 1973.

R.W. Bro. Callum was Initiated in Minden Lodge, No. 253, Kingston, in 1946, served as Worshipful Master in 1953 and was installed as District Deputy Grand Master at our Annual Communication in 1972.

R.W. Bro. Callum was an outstanding Mason, an excellent District Deputy Grand Master, and had made so many outstanding contributions to the Craft. Along with so many other items he introduced a monthly District Newsletter.

I express our condolences to the bereaved family.

I have appointed his immediate predecessor, R.W. Bro. Allan A. Carscallen, to carry out his duties in Frontenac District for the balance of the term.

I recommend that Bro. Callum be granted, posthumously, the rank of Past District Deputy Grand Master.

APPOINTMENTS

On September 30, 1972, Shuniah Lodge, No. 287, celebrated its 100th Anniversary. I was pleased to appoint W. Bro. George Everest, a Past Master of Shuniah Lodge as a Grand Steward. At a like anniversary of Brougham Union Lodge, No. 269, on September 22, 1972, I appointed W. Bro. Wilbur Johnston, a Past Master of Brougham Union Lodge, a Grand Steward. On the occasion of the dedication of Atomic Lodge, No. 686, on May 5, 1973, I appointed W. Bro. John Muff, a Past Master of the Lodge, a Grand Steward. I request from Grand Lodge approval of these appointments and Past Rank for these brethren.

PAST RANK

- (1) Wor. Bro. Wm. J. Pride, Worshipful Master of Prince Arthur Lodge, No. 334, passed to the Grand Lodge Above on October 20, 1972. He had been a faithful officer. I recommend that he be granted past rank, posthumously.
- (2) Wor. Bro. I. Graham Berg, Worshipful Master of Palestine Lodge, No. 559, because of a change in Bylaws only served 10 months as Master. Because of his zeal and dedication I recommend he be granted past rank.
- (3) Wor. Bro. A. L. Dring, Worshipful Master, Valley Lodge, No. 100, for the year 1972, because of hospitalization was not installed until March 13, 1972, but served for 10 months with distinction. I recommend that he be granted the rank of Past Master.
- (4) Wor. Bro. Jas. W. Evans, Worshipful Master of Doric Lodge, No. 58, who because of illness in his family was not installed Worshipful Master until September 21, 1972, and consequently served only 8 months as Worshipful Master. I recommend he be granted the rank of Past Master.
- (5) Wor. Bro. Walter H. Prior, installed as Worshipful Master of Otisippi Lodge, No. 719, on December 16, 1971, served only 5 months and was transferred to Edmonton on May 15, 1972. Wor. Bro. Prior has made many outstanding contributions to Otisippi Lodge and to the Craft in general. I recommend he be granted the rank of Past Master.
- (6) Wor. Bro. J. Newton Gibson served Mercer Lodge, No. 347, as Worshipful Master from December 27, 1971, until November 14, 1972, and because of a change in Bylaws is short 43 days of the required time. I recommend he be granted the rank of Past Master.

VISITATIONS TO OTHER GRAND LODGES AND MASONIC BODIES

Your Grand Master and Grand Secretary received many invitations to visit other Grand Lodges and concordant bodies. Our own Lodges and Districts must always have prior claim on our time and labours. At the communications which we did attend we were graciously received and royally entertained. You will be interested to know that the Grand Lodge of Canada in the Province of Ontario is held in high regard among the Grand Lodges of Canada and the United States.

A list of visitations is to be found in Appendix "A".

LODGE CENTENNIALS AND DISTRICT RECEPTIONS

Your Grand Master has been privileged to attend and participate in many Lodge Anniversaries and District Receptions. One cannot help but be stimulated and inspired by the dedication of busy and talented Masons. Grateful appreciation is extended to all the brethren who had planned and conducted these successful assemblies. Congratulations are due the brethren who have given untold hours in compiling Lodge histories. Those Lodges which have chosen to mark their 100th year of Masonry through special events throughout the year rather than one occasion merit our commendation. Although there may be some especial significance in marking a 100th Anniversary, Lodges ought not to wait for even 75th, 50th, or 25th milestones for bringing Lodge history up to date and rallying their brethren around the home fires.

A list is to be found in Appendix "B" and "C".

RECOGNITION OF 100 YEARS OF ACTIVE EXISTENCE

To the 17 Lodges which have been recognized as having reached 100 years of active existence congratu-

lations are extended. I am pleased to grant permission to wear gold braid under the regulations of the Constitution, Section 262, to the following:

PELEE LODGE No. 627—D.D.G.M. VISITATION

Of all the Official Visitations of the 41 D.D.G.M.s this past year perhaps none will have quite outshone that of R. Wor. Bro. Donald C. Wilkinson to Pelee Lodge, No. 627, on Pelee Island, the most southerly tip of Canada.

Pelee Lodge with a membership of 35 had 12 members present on that occasion. The Lodge and D.D.G.M. were honoured by the presence of 115 visitors.

41 visitors representing	21 Ohio Lodges
10 " "	4 Michigan Lodges
20 " "	9 Windsor Lodges
37 " "	6 other Windsor District Lodges
7 " "	5 other Ontario Lodges

Congratulations are extended to the Worshipful Master and members of Pelee Lodge for keeping the life and spirit of Masonry glowing in this part of our Grand Jurisdiction. The large number of visitors attests to the regard and respect in which the brethren of Pelee Lodge are held by their neighbouring Masons.

MASONIC ETIQUETTE

It has been most gratifying to note the tremendous fellowship and camaraderie that prevails among our brethren prior to, during and following Lodge and banquet assemblies. But there ought to be a healthy respect and reserve in all Masonic greetings and salutations. Our brethren can scarcely be faulted if they, from time to time, adopt some familiarities when they hear such salutations as Bro. Tom or Bro. Dick from the lips of some of their leaders. All brethren should be addressed by their surnames and preferably as well by given names or initials at all times at Masonic gatherings.

RECOGNITION OF THE GRAND TREASURER

Beginning with service as District Deputy Grand Master of Toronto District "D" in 1951-2, appointment

to the Board of General Purposes in 1957, discharge of duties as Chairman of the Committee of Grievances and Appeals, assistance to the Grand Treasurer and election as Grand Treasurer in 1969, R.W. Bro. M. Cleeve Hooper has served our Grand Lodge far beyond the call of duty. Only those who have been privileged to work with our worthy brother can really appreciate the very valuable contribution which he has made over the past 22 years. There is general recognition among the leaders in our Grand Lodge that if R.W. Bro. Hooper had been willing to stand for further preferment he would have been Grand Master ere this date. From intimate knowledge of Bro. Hooper's outstanding voluntary services to this Grand Lodge and with the consent of our Past Grand Masters I recommend that he be given the rank of Past Grand Master (Honorary) as recognition of his contributions and appreciation of our esteem.

APPOINTMENT OF GRAND REPRESENTATIVES

On the recommendation of the respective Grand Masters I have been pleased to appoint the following Grand Representatives near other Grand Lodges with which our Grand Lodge is in fraternal relation.

Iran—Ismail Davoodian
Peru—Eduardo Romera A.
Tasmania—W. H. C. Riseley

The Grand Masters of other Grand Lodges have graciously accepted my recommendations and have appointed the following Grand Representatives near our Grand Lodge.

Argentina—Keith J. Hay
California—Bruce B. Foster
Colombia (Cartagena)—Wilfred M. Newell
India—Wallace E. McLeod
Iran—Robert L. Elsie
Israel—A. Lou Copeland
Maryland—H. Allan Leal

Massachusetts—James N. Allan
 New Hampshire—Colin C. Lillico
 Nova Scotia—Colin D. MacKenzie

The appointment and acceptance of Grand Representatives underscores and reinforces the universality of Freemasonry. Our Grand Representatives of other Grand Lodges can feel assured that their services are greatly appreciated by our Grand Lodge. They can be most important links in the vast web of Freemasonry for promoting world brotherhood.

LODGE TEMPLE DEDICATIONS

On your behalf your Grand Master is pleased to congratulate the Lodges and Temple Corporations which have erected and furnished new Lodge buildings this past year. There can be no question that these edifices will have a marked effect on the memberships of the Lodges so involved. The satisfaction and pride felt by the brethren will no doubt be reflected in renewed interest by them in their Lodges and in the Order.

CONCURRENT JURISDICTION

A survey of the joining fees and annual dues of the 636 Lodges has revealed wide ranges among the Lodges,

especially within certain Districts. The ridiculously low financial demands made by many Lodges upon their members have resulted in these Lodges being placed in real difficulties for normal operations let alone serious problems when it has become necessary to renovate or to build their Lodge premises.

If concurrent jurisdiction, either district or province-wide, were to be considered, it would be necessary that the fees and dues structures particularly within any one District be brought more in line. A pattern has already been established among the over one third of our Lodges in town, city and metropolitan areas where there are concurrent jurisdictions at the present time. Several Grand Lodges in the United States within recent years have adopted concurrent jurisdiction following satisfactory experiences over periods of one to three years trial.

Your Grand Master, therefore, recommends that the incoming Grand Master appoint a committee to study the initiation and dues structures of the Lodges as well as adequate procedures for the investigation of petitioners and further that said committee be prepared to report at the 1974 Grand Lodge Communication.

MASONIC FOUNDATION OF ONTARIO

Over the past 2 to 3 years as the Masonic Foundation of Ontario has had increasing publicity among our members through circulation of the 8-page brochure, contributions to the Capital Funds have reached a high of \$5,800.00 for the 1972-73 year. The available interest of approximately \$12,000.00 from the \$195,000 in capital funds, however, is not nearly adequate to meet the calls and demands upon the Foundation. Your Grand Master recommends that our members be informed through the medium of the fall Grand Lodge Bulletin and invited to participate annually through tax deductible contributions or by way of bequests.

 Bro. David Cameron Taylor, Dominion Lodge, No. 598, Windsor

On your behalf I am extremely pleased to congratulate these brethren on their long association and service in Masonry. May they enjoy good health as we are privileged to number them as our honoured Masonic brothers. Without in any way taking from the other honours perhaps we might be permitted to say special congratulations to our brethren who have been awarded the William Mercer Wilson Medal. Extraordinary labours in ministering to their brethren have been called for in their cases.

V. WOR. BRO. GEORGE T. KENNEDY

75 YEARS A MASON

On January 26, 1973, in St. Thomas, your Grand Master was particularly pleased to attend and participate in a reception in honour of V. Wor. Bro. George T. Kennedy to mark over 75 years of active service in Masonry in recognition of the outstanding contributions which our worthy brother had made and continues to make to his Lodge, his church, the community and Masonry, the Lodges of St. Thomas District have conferred Honorary Membership on him. We salute Mr. Masonry of the St. Thomas area and wish him good health as he continues to remain actively engaged in his Lodge activities.

BRO. EDMUND TETT

75 YEARS A MASON

The evening of December 5, 1972, was a big night in the history of Simpson Lodge, No. 157, Newboro, when the brethren gathered to honor our Bro. Edmund Tett, who was initiated into Masonry on the evening of December 5, 1897. Bro. Tett was 97 years of age on May 5th of this year and is enjoying excellent health. We are very proud of a letter we received in his own handwriting dated October 12, 1972. This is a beautifully written article. May the Most High continue to give him health, happiness and contentment.

BIENNIAL CONFERENCE OF CANADIAN AND DISTRICT GRAND LODGES

The 13th Biennial Conference was held February 15-16, 1973 in Toronto. Our Grand Lodge was represented by your Grand Master, the Deputy Grand Master and the Grand Secretary with our Past Grand Masters as observers. Our Deputy Grand Master presented a challenging and informative paper on the topic "How can we maintain the interest of the newly raised member?" Other subjects read and discussed were as follows:

The influence of Freemasonry as a useful organization in the area of public welfare

Interrelationship and strengthening East-West ties of the Grand Lodges

Training of Lodge officers

General interest topics

At the Tuesday evening banquet for which our Grand Lodge was host, R. Wor. Bro. H. Allan Leal addressed the conference delegates. Using as his theme "The Law in a Changing Society" he made particular references to the ancient charges and regulations as being as immutable today as at the time they were accepted by the Premier Grand Lodge in 1717.

NORTH AMERICAN CONFERENCE OF GRAND MASTERS AND GRAND SECRETARIES

This annual conference convened on February 20-22, 1973 attracted representatives from the United States, Mexico and Canada. Other Masonic groups meet in Washington, D.C. during the same week but the one of Grand Masters and Grand Secretaries was the only one of especial interest to your Grand Master, the Deputy Grand Master and the Grand Secretary.

From the experiences of your representatives over the past few years there has been relatively little of great significance to be of value to our Grand Lodge. But the entire conference this year was one of immense importance to us commencing with the keynote address delivered by M. Wor. Bro. Charles Glassmire, Grand Master of Maine, and continuing through all nine supporting papers.

GRAND LODGE PUBLICATIONS

Among the accomplishments over the past two years perhaps we may be permitted to highlight the writing, editing, printing and mailing of the book "Beyond the Pillars". The compilation of Masonic information has been done with the Master Mason in mind but Lodge officers and Past Masters will be certain to discover much to satisfy their curiosity. Without in any way taking credit from all the contributors your Grand Master wishes to single out the editor, V. Wor. Bro. Wallace E. MacLeod and the co-editor, Bro. Charles W. Booth, as meriting our especial gratitude. Orders have been received from all 636 Lodges with nearly 12,000 copies ordered and paid for as of June 1, 1973. We have been particularly pleased with the requests from brethren who due to circumstances of distance or health have been unable to attend Lodge and enjoy fellowship with their brethren.

Shortly will follow a manual for Lodge officers being prepared by a committee directed by R. Wor. Bro. Colin D. MacKenzie. By autumn we hope to have produced revised booklets for candidates and an expanded brochure for the petitioner. No doubt the Chairman of the Committee on Masonic Education, R. Wor. Bro. N. R. Richards, will be reporting on this project.

With a view to marking the 100th Anniversary of the death of our first Grand Master, M. Wor. Bro. William Mercer Wilson, arrangements have been made with R. Wor. Bro. Bruce M. Pearce, writer and publisher of the book "First Grand Master", to review and update certain parts with the intention of printing a limited second edition.

Considerable progress has been made by R. Wor. Bro. H. Allan Leal and his committee on revising and consolidating the Rulings of Grand Masters into the Rules and Regulations of the Book of Constitution. I present herewith the following interim report.

INTERIM REPORT CONCERNING THE RULINGS OF GRAND MASTERS

To the Most Worshipful, the Grand Master:

In accordance with the terms of reference of the Grand Master, your Committee is proceeding with a review of the Book of Constitution of Grand Lodge. Our immediate concern during this past year has involved the Rulings of Grand Masters. These Rulings have been accumulating since the formation of Grand Lodge in 1855. The Grand Masters' Rulings rank in authority next below that of the Constitution of Grand Lodge and are on a par with the by-laws and regulations of Grand Lodge, when such Rulings are confirmed by Grand Lodge.

A matter of serious concern to your Committee has been that many rulings were made with specific factual situations in mind and for the purpose of amplification of the by-laws and regulations. Your Committee, therefore, recommends that where a ruling does not concern a general principle that the ruling be withdrawn from publication. This does not mean that the ruling is reversed but rather signifies that having served its purpose, on the particular facts involved, that it is no longer applicable or necessary.

For those rulings that contain a statement of general principle, and refer to a matter of continuing relevance, the Committee recommends that they be incorporated with little or no change in the Constitution with the appropriate subject matter. Others will require considerable editorial changes or amendments to their present wordings. In accordance with these recommendations, and to facilitate their implementation, your Committee has classified the Rulings into Groups A, B and C. Group A would consist of a list of those Rulings that are to be deleted for the reasons stated above. Group B would be a list of Rulings that are to be incorporated without significant change. Group C would be a list of Rulings that

would appear in the text of the Constitution in an amended form. Some illustrations may clarify our intent:

Group A Example

Amendments—When a motion to amend a by-law of a lodge of which proper notice has been given comes to vote in the lodge, it is not in order to receive and vote upon an amendment substantially at variance with the original proposed amendments of which original motion has been given.

This ruling merely states the accepted rules of procedure to be followed in moving and voting upon resolutions.

Group B Example

Officer—No member of a lodge who has a physical disability which prevents him from complying literally with our ritual and ceremonies may hold any office which leads to the Master's chair without the special dispensation of the Grand Master.

This ruling covers a matter of general principle and, in accordance with these recommendations, would appear in its present form in a redraft of the Constitution.

Group C Example

Age—A brother under the age of twenty-one, who has received his first and second degrees in Scotland, must wait for advancement until he is of age, nor can his application for affiliation be received here until he is of age.

Apart from the deficiencies of syntax, this ruling referring to Scotland would appear to be too specific and, indeed, odious. The matter of principle is of

general application and ought to be in general terms. Accordingly it would be incorporated into the Constitution in an amended form.

It will be appreciated that the changes contemplated in the form of any Rulings to be incorporated into the Constitution, as well as the deletion of any Rulings, will require the approval of Grand Lodge. It is also anticipated that henceforth, as and when rulings are made by our Grand Masters, that the decision will be taken whether the matter dealt with in the rulings is such as to warrant an amendment to the Constitution to accommodate the general principle involved, or whether it is of such a nature that it applies only to a specific factual situation, in which case it will be recorded with the directives of Grand Masters but will not be subject to annual publication. It can be stated that these procedures are already being followed with benefit and complete satisfaction by the Grand Lodge of Alberta.

Accordingly, your Committee requests approval to proceed on the principles herewith enunciated for classifying the Rulings of Grand Masters.

All of which is respectfully submitted,

H. ALLAN LEAL,
Chairman.

FRED M. CASS
M. CLEEVE HOOPER

I recommend to Grand Lodge that this report be approved.

RULINGS OF GRAND MASTERS

I recommend that the following rulings be deleted:

Affiliation—It shall be the duty of the members of the investigation committee to assure themselves that the information supplied by the petitioner for initiation or affiliation is correct.

Age—The Grand Master has no authority to grant dispensation to permit a Mason's son not of age to be initiated.

Authority—A Past Grand Lodge officer, whose term of office has expired, has no more legal authority in a private lodge than an ordinary member of the lodge, but it is his duty and privilege, as it is the duty and privilege of any brother to respectfully call the attention of the W.M. to violations of established custom and of the Constitution.

Candidate—The initiation fee cannot be paid by instalments.

Degrees—A lodge having been opened in the three degrees, business transacted, closed in the third and second degrees, it is constitutional to open in the second and third again and to confer the third degree, for sufficient reasons and by the W.M.'s direction, no by-law being infringed.

Dual Membership—Membership in two or more lodges at the same time is permitted in the jurisdiction of this Grand Lodge.

Dues—Remission of dues is equivalent to payment.

Objection—A brother may not file a permanent objection to the admission of a visitor.

Officers (Lodge)—A. W. M. cannot be obligated to appoint his officers on the recommendation of the Committee of General Purposes of the lodge.

Organization—Masons of the Grand Lodge of Canada in the Province of Ontario may not become members of, or retain membership in an organization known as The High Twelve Club, The High Twelve Club International or High Twelve International.

It is unlawful for any of our members, whether in their capacity as Craft Masons or through some other recognized body, to become associated with the Order of De Molay.

Regalia—Provisions of Section 262 of the Constitution respecting regalia must be strictly observed, as it is as obligatory as any other section of the Constitution.

Residence—A student absent from his home during his college course does not lose his Masonic residence. He may be initiated in his home town without dispensation.

Warrant—When the original warrant of a lodge has been burned or otherwise destroyed a new warrant is issued, not a duplicate.

Work—The Traditional History is part of the Degree and should be given when the Third Degree is conferred.

MASONIC EDUCATION

Your Grand Master is most appreciative of the many imaginative and innovative programs of Masonic Education that have been planned and executed so very successfully in several Districts. V. Wor. Bro. Jacob Pos, and the Immediate Past District Deputy Grand Masters of the Districts of Brant, Bruce, Grey, North Huron, South Huron, Waterloo, Wellington and Wilson in conjunction with their sub-committees planned and convened 2 successful Week-end Workshops for nearly 250 brethren. Your Grand Master and Grand Secretary attended and thoroughly enjoyed the discussions with the brethren on ways and means of Making Masonry Masonic. R. Wor. Bro. Raymond Steele has rendered a fine service to the Eastern District brethren in assembling information for the enlightenment and instruction of petitioners, sponsors, and candidates. These projects are representative of the splendid work that has been accomplished to supplement the Lodge programs. The incoming D.D.G.Ms are strongly urged to consider the formation of dynamic committees to plan and produce Masonic information workshops for the exchange of ideas for making Masonry more meaningful and enjoyable.

OFFICER TRAINING SEMINARS

In response to a request from a group of the 1971 Worshipful Masters of some of the Toronto Lodges for a

project, your Grand Master suggested the development of a public speaking and communication seminar for junior Lodge officers. To date W. Bro. John Woodburn and his committee have held 3 three-Saturday Seminars under the direction of Mr. Donald McRae, a staff lecturer of Seneca College of Applied Arts and Technology, Toronto. Fall and spring sessions are being projected and I am happy to report that other Districts are showing interest in conducting like seminars through their local College. These courses are non-Masonic in content and instruction and ought to be limited to at most 15 members per course.

BOARD OF GENERAL PURPOSES

The members of the Board of General Purposes especially those charged with the direction of committees have continued to discharge their obligations with fidelity and zeal. It has been particularly gratifying to note that many more Worshipful Masters have been planning special reunions of their brethren and meetings set apart for Masonic Education and inviting our Board Members to participate.

Regional meetings of the Board initiated last year have obviously met with a generous response by the members. The opportunity for the exchange of information has resulted in better communication patterns with the Lodges. Suggestions have been filtering from the Lodges to Grand Lodge and from Grand Lodge to the Lodges.

Through the regional instructional meetings conducted by M. Wor. Bro. H. L. Martyn, Custodian of the Work, the regional meetings of the Board, Lodge and District receptions and casual associations your Grand Master has been privileged to become better acquainted with the D.D.G.M.s. We have become more in tune in ministering to our brethren. From visitations this past year to the Thunder Bay and Western Districts, to the Nipissings and Temiskaming your Grand Master has come to appreciate the tremendous sacrifices of time and money that are being made by the D.D.G.M.s in these areas. Our

Grand Lodge is so fortunate in having such an effective liaison organization with the individual Lodges. No matter that the choices have been made by rotation or election among the Lodges, Grand Masters have been well served by our D.D.G.M.s over the years. But the calibre of Masons aspiring to this office can never be higher than that of the Masons we select as Worshipful Masters.

GRAND MASTER'S BANQUET

Our annual Wednesday evening Grand Master's Banquet has become the envy of our guests and the joy of 2,000 Masons. For many it is the highlight of the Communication with fellowship, entertainment and an address by an eminent Mason. Again we have looked to the West and another Woods—M. Wor. Bro. Mervyn J. Woods, Past Grand Master of the Grand Lodge of Saskatchewan. We welcome this distinguished jurist and Mason on his first visit to our Grand Lodge.

The D.D.G.Ms under the chairmanship of R. Wor. Bro. C. D. MacKenzie have done a remarkable job in apportioning and distributing the rather limited number of tickets. We do want to assure those brethren who have travelled long distances that they will be guaranteed accommodation for the banquet.

MASONIC COURTESIES

During the past year several Lodges have honoured your Grand Master through Honorary Membership. Such evidence of regard and the privilege of membership is treasured. Perhaps there will be an opportunity in the near future to become better acquainted with my brethren. In the meantime I have endeavoured to show my appreciation by enrolling these Lodges, along with those which have tendered receptions, as members of the Correspondence Circle of Quatuor Coronati Lodge of Research, London, England.

On November 18, 1972 King Cyrus Chapter No. 232 tendered your Grand Master a reception which will long remain in my memory. M. Ex. Comp. Fred W. D. Welham in cooperation with the First Principal and members of my Chapter planned and conducted a Chapter ceremonial for conferring Honorary Past First Principal rank. The Chapter was honoured with the presence of M. Ex. Comp. Leo J. Gent, Grand First Principal of the Chapter of Royal Arch Masons of Canada in the Province of Ontario and many present and past Grand Chapter officers. On this occasion I was invested with the regalia of Grand Steward.

Grateful appreciation is expressed to Hiawatha Chapter, No. 252, Sarnia, for the invitation to join M. Ex. Comp. Leo J. Gent and their companions in celebration of the 25th Biennial Reunion with Port Huron Chapter of Port Huron, Michigan. Your Grand Master was pleased to accompany the Worshipful Master and members of Speed Lodge, No. 180, Guelph, for their 25th Biennial Reunion with Four Square Lodge, Detroit, Michigan. M. Wor. Bro. Wilfred E. Adams, the newly installed Grand Master of Michigan, accompanied by Mrs. Adams, favoured us by their presence. It is with sincere appreciation that I acknowledge the splendid contributions made by the Speed Lodge choir under the direction of R. Wor. Bro. J. J. Sparks on this and many other occasions over a period of years. We were privileged to have our ladies accompany us on both occasions and to add to our pleasure. Other courtesies extended to the Grand Master were the 125th Anniversary celebrations of King Solomon's Lodge, No. 22, Toronto, and Ontario Lodge, No. 26, Port Hope.

APPRECIATIONS

Your Grand Master is grateful to the Deputy Grand Master and the Past Grand Masters for willingly accepting and capably discharging many assignments such as visitations within the Jurisdiction and to other Grand Lodges, dedications of Temple buildings and committee work.

Those brethren especially Lodge Secretaries who have had audience or correspondence with our Grand Secretary have firsthand knowledge of the efficient and diplomatic manner with which he conducts the affairs of Grand Lodge. That the respect of our Grand Lodge among other Grand Lodges is high is due in no small measure to the regard in which our Grand Secretary was held during the years he was our Grand Master. He stands tall among the Grand Secretaries of our sister jurisdictions. In his travels about this province in response to invitations to address our brethren, our Grand Secretary never passes up an opportunity to hold free discussion sessions with Lodge Secretaries. All too often our Lodge Secretaries tend to become our unsung heroes. Let me assure you that they rate at the top in the books of M. Wor. Bro. Irvine.

Two years ago I entered upon my duties in anticipation of two pleasant and rewarding years working with the Grand Secretary and his staff. That these years have been so satisfying has been due in large measure to the courtesy and co-operation extended to me by the Grand Lodge office personnel.

Our Grand Secretary never fails to give much credit to the excellent office staff for the cordial relations which exist between Grand Lodge and the constituent Lodges. On your behalf I am happy to pass along our grateful thanks and I should like to add my personal thanks for the graciousness with which I have been received at all times. V. Wor. Bro. James C. Guy merits our gratitude for maintaining close contact with the recipients of Grand Lodge benevolence and with the Lodges under whose care they come.

May I single out for special mention two members of the Board who year after year give so much of their time and experience to prepare and supervise the budget and to attend to investment matters. I refer to R. Wor. Bros. A. C. Ashforth and M. C. Hooper. Mere words are so inadequate to express and convey our sincere gratitude to these brethren.

From observations during the briefing sessions for newly installed D.D.G.M.s, through attendances at Lodges of Instruction from one end of this province to the other and from very frequently seeking his advice, I have gained some appreciation of the tremendous work which M. Wor. Bro. Harry L. Martyn, Custodian of the Work, has done and is still doing for our Grand Lodge. Very few other than the Grand Master and the Grand Secretary know of the countless queries about ritual, protocol and interpretations which he handles with the greatest of ease.

Commencing with service in Grand Lodge in 1938-9 as D.D.G.M. of Toronto District C, membership on the Board of General Purposes from 1943 to 1957 with responsibility for Masonic Education, Grand Master from 1957 to 1959, and for the past 14 years as Custodian of the Work, M. Wor. Bro. Harry L. Martyn has seldom, if ever, said no to any favour asked of him. It can be truthfully said of him that no other Mason in this Grand Jurisdiction knows as many Masons and has such extensive knowledge of Lodge situations and problems. To hundreds of Masons across this province he is Mr. Masonry personified. Some day we should persuade him to commit some of his Masonic know-how and experiences to tape, if not to the written word.

Let me assure you, my brethren, that I am mindful and appreciative of the work being performed so willingly and unselfishly by hundreds of Masons of all ranks in this Jurisdiction. Except for a very few salaried employees, some small honoraria to Lodge Secretaries and some travelling expenses here and there this service is being given voluntarily and quietly without any expectation of reward or recognition. There are such a great number

who have truly made my two years very satisfying and have been the means of causing many of my dreams to be realized.

SOME OBSERVATIONS

My brethren, you have been patient and attentive as the opportunity has been afforded to me from time to time to address you. I have endeavoured to bring messages that might have some relevance to the changing times. Let me highlight a few.

1. Those Worshipful Masters and Lodge officers who have responded to my appeals for better communications with their brethren are to be highly commended. The 70 to 80 per cent of the brethren who for one reason or another cannot attend deserve to be kept up-to-date on most of the items we discuss within the recesses of our Lodges. We must keep them in the know, otherwise they will soon lose interest in Lodge and Masonry.
 - (a) sincere tributes to the memory of a departed brother.
 - (b) bright inviting announcements of forthcoming events and visitations, especially of Grand Lodge officers and special speakers.
 - (c) brief summations of successful events that have just passed with perhaps some extracts from the remarks of speakers.
 - (d) reports on ill or distressed brethren and families.
 - (e) a "know your brethren"—Lodge officers, newly initiated brethren, and senior brethren.
 - (f) significant items of Lodge history.
 - (g) a message from the East or a guest contributor.
 - (h) You can think of many pertinent to your Lodge.

Let us not plead lack of space or simply that the Lodge cannot afford the extra cost. We just cannot afford to leave our absent brethren so much in the dark about Lodge happenings. Your Grand Master is pleased to note that several D.D.G.M.s have initiated one or two news bulletins—Algoma, Eastern, Frontenac, Prince Edward, Toronto 2, Toronto 5.

2. Our brethren have every right to expect as near perfect ritual as is humanly possible. But no matter how well rendered the ritual, the most impressive degree work at its best is repetitious particularly with the same voices to the same parts meeting after meeting. The most eloquent minister would soon have an empty church if he were to preach the same sermon Sunday after Sunday despite the fact that he might have a baptism or confirmation each Sunday. Really there is no mystery about near empty Lodge rooms. There must be programming of and for each meeting in addition to and as relief from degrees. Our brethren are more likely to bestir themselves and even anticipate the Lodge meeting if they can be assured a well-planned evening together with opportunities for fellowship and discussion. It takes little imagination to assign ritual but real leadership is demanded if there is to be a meeting which will send the brethren on their way with pride in their officers and Lodge. Few of us are born leaders. We require training. It becomes the duty, therefore, of Worshipful Masters, Past Masters and Grand Lodge officers to play an increasing role in the development of our potential leaders.
3. As leaders it devolves upon us to enlarge the Masonic horizons of our brethren such that they may view Masonry as more than merely attending Lodge and degree conferrals. Opportunities need to be provided in order that the fellowship initiated within the confines of the Lodge can be nurtured and widened by social contacts in the homes of the brethren and their families, Masonic At-Homes, District functions, Divine Services and inter-Lodge visitations. For Masonry to

fulfil its main objectives of moral instruction and social intercourse there must be the utmost extension of fraternal feeling and affection without as well as within the tiled recesses of our Lodges. In short Freemasonry ought to be enjoyable.

4. We need to motivate our brethren to delve into some of the lore, the history, the symbolisms and the traditions of our Order. If by the time an officer has arrived at the chair of Worshipful Master all that he has read about Masonry is ritual he is unlikely to develop into a leader in his Lodge or Masonry. To this end it is the fond hope of your Grand Master that the Book "Beyond the Pillars" will become at least a beginning in making a daily advancement in Masonic knowledge. The brethren should be encouraged to study and report from time to time some of their observations from this Grand Lodge publication. Eventually their attention should be drawn to literature in our Masonic libraries and papers produced by study and research societies.

We must not allow ourselves to see the future of Freemasonry only in the influx of candidates as reasons for meeting and adding to our Lodge coffers. This is merely looking to John Q. Public to be our saviour and salvation. True we require candidates if only to bring good men within our fraternal circle and to enable them to view themselves as becoming better husbands, fathers, men and citizens.

5. Over the past several years we have had approximately 2400 initiations per year but there have been nearly 1200 suspensions for non-payment of dues each year. Either we have done an inadequate job of interviewing and accepting many of these brethren or else we have accomplished little or nothing through employing and instructing them in Masonry. Might it not be a fruitful exercise to interview selected brethren whom we suspended for non-payment of dues? Perhaps we could discover wherein we have fallen short and thereby prepare ourselves for a better discharge of our duties.

6. Your attention is drawn to Section 156 of the Book of Constitution under the title; Powers and Duties of the Master. There you will discover a little known and scarcely observed duty: "He shall read or cause to be read at one or more of the regular meetings of his lodge such portions of the Proceedings of the last meeting of Grand Lodge as in his opinion will prove most instructive and beneficial to the members of his lodge". It is doubtful whether this duty is being discharged in many of our Lodges. The Lodge Secretary does not make the copy of the Proceedings available to the Master; the Master has never acquainted himself with Section 156; the Master does not consider this duty to be mandatory or of sufficient importance; the Master never plans for an acceptable presentation of a portion of the Proceedings.

Your Grand Master respectfully recommends that each D.D.G.M. insist that this requirement be met at least for the Lodge meeting at which he is making his official visit.

IN CONCLUSION

As I hand the gavel to my successor may I bespeak for him a loyalty and dedication at least equal to that given to me. I retire from office without any feelings of regret because I have endeavoured to give of my best within the limits of my talents and experience. It is true that there are some projects still in the development stage. Certainly it will not be with any feeling of relief because the task has not been unduly onerous. There have been so many joys and satisfactions working with busy, earnest, dedicated Masons. The opportunities which have been afforded to make new friendships and to renew old ones heartened and encouraged me throughout my two years.

The ready and willing acceptance by Lodge and Grand Lodge officers to requests that they assume new duties and challenges has been very gratifying. I have discovered that there are literally hundreds of our brethren on the sidelines just waiting to be asked to become pleas-

urably and profitably engaged in Masonry. It must always be the obligation of our 150 Grand Lodge officers and our 1900 senior Lodge officers backed up by 15,000 or more Past Masters to motivate, employ and instruct the brethren, particularly the newly made Masons. A Mason never quits his Lodge. It is only the man whom we have never made a Mason who quits.

May I assure you, my brethren, that I have deeply appreciated the privilege of serving and working for and with you. I trust that opportunities will be afforded me to continue to serve the Craft and our Grand Lodge, albeit in a humbler role. Perhaps I will thereby be enabled to discharge some of my indebtedness. I look forward to attending my own Lodge more frequently and on occasion to fraternizing with my brethren of those Lodges which have honoured me with membership. As Past Masters we can best serve our Lodges as regular attenders. We can never accurately assess and evaluate the steady sincere support that we thereby render to the officers and members.

Let me close by quoting the last paragraph from the address of M. Wor. Bro. William Mercer Wilson at the July 1873 Grand Lodge Communication:

“And now, my brethren, I shall conclude in the language of the great apostle: ‘Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you.’”

Fraternally and respectfully,

WILLIAM K. BAILEY,

APPENDIX "D"

To the Most Worshipful The Grand Master, Officers and members of The Grand Lodge of Ancient Free & Accepted Masons of Canada, in the Province of Ontario, and Honoured Guests we greet you.

Most Worshipful Sir and Distinguished Brethren:

The Masonic Brethren of the 130 Lodges comprising the 7 Toronto Districts, extend to you a most cordial and fraternal welcome to the 118th Communication of this Grand Jurisdiction. It is a high honour to have Toronto once again accorded the privilege of acting as your host, particularly when it is now in air-conditioned comfort in one of Canada's finest hostelries. It is hoped that this

congenial atmosphere will be conducive to the promotion of harmony and goodwill within the craft.

An especially warm welcome is accorded to our honoured guests from kindred Provinces and from that great land South of the border. Through your participation in this communication may you obtain reassurance that Masonic traditions and high ideals of our ancient and honourable institution are being maintained in their fullest splendour, and may our fraternal ties become ever closer through your most welcome sojourn amongst us.

Most Worshipful Sir:

You have, with great foresight and ability, initiated many valuable and worthwhile projects during your term of office, and it must be with great reluctance that you now approach the hour when you must lay down the gavel. However, you will have left behind monumental achievements which are manifestations of your talents and energy, lavishly expended for the benefit of the brethren of your beloved fraternity: The publication of that milestone of Masonic lore—"Beyond the Pillars" for the enlightenment of all Master Masons; the production of an "Officers Manual" to provide much needed guidance to those who aspire to the Chair of King Solomon; the rewriting of the explanatory booklets to provide helpful information to candidates; and the revision and consolidation of the Regulations of the Book of Constitution together with Rulings of the Grand Masters for the direction of the brethren. These, and many more crowning achievements, coming to fruition through your motivation, and under your wise guidance, will be a lasting testimonial to your stewardship.

Coming to the presiding office of this Jurisdiction at a time when Masonry was at the cross-roads and showing signs of diminishing vigour, you injected fresh ideas, great personal dedication, and an overwhelming desire to serve the Craft and restore it to its rightful position of magnificence and glory, yet you held steady and firm in your principles to maintain unimpaired and with revitalised strength the glorious tenets.

Your encouragement and wise counsel to those enterprising brethren at Masonic workshops; your ready eagerness to travel to the distant meetings and conventions of Masonry throughout North America; your bonhomie at all Masonic gatherings, tempered by your unshakeable adherence to the fundamental principles of our Order have made "The Grand Master" a well known personality and warm friend everywhere rather than an abstract legendary figure.

It is through your constant and unselfish endeavours on our behalf, Most Worshipful Brother William Kirk Bailey, that you have enshrined yourself in our hearts and earned a most enviable spot in the Masonic History of this jurisdiction. It has been a delight and privilege to serve and work with you. Your name will remain fresh in the garden of our memory.

Most Worshipful Sir and Brethren:—

May the G.A.O.T.U. spread his benign influence upon you and enlighten your deliberations as you once more meet to direct the affairs of this Grand Jurisdiction, and may the wisdom of King Solomon be yours as you meditate on the many momentous decisions which await you for the direction of the Craft.

Presented by H. J. DONALDSON,
W. M. Humber Lodge, No. 305.

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. H. L. Martyn, seconded by M.W. Bro. J. N. Allan and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON FRATERNAL DEAD

This Report was presented by R.W. Bro. R. E. Davies, Chairman, and on motion of the Deputy Grand

Master, seconded by R. W. Bro. Davies, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with a deep feeling of regret, that we pause in the midst of our deliberations to present the record of the Brethren who have laid down the working tools of life. These Brethren, to whom we pay reverent tribute have completed their work upon the rough ashlar of their lives and have answered the call to present that work for the inspection of the Great Architect of the Universe. They were the men who were the leaders in their Lodge, men who recognized the worth of Masonic Principles and men who frequently performed great and valuable work for the communities in which they dwelt.

The apparent finality of their passing gives us cause for concern, for they were our friends, and Brothers with whom we walked the pilgrimage of Life. Their guidance and friendship will be sorely missed and we pray that the love of God may comfort all who mourn.

Your committee respectfully suggests that Lodges not presently using their monthly summons to pay a sincere tribute to their departed Brethren, ought to consider utilizing a part of the summons for this purpose. We would also urge the Worshiptul Master to personally visit the bereaved family, and, if a Masonic Memorial Service is requested by the family, he then should contact the funeral director, familiarize himself with the accommodations to be used for the service, give complete instruction to the Brethren, and then proceed to conduct a sincere and dignified Memorial Service.

This committee commends the Grand Master for having the Memorial Services revised and updated, and the subsequent distribution to all Lodges.

Many favourable comments have been received from Lodges conducting Memorial Services in their Lodge Rooms. This would indicate the Lodges who still neglect to pay this fitting tribute to their deceased Brethren are missing something, and once again we draw their attention to the Ritual intended for that purpose.

Again we commend the various Masonic Guilds for the continued assistance and guidance given to the families of the deceased.

Your committee thanks the District Deputy Grand Masters for supplying the pertinent information required in this report and the Grand Secretary and his staff for compiling it for presentation. Suggestions received from the Brethren are gratefully acknowledged and your continued interest is respectfully requested.

We take consolation in the expectation that our departed Brethren have found rest from earthly labour and refreshment from earthly care. It is assuring to reflect on their triumph over mortality, but we have not kept the faith if we fail in the continuance of their hopes and aspirations. They have left memories that will not easily be effaced; memories of good fellowship, of high purpose, of honest endeavour, of Masonic ideals quietly and sincerely followed, of service and devotion to the principles of right, truth and justice.

For us their heirs, may we emulate their virtues and if we are reflective we will feel the influence of their lives and that precious gift of memory will perpetuate their virtues, while inspiring us to take up the tools and continue to build.

“Build that these walls to future generations
Your strength, your skill, your faithfulness may tell,
That all may say as storms and centuries test them
“The men of old built well, built well.”

Thus ever speaks the Master Builder to us
What'er our task, our journey, work may be
What'er the toil, the season or the structure
‘Build well, build well, build worthily’.”

In memory and affection of all our departed Brethren, we now name those who served as Grand Lodge Officers:—

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

MEMORIAL SERVICE

GRAND CHAPLAIN:

"He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress; my God, in Him will I trust". (Ps. 91).

"The Lord is your keeper; . . . The Lord will keep your going out and your coming in from this time forth and for evermore." (Ps. 121).

Prayer of Invocation

Father of Mercies and God of all comfort, whose will is sovereign and whose love is infinite; humbly and reverently we seek Thy blessing. Enable us so to hear Thy words from the Volume of the Sacred Law, that through patience and comfort of the Holy Word we may have hope; and be raised above the shadows of our mortality into the light of Thy countenance and peace of Thy presence. Amen.

Psalm 23 (Reading responsively)

1. The Lord is my shepherd; I shall not want.
2. He maketh me to lie down in green pastures; he leadeth me beside the still waters.
3. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

4. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
5. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over.
6. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever.

Prayer of Thanksgiving and Intercession:

O God, we thank Thee for the world in which Thou hast placed us, for the universe whose vastness is revealed in the blue depths of the sky, whose immensities are lit by shining stars beyond the strength of mind to follow. We give Thee thanks and praise for all the generations of the faithful, who having served Thee here in the godliness and love, are now with Thee in glory, and especially do we bless Thee for those whom we now remember before Thee, for Thy loving kindness toward them through their earthly life. We ask Thy benediction upon their lives as we remember these our brethren who were faithful to Thee, to their fellowmen and to the craft. May their uprightness of character, fidelity and loyalty be an inspiration and challenge. As Thou didst not lose them in giving them to us, so have we not lost them by their return to Thee. Deepen in us this faith in eternal life, and our assurance that they are now safe in the Grand Lodge above.

Eternal and Most Merciful God, who healest the broken in heart; look now in tender pity, we beseech Thee, on those who sorrow. Enable them to find in Thee, their refuge and strength, a very present help in trouble. As Thou hast given them this new tie to bind them to the world beyond, so may they endure as seeing Thee who art invisible, and be comforted in the knowledge that love can never lose its own.

Unto Thee, our God and supreme architect of the universe, to whom we ascribe all honour and glory, suffer none of us to live without Thee and without hope in the world: but constrain us by Thy love that, renewed by Thy grace, we may walk before Thee in newness of life. Amen.

Respectfully and fraternally submitted,

R. E. DAVIES,
Chairman.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This report was presented by M.W. Bro. W. L. Wright, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario:

Brethren:

In his address so eloquently presented to the Grand Lodge, our Grand Master has given us a record of his stewardship for the past year. To appreciate fully the contents of his address it is imperative that it be read by as many Masons as possible throughout the jurisdiction. Indeed your Committee in commending the Grand Master's observations at the end of his address would lay special emphasis on Section 156 of the Book of Constitution under the title: Powers and Duties of the Master. "He shall read or cause to be read at one or more of the regular meetings of his lodge such portions of the Proceedings of the last meeting of Grand Lodge as in his opinion will prove most instructive and beneficial to the members of his lodge." Priority must be given to the reading of those pertinent sections in the Grand Master's Address which vitally affect the welfare of Masonry in general and each lodge in particular.

Through the years Masonic Education, Discipline and Order have been hall marks of Freemasonry. We commend the Grand Master for his personal leadership in implementing these characteristics. The printing of the book "Beyond the Pillars" by V. Wor. Bro. Wallace E. MacLeod and the co-editor, Bro. Charles W. Booth is symptomatic of the pedagogical background of the Grand Master and your Committee commends him and the above-mentioned brethren for the thoroughness and care in the publication. In co-operation with R. W. Bro. N. R. Richards, Chairman of the Committee on Masonic Education, your Grand Master has been meticulous in fulfilling the needs for study and research which is befitting an informed and intelligent Mason. Similarly, Discipline and Order have been evolved by the Special Committee on the Book of Constitution with R. Wor. Bro. H. Allan Leal as Chairman. The immediate concern of the Committee has special reference to the Rulings of Grand Masters. These Rulings have been accumulating since the formation of Grand Lodge in 1855. The Grand Master has wisely outlined the contents of this Report in which the Committee requests approval to proceed on the principles herewith enunciated for classifying Rulings of Grand Masters. Your Committee concurs with the Grand Master that this report be approved and similarly requests the approval of Grand Lodge.

We all rejoice in the tribute paid to our Grand Treasurer, R. Wor. Bro. M. Cleeve Hooper by the Grand Master and your Committee unanimously endorses his recommendation that R. Wor. Bro. Hooper be given the rank of Past Grand Master (Honorary) in recognition of his valuable services during the past 22 years.

Your Committee shares the sadness of our Grand Master as he makes special reference to the death of M. Wor. Bro. Donald

J. Gunn, Past Grand Master of our Grand Lodge. Our deceased brother epitomized all that is best in Freemasonry and we cherish the memory of his affection and loyalty.

R.W. Bro. Donald R. Callum's death this past month was a severe shock to all who knew him. He was District Deputy Grand Master of Frontenac District and made a distinct contribution to The Craft and District. Your Committee concurs in the recommendation that Bro. Callum be granted posthumously the rank of Past District Deputy Grand Master.

We join with the Grand Master in recommending to Grand Lodge his various appointments enumerated in his address and rejoice with him in the distinction attained by the 17 lodges which have reached 100 years of active existence. We associate ourselves with the Grand Master in giving recognition to the rank of Past Masters those who for various reasons were prevented from serving the full twelve-month period.

Structures in a changing society must of necessity be examined if they are to meet the primary responsibility of their being. Consequently, your Grand Master rightly reminds us of the ever-increasing problem attendant upon concurrent Jurisdiction with variations in joining fees and annual dues. Your Committee concurs in his recommendation that the incoming Grand Master appoint a Committee to study the initiation and dues structures of the Lodges as well as adequate procedures for the investigation of petitioners and further that said committee be prepared to report at the 1974 Grand Lodge Communication.

The Masonic Foundation of Ontario rightly deserves the financial support of all Masons and it is hoped that through the medium of the Autumn Grand Lodge Bulletin increased emphasis will be placed, as suggested by the Grand Master, on the importance of this project which has meant so much to young people in particular who are striving to reach their desired goal in life.

The Grand Master would indeed be ungrateful if he did not give personal recognition and appreciation to so many brethren who have bestowed service and dignity to the Craft. Special appreciation has been accorded to well known brethren as M. Wor. Bro. Irvine, our most competent and genial Grand Secretary, whose name is so well and favourably known throughout the Jurisdiction. Your Committee rightly recognizes the services of V. Wor. Bro. James C. Guy for his service in Grand Lodge benevolence. Last but not least Grand Lodge recognizes the magnificent and incisive contribution of M. Wor. Bro. Harry L. Martyn, Custodian of the Work, who although possessing Presbyterian principles of a democratic nature rightly exercises on occasions a form of papal authoritarianism which endears him throughout the entire Jurisdiction and beyond.

R.W. Bros. A. C. Ashforth and M. C. Hooper deserve our plaudits for their wise and thorough examination of the budget and investments of Grand Lodge.

Finally, the Grand Master commends to the brethren six observations contained in his Address. Without running the risk of diluting his astute recommendations your Committee unanimously emphasize the importance of these guiding principles and commend them for study and action.

Your Committee feels confident that they are expressing the feelings of our illustrious guests who have been hosts during the past two years to Most Wor. Bro. Wm. Kirk Bailey in proclaiming his recognized Masonic stature both within our own Jurisdiction and in other parts of Canada and United States. We are delighted that he will continue to serve the Craft officially in another role and as this Report is submitted, with all fraternal respect, your Committee recommends that Grand Lodge confirm everything that the Grand Master has reported in his Address and may the Great Architect of the Universe continue to bestow upon him Love, Joy, Peace and the constant desire to serve his God and fellowman.

WILLIAM L. WRIGHT,
Chairman.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have examined the statement of resources of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1973 and statements of receipts and disbursements of the General Fund and the combined Memorial and Semi-Centennial Fund for the year then

ended. My examination included a general review of the accounting procedures and such tests of the accounting records of your Grand Treasurer and Grand Secretary and other supporting evidence as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of June 5, 1973 by the Canadian Imperial Bank of Commerce.

In my opinion, these financial statements present fairly the financial position on a cash basis of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1973 and the receipts and disbursements for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally,

A. W. PARISH, F.C.A.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The annual report of the Grand Treasurer consists as heretofore of a statement of receipts and disbursements of the General Fund and the Combined Memorial and Semi-Centennial Funds and particulars of investments for the year ended April 30, 1973, with one addition. Effect has been given to the Constitutional Amendments of 1972 and the capitalized reserves of the commuted life membership account have been reported separately.

The increase in annual per capita dues authorized last year has resulted in increased revenue approximating

budget estimates and with substantially increased investment income and customary restraint in expenditures we are able to report a nominal operating surplus in our General Account.

A registered Retirement Savings Fund has been established for the Senior Members of our office staff in Hamilton. So far this plan is moderate in scope but will provide a measure of reassurance to those who are serving faithfully in the day to day operation of Grand Lodge.

The devotion of the late V.W. Bro. S. Fred Hutchinson is continued in the gift of the residue of his estate to our Benevolent Fund Reserves. At least \$25,000.00 has already been received from this source as shown in the statement of the Memorial and Semi-Centennial Fund. Those of us who knew our late brother will remember him as a true Mason, unselfish and consistent to the end.

As always the Grand Treasurer has relied upon and benefitted by the constant and detailed assistance of the office staff of Grand Lodge, the cheerful and ready help of the Grand Secretary and the Supervisor of Benevolence and the information and technical cooperation of the Auditor of Grand Lodge. He is particularly indebted to R.W. Bro. Ashforth, Chairman of Audit and Finance, who has voluntarily discharged the duties of the Grand Treasurer during the period of the latter's disability. To all of these, the Grand Treasurer tenders his grateful thanks.

The statements, summaries and schedules of the report follow.

Respectfully and fraternally submitted,

M. CLEEVE HOOPER,
Grand Treasurer.

This report was presented by M.W. Bro. J. N. Allan, owing to the temporary illness of our Grand Treasurer.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 41 District Deputy Grand Masters were presented by the Grand Secretary and on motion by R.W. Bro. G. E. Turner, seconded by the Grand Secretary, they were received and referred to the Board of General Purposes.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M. Wor. Bro. H. L. Martyn, and on motion of the Deputy Grand Master, seconded by M. Wor. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In our report to the Annual Communication of 1971 your Committee had deferred making a recommendation re recognition for the Grand Orient of Italy. Their request had been received very late in the Masonic year. We now recommend that we extend fraternal recognition to the Grand Orient of Italy.

During the year we have received and considered requests for recognition from the following Grand Lodges:

1. The Grand Orient of Brazil.
2. The Grande Loja Do Ceara.
3. The Grande Loja De Brasilia.
4. The Grande Loja Do Estado De Gojas.

The first Grand Lodge is National in its jurisdiction and the other three are State-wide in jurisdiction.

The Committee recommends that action on these requests be deferred for the present.

Respectfully and fraternally submitted.

HARRY L. MARTYN,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. B. B. Foster, that the Report be received and adopted; Carried.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Laws begs leave to report as follows:

PART 1

M.W. Bro. B. B. Foster has given Notice of Motion to amend Sections 10, 20 and 23 as follows:

- (a) By striking out "4.30" in the first line of Section 10 and substituting therefor "3.30" so that this portion of Section 10 shall read—

"The registration books shall be closed at 3.30 p.m. on the afternoon of the first day of the meeting (see Section 124)."

- (b) By striking out "4.30" in the first line of Section 20 and substituting therefor "3.30" so that this portion of Section 20 shall read—

"The Scrutineers shall meet at 3.30 p.m. on the afternoon of the first day of the meeting in a convenient room adjoining the place of meeting."

- (c) By striking out "5.00" in the third line of Section 23 and substituting therefor "4.00", and by striking out "at 6.30 p.m." in the fourth line and substituting therefor "when this order of business has been closed in the district meeting rooms" so that this portion of Section 23 shall read—

"Voting for office and for the Board of General Purposes, except for District Deputy Grand Master, shall commence at 4.00 p.m. on the afternoon of the first day of the meeting and shall close when this order of business has been closed in the district meeting rooms on the same day; provided that the Grand Master may extend the time of closing to 7.00 p.m. if he deems it expedient."

There is no constitutional objection to this Notice of Motion by M.W. Bro. Foster.

R.W. Bro. R. E. Davies has given Notice of Motion to amend Section 129 as follows:

By striking out the words "fraternal dead" in Section 129, subsection v (h), and substituting therefor the words "deceased brethren" so that this portion of Section 129, subsection v (h) will then read—

"The report on deceased brethren."

There is no constitutional objection to this Notice of Motion by R.W. Bro. Davies.

Most Worshipful Brother W. K. Bailey, the Grand Master, has given Notice of Motion relating to a revision of Section 29 as follows:

That Section 29 of the Constitution be amended by deleting the words, "but not above that of Past Grand Senior Warden" so that the section will read as follows:

"Grand Lodge may on motion, in recognition of eminence, ability or service rendered, confer upon any of its own members such rank as it may deem appropriate."

This amendment is to be effective for the Annual Communication in 1973 only, reverting in 1974, and thereafter to the present wording.

There is no constitutional objection in this Notice of Motion by Most Worshipful Brother Bailey.

PART II

1. In our report to Grand Lodge in 1972 we recommended that action on a request to divide the Nipissing West District be postponed till 1973. We reported at that time three of the lodges in the District were not in favour of the division. Since that time two of these lodges have now expressed themselves as favouring a division. Since the District as constituted now covers such a very wide area, the Committee feels that Masonry might be better served if this division is effected. We therefore recommend as follows:

- (a) That the present Nipissing West District be divided into two Districts to be known as Nipissing West District and Nipissing Centre District.
- (b) That this division be effective at the Annual Communication of Grand Lodge in July 1974.
- (c) That Lodges that have concurrent jurisdiction at the present time shall continue to have concurrent jurisdiction after the division is effected.
- (d) That these new Districts shall be composed of the following Lodges:

Nipissing West District	Nipissing Centre District
412 Keystone	427 Nickel
442 Dymont	455 Doric
469 Algoma	472 Gore Bay
487 Penewobikong	527 Espanola
622 Lorne	536 Algonquin
625 Hatherly	588 National
680 Woodland	658 Sudbury
698 Elliot Lake	691 Friendship
	699 Bethel

2. On January 1, 1973 South Porcupine and several municipal areas around Timmins were annexed to form the City of Timmins-Porcupine. There had been two lodges in Timmins and one in South Porcupine. In a report of this Committee in July 1962 this statement appears to cover a procedure in a similar case. "At the present time St. Clair Lodge, which is about 2 miles south of Milton on Highway Number 25, is now in the Town of Oakville, and, therefore, has acquired concurrent jurisdiction with the two Oakville Lodges." Since there is every possibility that municipal boundaries will be subject to change in the days ahead, we recommend that in future when the area served by a lodge becomes part of a larger municipal area then all lodges in the larger area will automatically have concurrent jurisdiction with each other.

3. The Committee has received and considered a petition from the Lodges in the two Hamilton Districts to have their 41 lodges formed into three Masonic Districts instead of two as at present. This question has been studied for the last two years and much care has been taken to meet all objections and smooth out the problems. Of the 41 lodges 38 have signified by resolution that they favour proposed division and three have indicated that they are not in favour. When one considers that one third of the lodges would have to break long established district ties since they would become the new district, this represents a very strong majority in favour.

We therefore recommend as follows:

- (a) That the present Hamilton A and Hamilton B Districts be formed into three districts to be known as Hamilton A District; Hamilton B District and Hamilton C District.
- (b) That change become effective at the Annual Communication of Grand Lodge in July 1974.
- (c) That Lodges that have concurrent jurisdiction at the present time shall continue to have the same concurrent jurisdiction after the change is effected.
- (d) That these Districts shall be composed of the following Lodges:

HAMILTON A	HAMILTON B	HAMILTON C
6 The Barton	7 Union	100 Valley
40 St. John's	27 Strict	272 Seymour
135 St. Clair	Observance	291 Dufferin
165 Burlington	57 Harmony	324 Temple
357 Waterdown	61 Acacia	495 Electric
400 Oakville	62 St. Andrew's	513 Corinthian
475 Dundurn	166 Wentworth	549 Ionic
551 Tuscan	185 Enniskillen	550 Buchanan
603 Campbell	382 Doric	555 Wardrobe
639 Beach	544 Lincoln	562 The Hamilton
663 Brant	593 St. Andrew's	602 Hugh Murray
681 C. M. Kent	594 Hillcrest	654 Ancient
712 Trafalgar	667 Composite	Landmarks
	692 T. H. Simpson	671 Westmount
	714 Battlefield	687 Meridian

4. The Committee considered a petition for concurrent jurisdiction from New Dominion Lodge, No. 205 of New Hamburg and Wilmot Lodge, No. 318, of Baden. This petition was supported by copies of motions passed in both Lodges favouring the petition. Since these Lodges are a very short distance apart, the Committee recommends that concurrent

jurisdiction be established between New Dominion Lodge, No. 205, and Wilmot Lodge, No. 318.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

V. Wor. Bro. A. C. Ashforth presented the following report. On motion of the Deputy Grand Master, seconded by V. Wor. Bro. Ashforth, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Tenth Annual Meeting of the Foundation calls for a few comments and observations respecting the decade which has passed since the formation of the Foundation. It was only after serious and well considered thinking on the part of Grand Lodge that a Special Act of the Legislature of Ontario was passed in 1964 creating the Foundation. It was authorized to "receive, maintain, manage, control and use donations exclusively for charitable purposes within Ontario". These powers are very broad and empower the Foundation to engage in almost any charitable endeavour. However, until recently, the Directors felt the greatest contribution the Foundation could make to individuals, and the community at large, was to grant non-repayable bursaries to worthy students attending Ontario Universities, or Colleges of Applied Arts and Technology, who needed financial help in order to complete their final year at school. This is, and has been, the main thrust of our activities and so far 329 students have been helped to the extent of \$75,540, an average award of \$230. However, a few special cases have arisen recently which, in the opinion of the Directors, merited support although they are a little outside the usual guidelines. One such case was an Ontario student who was desirous of teaching in a Northern Ontario Indian School but could only obtain scholastic qualifications to do so by attending the University of Saskatchewan. Another case was where a widow of a member of one of our local Lodges was left with insufficient resources to raise two small children. The Lodge concerned has created a Trust Fund to assist her and the Foundation supported the fund with a modest contribution. On occasion the Committee on Benevolence has referred special cases to the Foundation concerning senior students of Masonic families and financial help has been provided. There seems to be a growing need to assist students who desire to attend university for the first time, but of course, the Foundation is limited in its activities by the amount of money it has available. Another innovation occurred a few years ago when the Directors felt some support should be directed toward the area of medical research and this has resulted in the Foundation making contributions of \$1,000 a year to the Ontario Division of the Multiple Sclerosis Society of Canada for purposes of research in this important field.

During the intervening years since inception, a fair volume of publicity relating to the work of the Foundation has been imparted to Lodges and members, but much remains to be done, for the volume of contributions received is well below what should normally be expected from a Society the size of ours. The Grand Master, and many District Deputy Grand Masters, as well as others have helped publicize the work of the Foundation, for which grateful thanks and appreciation are extended. The next issue of Grand Lodge Bulletin will carry a message which it is hoped will appeal to all members who have not yet given financial support to the Foundation.

Referring now to the current year, it is with pleasure the Foundation acknowledges the following contributions from the following Lodges, Associations, and Church Services.

"Golden Sixties": 1960, Senior Wardens,	
Toronto District 7	\$600.00
Zetland Lodge, No. 326, Toronto	250.00
Carleton Lodge, No. 465, Carp, Ontario	25.00
Ashlar Lodge, No. 247, Toronto Charitable Trust	286.16
King Hiram Lodge, No. 78, Tillsonburg, Ont.	100.00
Manito Lodge, No. 90, Collingwood, Ont.	100.00
Transportation Lodge, No. 583	25.00
On the occasion of the Secretary-Treasurer's address.	
1972 Warden's Ass'n., Toronto District 2	25.00
On the occasion of the Secretary-Treasurer's Address.	
Masters & Wardens Niagara Districts A & B	25.00
On the occasion R.W. Bro. Chas. A. Sankey was guest speaker.	
Church Service, Millgrove United Church	25.00
Contribution given to R.W. Bro. G. Ivor Davies.	

And in addition, the Grand Master turned over five cheques totalling \$450 which had been presented to him at receptions.

We are pleased to report that 22 personal donations were received during the year amounting to \$2,349.55, in addition to which 37 elected and appointed members of Grand Lodge donated \$1,490. Sincere thanks are extended for this generous support.

We are also appreciative of the actions of 35 Lodges and 4 individuals for donating a total of \$538 as memorial gifts in memory of departed Brethren. We also acknowledge with gratitude a bequest of \$1,000 from the Estate of the late R.W. Bro. Arthur Vance Chapman, an honoured member of the Board of General Purposes for many years.

Referring to the Balance Sheet of the Foundation, total assets at the end of the fiscal year April 30th, amounted to \$189,953.09, an increase of \$7,389.26 over the corresponding period a year ago. Included in the assets are bonds having a cost value of \$187,365, and a market value of \$166,740. The difference between

cost value and market value is \$20,625 which compares with a difference of \$21,860 one year earlier. As bonds are normally held until maturity, no loss is contemplated.

Total income for the year amounted to \$11,092.50 of which \$10,742.50 was received from investments. Income was up \$702.91 over a year ago.

Turning to the expenditure side of the Balance Sheet, disbursements for the year amounted to \$341.95 a decrease of \$811.32 over the preceding year.

The number of awards granted this year was 40 compared with 41 last year. Award payments totalled \$9,150, an increase of \$950 over a year ago. The students came from 19 universities and colleges which is 4 more than last year and indicates our coverage is quite widespread. Many of the awards were made by District Deputy Grand Masters and sincere thanks are extended to them for this much appreciated participation. It is hoped they enjoyed their encounters with the students as much as the President did with those he met.

Many wonderful letters of appreciation have been received from recipients of awards but time does not permit me to do more than read a few excerpts from some of them.

C.L. — University of Saskatchewan, Saskatoon.

"The award which was granted to me by the Foundation enabled me to complete this my final year of my Masters programme. I appreciate that the rules were bent to accommodate my special case. The award was made by Mr. Harry Sisson of Lorne Lodge, Omemee. He is a very concerned, dedicated individual and indeed a credit to your organization."

M.T. — Fanshawe College, London.

"Most of all I was pleased with the recognition even though the cheque for \$150 was very welcome."

J.A.T. — Waterloo Lutheran University, Waterloo.

"I would sincerely like to thank The Masonic Foundation of Ontario for the cheque of \$200 given me recently. It will make things significantly easier for me financially for the final winter term and I do appreciate the assistance."

W.C. — Waterloo Lutheran University, Waterloo.

"My sincere thanks and appreciation for your generous donation of \$200. This will go a long way towards alleviating the family burden of my attendance at Waterloo Lutheran University."

D.K. — Algonquin College, Ottawa.

"It is very fortunate that graduating students of our universities and community colleges are able to obtain financial assistance from such organizations as yours. I hope that in future more students will be able to obtain assistance from your Foundation."

B.R.P. — University of Western Ontario, London.

"It was with great pleasure and relief that on the night of January 29, 1973, I was presented with a cheque from The Masonic Foundation by Mr. William J. Deller and Mr. Charles F. Miller. It seems to be a rare occasion indeed when people will come to another person's aid without first making sure that they will be compensated for this effort. This is certainly not the case with The Masonic Foundation. For this unusual and most welcome attitude I am also most grateful. I would also like to extend a very special thanks to a very special person, Mr. Charles F. Miller. This man was not only instrumental in personally initiating the whole process but also gave support to me by simply being a friend that I could count on. In general, I would like to thank all of those nameless people who have made The Masonic Foundation possible. I do hope that its wonderful function will continue to persist. At some time in the future I hope to be able to be part of that needed function."

G.C. — Lakehead University, Thunder Bay.

"With the increased cost of education and the limited funds available from the Governments to students, it is most reassuring that bursaries such as this, exists. Without your help I would have found it very difficult to complete my year."

B.N. — McMaster Divinity College, Hamilton.

"Just a short note to tell you how much I appreciate your financial help which I received through Dr. Ford of our college. I'm sure you are well aware of the difficulties a student can have making ends meet at this time of year. This help will be a great assistance to me in completing my year in that I find I am able to concentrate better when I am not worried about my finances."

F.K. — McMaster Divinity College, Hamilton.

"Thank you for the very generous grant towards the completion of my studies. As I was seriously lacking in good theological and pastoral books which I will need as soon as I get out of school. I have already spent a good part of your money on the purchase of these books. Let me tell you that it was a great help as books are rather expensive now a days, even paperbacks."

M.S. — York Regional School of Nursing, Willowdale.

"This money will eliminate a great many problems for me and allow me to have more time for my studies."

B.P. — Knox College, Toronto.

"I have been pleased to receive the bursary provided by the Foundation through Mr. Colin MacKenzie. These funds will help clear the way for a move to Quebec where we hope to take up mission work."

D.H. — Seneca College, Willowdale.

"Your generosity will help me to continue on with my education and possibly to succeed in the future. You people deserve a great deal of credit for your efforts in helping to build a future for this country."

W.W.R. — Seneca College, Willowdale.

"Often at times, while doing some of my projects, I found that I had bitten off more than I could mentally and financially chew. With the help of the kind people involved in The Masonic Foundation, I will be able to repay a good portion of my debts that were established over the past two years."

G.T. — Guelph University, Guelph.

"I would like to thank you for awarding me four hundred dollars to further my education. Without this aid I would have found it exceedingly difficult to continue at university. I was also very glad of the opportunity to meet and talk with you and hear something of the work the Foundation is doing:

Dr. Goldwin French, President of Victoria University.

"The University is most grateful to The Masonic Foundation of Ontario for the generous bursaries given to some of our students. We have found the students make excellent use of such assistance; this form of help, moreover, does much for the morale of the recipients. Accept our sincere thanks for your kind efforts on behalf of our students."

In conclusion may I say how deeply the Board of Directors and myself appreciate the excellent services rendered by V.W. Bro. Hugh Hastie, our competent Secretary-Treasurer. Not only has he capably carried out the duties of that office but has taken time to address several lodges on the aims and objects of the Foundation with rewarding results. Thanks are extended also to R.W. Bro. James Talman for his careful processing of the many applications for awards. Thanks also to R.W. Bro. Cleeve Hooper, our Vice-President, for his wise counsel and advice, always given cheerfully, regardless of the condition of his health.

Thanks are also extended to all members of the Board for each has shown keen interest in the affairs and well being of the Foundation.

Respectfully and fraternally submitted.

A. C. ASHFORTH,
President.

REPORT OF THE SPECIAL COMMITTEE ON PROVINCIAL ASSESSMENTS OF MASONIC TEMPLES OR HALLS

The report was presented by R.W. Bro. F. M. Cass, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Cass, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:—

Our late Most Wor. Bro. Donald J. Gunn, then Chairman of the special Committee on Provincial Assessment of Masonic Temples or Halls, submitted a comprehensive report to the 117th Annual Communication of Grand Lodge. Our Most Wor. Bro. Gunn's diligent and unremitting attention to the vexing problem of Lodge and Temple Corporation municipal assessments has, your Committee hopes, made every Lodge and Temple Corporation aware of the problem and course of action which should be followed should a Lodge or Temple Corporation be faced with an undue assessment increase.

Your Committee respectfully again directs the careful attention of Lodge and Temple Corporation officers to section 27 of The Assessment Act of Ontario, Revised Statutes of Ontario 1970, chapter 32 which sets out the basis of assessment for municipal taxation and to section 52 of the same Act which provides the procedure for such appeals as may be necessary against undue or improper assessments of property.

Your Committee strongly advises officers of all Lodges and Temple Corporations to read again the Committee's Report of 1971 (see 1971 proceedings page 91) and the Report of 1972 (see page 76, of 1972 proceedings) and note particularly the definition of "market value". Your Committee reiterates and emphasizes Most Wor. Bro. Gunn's view that land values on re-assessment may be quite proper but many Lodge and Temple Corporation

buildings may have little, if any, "market value" because of their special character, layout and use.

It is to be carefully noted that the checking of annual municipal assessments or re-assessments and appeals therefrom in appropriate cases is the responsibility of officers of Lodge and Temple Corporations. It is, therefore, most strongly recommended that officers of each Lodge and Temple Corporation carefully consider each municipal assessment notice immediately upon receipt thereof to determine if an appeal is necessary. The Grand Secretary, a Member of the Committee, is always available to provide guidance to Lodge and Temple Corporation officers with respect to assessment problems and it is your Committee's hope that in any case of doubt the problem will at once be referred to the office of the Grand Secretary.

At the present time the provincial assessment officials are proceeding with re-assessment of properties throughout Ontario but no date has yet been fixed for province-wide implementation of the new assessments. Your Committee has good reason to believe that the provincial assessment officials are well aware of the "special use" character of buildings owned and occupied as Lodge Rooms or Temples by various organizations and that such special character will be given due weight when the new assessments are finally completed.

Your Committee further is of the opinion that contact with provincial assessment officials should be continued with a view to keeping them, and their Minister, fully alert to the problem, to the submissions already made on behalf of our Craft Lodges and Temple Corporations, and to the decisions already taken by the Assessment Branch.

All of which is respectfully and fraternally submitted.

F. M. CASS,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

R.W. Bro. E. W. Nancekivell presented this report and on motion of the Deputy Grand Master, seconded by R.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my happy privilege to present the report of the Committee on Benevolence for the year 1972-73. In times past, Quaker

families lived by a set of rules called the "Quaker Dozen" and every Quaker believed in, and carefully followed them. They were usually found in the family Bible where it was customary to keep papers of value, particularly sentimental value, and read as follows:

1. Begin each day with a prayer.
2. Work hard.
3. Love your family.
4. Make light of your troubles.
5. Follow the Golden Rule.
6. Read from the Bible.
7. Show kindness.
8. Read worthwhile books.
9. Be clean and pure.
10. Have Charity in your heart.
11. Be obedient and respectful.
12. End the day in prayer.

The 5th, "Follow the Golden Rule, 7th, "Show kindness" and 10th, "Have Charity in your heart" encompass the concept of Benevolence. In these days of free and easy morality, it is most fitting that we should hearken back to such very simple, basic guidelines for living and particularly regarding Benevolence. A true Mason should, above all things, be charitable, be benevolent. Each benevolent act is initiated in the heart of an individual brother Mason.

The statistical summary for the Masonic Year just ended reads as follows:

Grants paid (169)	\$60,735.00
Interim Grants (11)	2,390.00
Christmas Gratuity to our recipients	825.00
TOTAL	63,950.00
Less Cancellations and Refunds	2,754.19
NET TOTAL	\$61,195.81

These figures reflect the facts that, for one reason or another, 26 of our recipients no longer require assistance, and that there were 10 deaths among the remainder.

At the suggestion of the Grand Master, the Supervisor of Benevolence, V. Wor. Br. Guy, surveyed the Grand Jurisdiction to determine the number of recipients of Grand Lodge Benevolence in each district. It was found, and the figures were surprising, that one district had 14, eleven districts had but 1, and two districts had no recipients at all. It was decided that this in all probability represented an underutilization of Grand Lodge Benevolence on the part of those districts with few or no recipients rather than an overutilization by those with greater numbers, since each application is rather carefully screened by this committee.

No doubt the figures represent to some extent geographically dependent economic factors, but surely there must be more members or families of members in every district who would benefit from Grand Lodge Benevolence. Some of the lodges no doubt look after their own less fortunate ones without applying to Grand Lodge. It is urged, however, that the District Chairmen, through them the individual lodge Chairmen of Benevolence, and indeed all Masons, take another careful look at the membership in their respective areas and continue to be alert to the needs and situations of the brethren. Grand Lodge, through the Supervisor of Benevolence and this committee, stands ready to make a grant or render other assistance whenever justified by proper application and to continue that aid as long as the need exists.

The Committee on Benevolence met in Hamilton on June 15th and 16th and considered 144 applications of which 14 are new cases. In view of the continually increasing cost of living, we endeavoured to be more generous in our grants this year. However, the Old Age Security Pension with supplement has been raised to a maximum of \$170.00 per month for one person and \$324.60 for married couples. Also Veterans' Allowances have been increased to a maximum of \$206.00 with supplement, there has been a property tax credit instituted and we are led to believe that the status of welfare recipients is to be improved. With these facts in mind, it is recommended that \$60,000.00 be made available for Benevolence from Grand Lodge in the coming Masonic Year.

At the meeting, a sad note was introduced by the notification of the death of one of the Committee members, R.W. Bro. Donald R. Callum, District Deputy Grand Master of Frontenac District, who had suddenly and unexpectedly passed away a few days before. His presence was missed by all in attendance.

Last Christmas, for the first time, a Christmas card was sent out to each of our recipients, signed by our Grand Master, M. Wor. Br. Bailey and myself as Chairman of Benevolence and accompanied by a crisp new \$5.00 bill. This was a small gesture of personal interest in these brethren and their families but it was very well received—indeed we were almost inundated with many beautiful notes of thanks sent in response to this. It is to be hoped that this will become an annual occurrence at the festive season.

As examples to illustrate the functioning of Benevolence, let me cite a few brief case histories:

(a) the brother in the Eastern part of the Grand Jurisdiction who needed a rather special and therefore expensive wheel chair (approximately \$700.00) where the money raised by his lodge brethren was augmented by a grant from Grand Lodge to make the purchase possible.

(b) the brother in Toronto who suffers from epilepsy, has had one arm amputated and who is, otherwise also, in poor health. His wife, a Registered Nurse, needed Night Courses to upgrade her ability to earn, 6 in all, at \$100.00 each, and was helped to take these by a grant from Grand Lodge. This brother had a seizure and fell, snapping off one of his front teeth, and the Masonic Service Guild of Toronto took on the responsibility of his dental and pharmaceutical bills.

(c) the brother in Texas, who underwent recent heart surgery and urgently needed financial assistance. He contacted his lodge in Ontario who contacted Grand Lodge, and an interim grant was immediately dispatched to him. The brethren of Texas, as an illustration of the International nature of Benevolence, not only investigated the situation for us but are also helping this brother in his need, and have pledged themselves to aid in any future need he may require.

The Committee recommends continuing membership in the Masonic Relief Association of the United States and Canada.

The following Bequests and Donations are gratefully acknowledged:

Stephen F. Hutchinson Estate	\$25,000.00
E. J. Sirrs Estate	\$ 357.32
Stephen F. Hutchinson Lawn Bowling Tournament	\$ 61.06
Memorials to M. Wor. Br. D. J. Gunn	
from Simcoe, No. 79	\$ 15.00
from St. Alban's, No. 200	\$ 15.00
to Br. N. Wright from Long Branch, No. 632	\$ 30.00
to Br. A. Spence from Simcoe, No. 79	\$ 15.00
and to Br. L. Baker from Dominion, No. 615	\$ 5.00

As Chairman, may I again recognize the very conscientious and efficient work of our Supervisor of Benevolence, V. Wor. Br. James Guy, who has a cheerful, untiring and devoted interest in those requiring Grand Lodge Benevolence. May I also commend the Committee members for their zeal and concentrated effort in processing the applications and for spreading the Gospel of Benevolence in their respective districts. The District Chairmen of Benevolence also have fulfilled their duties most satisfactorily. As a committee we again strongly recommend that the newly elected District Deputy Grand Masters continue the appointment of the District Chairmen of Benevolence who have already served a year or more in office, as it is felt that this continuity will provide the necessary experience to ensure maximum efficiency in that office.

It is for each of us a great privilege to be the instrument through which our Grand Lodge dispenses the Benevolence

which, without fanfare, is one of the greatest and most important functions of Masonry.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This report was presented by R.W. Bro. N. R. Richards, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Richards, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Following the 117th Annual Communication of Grand Lodge I communicated with each of the newly elected District Deputy Grand Masters as follows:

"As you develop your plans for the year ahead, I hope and expect Masonic Education will occupy an important and priority place in your program. I hasten to advise you that the Committee on Masonic Education is anxious to assist in whatever way it can by providing information that will be useful to you in stimulating interest and understanding on matters relating to Freemasonry."

As I prepare this report I have completed an analysis of a questionnaire forwarded to each of the District Deputy Grand Masters in which they were requested to provide information about masonic education in their particular district in 1972-73. The following questions were asked:

1. Does your District have a Committee on Masonic Education?
2. Is there continuity from year to year in the personnel of this committee?
3. Does your District Supervisor meet with the Chairman of Masonic Education from the individual lodges?
4. No. of Masonic Education meetings held in your district?
5. During your visits were you satisfied with efforts being made in Masonic Education programs?
6. In your view, in what educational topics are the brethren most interested?
7. Is there a large demand to borrow books from the Central Library?
8. Did you or your Supervisor send out information for Masonic Education programs?
9. Did you request your Supervisor to adopt a "theme" for Masonic Education this year?
10. Would you forward copies of the format of meetings that were most favourably received?
11. Suggestions on how Masonic Education might be improved.

If one assessed the success of Masonic Education merely on an interpretation of the Yes's and No's on the questionnaire form, he would be left with an incorrect impression of the status of Masonic Education. In the replies there was an expression of a warmth and understanding for Masonic Education, a sincerity of purpose and an objective outlook for greater activity in the future.

I had hoped that more districts would have established Committees on Masonic Education. Slightly over fifty percent did. A third of the districts reported continuity of personnel associated with the Committee. The Supervisor of Masonic Education met with chairmen at the lodge level in sixty percent of the Districts. With few exceptions District Deputy Grand Masters expressed satisfaction with the state of Masonic Education in the lodges in their districts. Themes selected for programs such as "Brotherhood and a New Fraternity", "New Systems", "Modern Trends", "Information Please", "Get Involved" appeared to be both interesting and effective.

From the replies received I am left with the impression that the Masonic year is truly a busy one for the District Deputy

Grand Master. He is hard pressed immediately following his election, to organize and establish committees in addition to the many required duties of the office. I am encouraged by the number of D.D.G.M.'s who suggested Supervisors of Masonic Education hold office for more than one year.

I congratulate R. Wor. Bro. M. J. Damp, Chairman of the Library Committee, for his efforts in attempting to encourage greater use of the library facilities. I concur with views expressed by D.D.G.M.'s that the work of the Masonic Education Committee and the Library Committee be closely integrated.

I have chosen to make particular reference to programs in a few districts to illustrate a particular feature that may be of use to others. Space does not permit this report to include all districts that are deserving of attention.

In Chatham District the D.D.G.M. meeting with all the Masters and Wardens of the District planned the program for the year and agreed that he would emphasize Masonic Education in his talks.

In Eastern District emphasis was on "The Lodge System of Masonic Education". The Supervisor for Eastern District refers to it as follows: "This Lodge System of Masonic Education is a condensation of much research from many publications by eminent masons, in order to properly guide and inform our new masons in the great Tenets and Principles of Freemasonry and to provide an understanding of our symbolism in the search of Truth and Knowledge".

In Hamilton District B a meeting was developed around the topic "What Every Young Mason Ought to Know". London East District held a joint venture with London West District which had not had a District Educational meeting for some time. The joint endeavour took the form of a Picture Travelogue developed by a brother who had visited fourteen countries in the Far East and the Middle East.

The D.D.G.M. from Sarnia District encourages greater use of coloured slides and using an occasion such as Ladies' Night to promote Masonic Education. Wellington District Masonic Education Committee consisted of the Supervisor and the Chairman of the Committee on Masonic Education in each lodge of the District. The theme chosen was what to say to a New Candidate, and Entered Apprentice, a Fellowcraft and a Master Mason.

Toronto District 2 reports "This evening (Masonic Education) we will attempt to show that Masonry has always been more than a series of meetings where we can witness ceremonies designed to induce the habits of virtue in our Lodge room and afterwards enjoy the company of our brethren in the banquet room". Toronto District 5 adopted a theme of "Communication and Participation"

and Education Committee members were available to assist and participate in individual lodge education programs. Toronto District 6 arranged two special meetings and had a member of the Committee on Masonic Education of the Board of General Purposes speak at each meeting.

In previous reports reference has been made to the Quetico Conference and the Port Hope Workshop. For this report I pay tribute to those who assisted in organizing the Regional Masonic Workshops for the Districts of Brant, Bruce, Grey, North Huron, South Huron, Waterloo, Wellington and Wilson. The workshops were held on two successive week ends at the University of Guelph. The theme chosen for the Workshops was "Making Masonry Masonic". Eighty lodges were represented at the workshops and 267 masons attended, comprised of District Deputy Grand Masters Past and Present, Worshipful Masters, Past Masters, Senior and Junior Stewards, Inner Guards, Chaplains and Master Masons.

The Grand Master, M.W. Bro. W. K. Bailey was guest speaker at the dinner hour for the first workshop and M.W. Bro. J. A. Irvine addressed the masons attending the second workshop.

Those who attended the workshops departed with a deeper and better appreciation of how each may be a more effective participating mason. The concept for the workshops was developed by Past District Deputy Grand Masters. This highly ambitious and successful project is another indication of the dedication of men who served their districts well and continue to lend their time and talents in furthering an understanding of Masonry. The seeds for "Making Masonry Masonic" were well sown at Guelph. Those who attended are challenged to cultivate and manage the planting so that the harvest will be bountiful.

Reference has been made to the book "Beyond the Pillars" More Light on Freemasonry. I cannot be other than enthusiastic about how this book can be used in developing programs in Masonic Education. Indeed I envisage its use for planning a program at the lodge level in each of the lodges of the Grand Jurisdiction.

Before closing the report for the Committee on Masonic Education may I again pay tribute to the Custodian of the Work, M.W. Bro. H. L. Martyn. One must never lose sight of the importance of the Work and we are indebted to the Custodian for his untiring efforts in this important part of our responsibilities. The Grand Master, M.W. Bro. W. K. Bailey, has been a tower of strength for Masonic Education through his challenging and stimulating addresses.

To all who assisted in any way in furthering a better understanding and appreciation of Masonry I thank you most sincerely.

All of which is respectfully and fraternally submitted on behalf of the Committee on Masonic Education.

N. R. RICHARDS,
Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This report was presented by R.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Polk, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Warrants begs to present its report for the year 1972-73.

Brotherhood Lodge, Waterloo, of the Waterloo District is now operating under Dispensation. An application for a Warrant has been presented. Your Committee has carefully examined the petition, books and records of this lodge, and as these are in order we are happy to recommend that a Warrant be issued to:

Brotherhood Lodge, U.D., Waterloo, instituted September 27, 1972, to be numbered 723 and placed in Waterloo District.

There are also two new Lodges U.D.—namely Trillium of Guelph, instituted on May 24th, 1973, and Wellington Square of Burlington, to be instituted in September 1973. Your committee recommends that the latter two continue under Dispensation for the ensuing year.

Your Committee finds it encouraging indeed for the future to have brought to our attention the fact that there are some four (4) to five (5) other new Lodges in various stages of development and planning. For the efforts of those concerned we are genuinely grateful and extend our utmost support.

The members of the Committee heartily congratulate the energetic members responsible for the formation of these new Lodges. Our hope is that each Charter Member, and the appointed officers will find the experience challenging, rewarding and fruitful. May steady growth, success and happy fellowship be yours to enjoy.

Your Committee again recommends that the Officers of each new Lodge avail themselves of the assistance of the Grand Secretary's office in setting up the record, minute, account books, and ledgers. This will assure the continuity of permanent records for the succeeding years of operation, in a convenient orderly manner, providing ready access and reference to the prior recorded data.

Likewise may we again emphasize the importance of a fire-proof type of storage for the safe-keeping of the Warrant, Minute Books, and other vital records between meetings, as they are impossible to replace in original form, and appreciate in value in succeeding years.

Finally may we remind the older members of the numerically larger Lodges, and the newly elected D.D.G.M.s to explore and assess wherever feasible the possible formation of new Lodges, and lend their experience and leadership to that end. The consensus of opinion is that over 200 to 225 members in any Lodge is excessive, that a Lodge contributes most and prospers best if maintained at that level.

May we welcome the members of Brotherhood Lodge to this Grand Lodge. Our wish for them is that the splendour of Brotherhood will pursue them in their labours of dispensing the great virtues of our beloved Fraternity.

Respectfully and fraternally submitted,

HOWARD O. POLK,
Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. R. J. Connor, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Connor, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is the happy privilege of your Blood Donors' Committee to submit its report for the year 1972-1973.

Being new to this committee we, naturally, felt that we could generate new enthusiasm and ideas and would show a noticeable increase in the table of donations. This was not to be. We do feel, however, that there is a slight increase in donations by our members, but this is being offset by an ever-increasing reluctance to report the donations to the lodge chairman. When our members can be convinced that by reporting their donations, they are not bragging about their accomplishments but are endorsing an obligation assumed by Grand Lodge, then the report of the Blood Donors' Committee will reflect the true effort in this life saving cause.

Our thanks is extended to the District Deputy Grand Master, for their prompt action in appointing a diligent Mason to act as the District Chairman of Blood Donors', and for the publicity they have given in exhorting their members to participate in sharing "The Gift of Life."

The results of the efforts of the District Chairmen are listed herewith and are shown with the results of 1972.

From this listing the following champions emerged: largest number of donations—826 by Toronto 1—W. Bro. Milt Williamson; greatest increase in donations—102 by Hamilton "A"—W. Bro. George Goodbrand; greatest percentage increase—70% by South Huron—W. Bro. Walter Schaeffer. Our congratulations must go to these brethren for their obviously untiring efforts to further the cause of the Blood Clinics. Another bouquet must be tossed to Ionic Lodge No. 229, Brampton, for the consistently high record they maintain in donations, increasing last year's total by 10 to a record of 426.

Individually there are some record holders too. Bro. E. Griffith of Doric Lodge, No. 382, has given 101 donations, Bro. D. Martineau of Algoma Lodge, No. 469, has 96 donations as has Bro. John Smith of Peterborough Lodge, No. 155.

Twenty of last year's chairmen accepted the responsibility of continuing in office and this committee wishes to thank them for their dedication and interest. Our veteran chairmen again deserve special mention—R.W. Bro. Chas. Heels of Victoria District for 12 years service; R.W. Bro. Cal Krauter of North Huron District—10 years; R.W. Bro. Harold Lockwood of Algoma District, Bro. Harley Johnson of Niagara "A" District, W. Bro. Albert Thompson of Peterborough District and W. Bro. Frank Taylor of Western District, each with 6 years service. To these and all the others who have served this committee we say a very sincere "thank you".

This past year one of our staunch supporters, V.W. Bro. Joe Griffith, a veteran chairman of 10 years service to Wilson District, passed to the Grand Lodge above. He will be greatly missed by the brethren of his district and by this committee.

Each year, it seems, some brethren who have served as district chairmen are recognized by being honoured by their district and/or by Grand Lodge. Two such brethren are now R.W. Sirs—one is R.W. Bro. Larry Smith, the D.D.G.M. of Bruce District and the other is R.W. Bro. Leslie J. Scrutton, the Grand Senior Warden (Toronto 6 District). In addition the following brethren were appointed to office at the Grand Lodge Communication last July: as Grand Sword Bearer—V.W. Bro. Wray Stacey, who

served Toronto 2 District; as Grand Stewards—V.W. Bro. Ron Shoebottom, now Chairman of the London Districts, and V.W. Bro. Walter Searl, Toronto 7 District. We, too, wish to congratulate these brethren and know that their service to Masonry will not end when they leave their offices.

In the field of extra effort, W.Bro. Albert Thompson sold Blood donating to some young people in a district High School so well that at the next clinic in Peterborough, two bus loads of students arrived to add their donations to the total.

Finally our thanks for instruction, support, and assistance go to the previous chairmen, R.W. Bro. Edward J. Langley and R.W. Bro. George E. Turner.

From the comments received with the district reports, several ideas can be implemented to try to foster an increase in this ongoing program

Respectfully and fraternally submitted,

ROD CONNOR,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This report was presented by R.W. Bro. M. J. Damp, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Damp, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am delighted to present the 41st Annual Report of your Library Committee which is comprised of Rt. Wor. Bros. G. I. Davies, G. K. Johnson, J. M. Jolley, J. D. Fraser, C. Hill, B. S. Lehman, G. F. Lambert, T. G. Roberts and J. M. Maben, all of whom have been most dedicated members and rendered invaluable service in the field of promotion.

We feel confident that the Grand Lodge Library has served another year of genuine benefit and usefulness to Craft Masonry and hasten to attribute any success we may have achieved to the resourcefulness and untiring efforts of our gracious Librarian,

Wor. Bro. William J. McKee whose competence and devotion to duty has endeared him to all who seek his counsel. We can be truly thankful that the services of this kindly Masonic gentleman are available to us. We would be remiss if we did not make especial mention of Very Wor. Bros. J. Petherick and C. Gulston who, by volunteering their services over the past years, have made it possible for the library to be available to the brethren during certain noon hour periods. To these brethren we express on your behalf, Most Worshipful Sir, our sincere appreciation.

During the period from June 30, 1972 to May 10, 1973 some 240 brethren visited the library and it is interesting to note that several of such visits were arranged for times other than the regular visiting hours and made possible through the generosity of our Librarian. 181 books were mailed to out-of-town brethren and 216 were loaned to local members all of which compares favourably with previous years.

We also note that 15 lodges requested books related to topics that would be applicable to study sessions on Masonic Education. From this and other factors, it is evident that there has been a marked and definite upsurge in the matter of Masonic Education which is an indication of good mental health in our jurisdiction. Our Grand Lodge Committee on Masonic Education deserves commendation on these obvious results of their efforts.

Over 200 years ago Lord Chesterfield wrote that "knowledge is a comfortable and necessary retreat, a sheltering tree for us in advanced age, and if we do not plant it while young, it will give us no shade when we are old".

How is knowledge acquired? We are not well-informed by inheritance, instinct or intuition, but by learning facts and weaving them together by thought. One cannot think, much less develop new ideas, unless one has units of comparison. These are obtained through personal perception and from the experiences of other people.

Everyone's knowledge would be very limited indeed if we could only acquire it through our own observation of events. As it is, we can turn to writers who have written about their experiences in every sphere of thought and activity.

Knowledge is not something in itself like an ornament to display; it is for use. Knowledge stored in our minds gives us material with which to think, and it also provides information about how to do things. A craftsman knows how to select the tools appropriate to the job in hand, and how to use them. That is knowledge in use. The answer to a difficult problem in engineering a bridge may be found in Euclid's geometry, but the bridge will not be built by the man who can recite Euclid by heart: he must have the ability to apply the principles to the case in hand.

So much is there to be found on the shelves of our library that can refresh us and send us out to our daily duties reassured of all that is good in human hearts.

“And this our life exempt from public haunt
Finds tongue in trees, books in running brooks,
Sermons in stone, and good in everything”.

One might well ask of what value is the well-stocked library if we have not cultivated the faculty of reading effectively which will enable us to appreciate and understand its contents. Possibly at this time it might be apropos and be expected of your Library Committee, that some thoughts on the subject would prove profitable and encouraging.

Reading good books is not something to be indulged in as a luxury. It is a necessity for anyone who intends to give his life and work a touch of quality.

Books instruct us without anger, threats and harsh discipline. They do not sneer at our ignorance or grumble at our mistakes. They ask only that we spend some time in the company of greatness so that we may absorb some of its attributes.

Perusal of good books will give you a mind of your own, bulwarked against the seduction of slogans. Through books you can escape from the short-lived challenge of a crossword puzzle to the actual challenge of working out the why and wherefore of a segment of life. By borrowing the aid of a superior understanding you double your own understanding, meeting what the writer says with your own personal thoughts.

A library is not to be regarded as a solemn chamber, although recently we had occasion to take certain steps to make the Grand Lodge Library somewhat more appealing to its primary purpose. It is a place where you can go to take counsel with all that have been wise and great and good and glorious among the men who have gone before you. It is pleasant to sit down in that room just being aware that these authors, with their accumulated wisdom and charm, are waiting for you to open a conversation.

We can be abundantly thankful for the foresight of our founding brethren who stocked our shelves with no mean books but with those which exalt and inspire.

Reading a good book makes you feel warm and comfortable inside. Your mind is cultivating appreciation of the excellent. They are a source of pleasure, the purest and the most lasting. They enhance your sensation of the interestingness of life.

No one can dispute that in our library will be found many classics in the realm of Freemasonry which brings to mind that Mark Twain once said “A classic is something that everybody

wants to have read and nobody wants to read". The word "classical" applied to books or music simply means what has worn best. The consent of the ages has marked them out for all time. They represent, whether dressed in the brilliant finery of dust-covers or in ragged buckram, the world's accumulated hoard of mellow beauty and practical wisdom.

It is not what we read, but what we remember,
that makes us learned.
It is not what we intend, but what we do,
that makes us useful.
It is not a few faint wishes, but a life-long struggle,
that makes us valiant.

And so, Most Worshipful Sir, may your committee end this report on a note of thanks for our past opportunities and a hope for further desire of service to this Grand Lodge. We hope that there may be many in the coming year who, perhaps, have not been our patrons in the past but who will be curious enough to test our resources in the near future.

All of which is respectfully and fraternally submitted on behalf of this Committee.

M. J. DAMP,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This report was presented by R.W. Bro. H. Allan Leal, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Leal, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The sinews of any just and upright society are to be found in the character and vigour of its moral and social institutions. Those things which men believe, say they believe and practice have been relevant factors in the social equation at all times down through recorded history. And what has been relevant in all ages is critical in our own! The condition of Freemasonry as a moral and social institution, therefore, is not without significance in our society both for those who comprise its membership and those

who are influenced by it, however indirectly. It is, as well, the reason why any analysis and report on the condition of Masonry is something more than an academic exercise.

Able men serve good causes because of their devotion to them and do not ask to be thanked, but again this year we are privileged to acknowledge the impressive contribution to the cause of Freemasonry made by a host of devoted people. Words of ours cannot add one cubit to the stature of the Most Worshipful the Grand Master or do justice to the nature and scope of the impact of his leadership upon our fraternity. It was a special privilege for me, as Chairman of the Committee on the Condition of Masonry, to be in a position where one could be more familiar with the true dimensions of that contribution. It has been both substantial and visible. Masons throughout this grand jurisdiction will want to join in expressing our thanks and gratitude. Like the grand old Duke of York who had ten thousand men, we are marching up the hill, and are more than half way up!

It is, perhaps, too early to observe any dramatic change in the tide of events, particularly since our total membership continued to decline in the year 1972 with a net loss of 1943 over the previous year. What we have observed, however, both personally and as reflected in the annual reports of a number of the District Deputy Grand Masters, is a spirit of satisfaction and optimism fostered by the improvement in overall Masonic activity. This is an encouraging thing and nonetheless real even though it cannot be documented easily or be substantiated statistically. There can be no doubt that for thousands of men in this jurisdiction Masonry is a meaningful and enriching experience. It is equally true that for thousands of others its impact is stultified by sporadic attendance at or complete absence from its ceremonial and instructional sessions. Of far more concern than declining membership, as unsettling as that may be in some quarters, is the matter of our poor attendance record. Although by no means lacking in the opportunity for good fellowship and relaxation, the substance of Masonry is moral and ethical instruction. This is our *raison d'être*.

It is patently obvious that none of these things can be fulfilled without an active participation on the part of those who would experience them. And yet how good is our record? It might be comforting to record that it was, on the average, as high as 25% of the membership. Regrettably it is below that figure and, for too many constituent lodges, considerably below it. The answer lies not so much in the utilization of telephone committees, an appeal to self-discipline of the members and the like, but in the qualities of leadership in the officers of the constituent lodges and the planning and execution of stimulating programmes. Richness in any programme has the capacity to attract an interest and a desire to share. This applies to things spiritual as well as things temporal. Ancillary to all this is a sound communications system whereby people may be apprised both before and after the event and allegiance to future programmes set in train. The summons

while adequate to satisfy the constitutional requirements of notice, thus fulfilling a necessary function, must be supplemented by more informal and informative methods of communicating news relevant to general Masonic activity. This void, in an increasing number of lodges, is being filled by a friendly and personal newsletter. Much more could be done.

In response this year to a suggestion from the Most Worshipful the Grand Master, the annual reports of the majority of the District Deputy Grand Masters have been submitted in a form designed to provide more conveniently and more fully the relevant data on the constituent lodges and to afford a better opportunity for comparative analysis of the progress that has been made. The data has been classified and comment invited upon data such as lodge accommodation, financial position, membership, attendance, general spirit, quality of the work and points of special interest referable to each individual lodge. We are grateful to the District Deputy Grand Masters for having adhered to this new practice in a manner which has greatly facilitated our review. To them, to the District Secretaries, the District Chaplains and the Chairmen of the District Committees on Masonic Education, Benevolence and Blood Donors we render and record our grateful thanks for their respective contributions to the conduct of our affairs.

In the year under review, we have witnessed the dedication of a number of new masonic temples and we share with our brethren in these several areas the pride and satisfaction that derives from such major accomplishments. Whilst we are aware of the sources of their inspiration, we also recognize the labour and devotion that brought these acts of faith to fruition. They stand as symbols of hope and encouragement to the brethren in other places where the onward march of Masonry is impeded by inadequate physical facilities. We are not unmindful of the very real difficulties, both financial and otherwise, that lie in the path of any major building programme, but more frequently than not the longest and the hardest step is the initial one. Once embarked upon the enterprise the will to succeed fills many a void. Throughout the annals of Masonry a building programme, however modest, has proved to be the focal point around which new enthusiasm for rejuvenated programmes has also been built.

No less worthy of mention are the restoration, renovation and refurbishment of many existing lodge premises. These were especially prevalent in the rural areas and all the more commendable in view of the limited resources at hand.

The past year has been remarkable in the volume and quality of Masonic literary publications. Pre-eminent among them is the soon to be released work "Beyond the Pillars". The appearance of a book on Canadian Masonry is an occasion for both pride and satisfaction. We salute the authors and express our gratitude to those who inspired its production.

It is salutary to reflect on the fact that much that has been accomplished in these past twelve months is directly attributable to the competence, knowledge, imagination and devotion of the Worshipful Masters of the constituent lodges. We trust that we will not be thought to be unduly critical in making the observation that where, in a few isolated cases, leadership is lacking, the impact is immediately and profoundly felt. The task of the examining boards is indeed burdensome but vital to our continued well-being.

All of which is respectfully and fraternally submitted on behalf of the Committee.

H. ALLAN LEAL
Chairman.

REPORT OF THE COMMITTEE ON PRINTING AND SUPPLIES

This report was presented by R.W. Bro. H. C. Steele, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steele, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is an honour and privilege for me to report on behalf of the Committee on Printing and Supplies. The Committee is composed of the following members—Rt. Wor. Bros. W. A. McQuaker, L. D. Simpson, D. C. Wilkinson, J. D. Lemaich, H. C. Lord, R. E. Rowland, S. Ratford and the chairman.

Expenditures coming under the jurisdiction of the Committee for the year ending April 30th, 1973 are as follows.

Memorial Service Booklets	\$ 1,661.00
Constitutions for Resale (1 year Supply)	4,342.00
Classified Material	5,648.00
Proceedings & Postage (1300)	5,500.27
Grand Lodge Bulletins (2 Issues & Postage)	3,955.75
Printing Stationery and Supplies, Office	
Stationery, forms, etc.	4,204.16
Preliminary Reports (3500)	2,566.03
Fraternal Reviews (3200)	1,705.20
Questions & Answers (Test Questions)	306.94
Flyers, Order Forms and Beyond the Pillars	8,698.89
TOTAL	\$33,588.24

In comparing costs over the past 15 years the previous high was in 1970 when \$29,825.00 was spent. 1972 expenditures were down to a low figure of \$21,613.00. The year ending April 30th, 1973 reached a new high of \$33,588.00.

The three most significant items leading to the increase of \$11,975.00 over last year's expenses are as follows.

1st—The cost of printing the revised Memorial Service Booklet	\$1,661.00
2nd—The Questions and Answers	\$ 306.00
3rd—The preliminary work on the new publication "Beyond the Pillars"	\$8,700.00

These items account for \$10,667.00 of the increase in expenditures, but this expense will be recovered by the sale of the Memorial Service Booklet to the lodges and "Beyond the Pillars" to the members.

As of June 1st, approximately 12,000 copies have been ordered for which your committee wish to thank the membership for the support given this new venture.

Under the heading "Classified Material" \$5,648.00, this amount will be recovered by sale of copies of "The Work" to the eligible officers. Likewise the cost of Constitutions has risen \$1,556.00 since last year, but this is also a recoverable item of expense.

After close scrutiny, it appears that the cost of Printing and Supplies has increased very little. The amount of the increase would reflect the present trend in the cost of living.

As in previous years, the purchasing of supplies is left to the discretion of the Grand Secretary. Your Committee feel that, as in the past, wise judgment and sound business practices have been used in ordering the necessary supplies over the past twelve months.

The Committee wish to extend their thanks to the Grand Secretary and his Staff for their co-operation during the past year.

Respectfully and fraternally submitted

H. CAMERON STEELE,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This report was presented by V.W. Bro. E. C. Horwood, Chairman, on motion of the Deputy Grand

Master, seconded by V.W. Bro. Horwood, was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Since the last Annual Communication of Grand Lodge, your Advisory Committee has received requests from twelve Lodges seeking advice and the method of procedure relative to a proposed project, whether it was a new building, alterations to an existing one, or just regular maintenance and repairs. Moreover, your Committee had the pleasure of meeting several deputations at which meeting the peculiar problems of each deputation were discussed in detail. We are pleased to report that these twelve bring the total to more than 210 inquiries since the Committee was instituted in July, 1957; also that, during the past year, four new Temples have been dedicated and are now in use.

As each year passes into history, your Committee finds that, although 15 Annual Reports have been presented to, and adopted by Grand Lodge, yet the great majority of these requests relate to the method of procedure which has been thoroughly outlined in one or more of the said Reports. Moreover, some Secretaries of Lodges which have, or should still have, copies of these Annual Reports readily available for the building committees to read and consult, not only concerning the method of procedure but also the requirements of Grand Lodge, which are mandatory from the inception of the project to its completion, occupation and dedication, do not refer these Annual Reports to the respective Committees. Unfortunately, as this is not always done, there are delays, disappointments and, at times, annoyances, not only for the Lodges but also for the Advisory Committee.

If, therefore, those, whether they be members of the Craft or not, who prepare drawings for submission to the Advisory Committee for examination, are apprised and warned that it is very important to follow the requirements of Grand Lodge which are contained in:

- (1) Grand Lodge Bulletins, LB1 and LB2.
- (2) The National Building Code of Canada (1970) and/or
- (3) Chapter 2, entitled "Common Requirements", of the 1971 Ontario Building Fire Safety Design Standard, keeping in mind that, where variations occur, the highest standard shall always govern.

much time, effort and money would be saved in the preparation of drawings and time by your Committee and the Lodges in the fruition of the project.

As Chairman, I have had the valued assistance of M.W. Bro. E. G. Dixon, Grand Secretary Emeritus, and M.W. Bro. J. A. Irvine, Grand Secretary, both of whom have proffered their advice on non-technical matters. The Chairman wishes to extend to these two Brethren his sincere and grateful appreciation and thanks for taking the load off his shoulders when, for several months due to poor health, he was unable to do his part. He also wishes to extend his regrets and thanks to any and all Lodges whose project may have been somewhat delayed by his inability to "carry on".

It might serve a useful purpose, and indeed it may encourage others to follow the example of the Advisory Committee, to point out to all and sundry that all its deliberations and decisions must be in accordance with the approved and adopted requirements of Grand Lodge. The primary and purposeful function of this Committee, from its inception to the present time, is to see that the comfort and safety of the Brethren and, in fact, anyone or group who may be permitted to use any of its facilities, are properly taken care of in the planning and design of all lodge premises. For example, it may be of interest to all Brethren to know that panic hardware must be installed on all exit doors which, although locked from the outside, may be readily opened from the inside in case of fire or other emergency by anyone, whether he has the right to be inside the building or not. It may, also, be of interest to know that it is a matter of great regret and bitter disappointment to the Advisory Committee when it has to refuse to give approval to a Lodge to proceed with its building project because of the neglect and/or refusal of a Lodge to carry out any of the many regulations, approved and adopted by Grand Lodge. Let me assure all the Brethren of this Grand Jurisdiction, that not one of the members of the Advisory Committee derives the slightest modicum of pleasure whatsoever when it has had to refuse to give its approval to a Temple project to proceed with its construction, occupation and/or dedication.

Respectfully and fraternally submitted,

E. C. HORWOOD,
Chairman.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This report was presented by R.W. Bro. P. S. MacKenzie, Chairman; on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals presents its report in the following parts:

1. ALPHA LODGE, No. 384 vs. BRO. ALLAN A. KIROUAC.

This case came before your Committee in 1972 and the facts are stated at some length in the 1972 Proceedings of Grand Lodge at p. 110.

Bro. Allan A. Kirouac had been convicted of the theft of some \$70,000.00 from his employer in the years 1969 and 1970. He had pleaded guilty to the charge in Provincial Court (Criminal Division) and was sentenced to a term of imprisonment of four years and six months.

After a Masonic Trial, Alpha Lodge suspended him indefinitely and recommended his expulsion.

Grand Lodge directed that Bro. Kirouac be notified to appear at this Annual Communication to show cause why he should not be expelled.

It was further directed that the notification should be sent to the last address available to the Secretary of Alpha Lodge. This direction was necessitated by the difficulty the Lodge had experienced in originally locating and notifying Bro. Kirouac. He has been so notified. He having moved (according to notation of the Postal Authorities) the letter was forwarded to a second address and then returned marked "Unable to Locate". He has not appeared. In view of the fact that the direction of Grand Lodge with regard to service has been observed and that throughout the entire investigation Bro. Allan A. Kirouac appears to have been deliberately evading service of all process your Committee recommends that he be expelled.

2. PARKDALE LODGE, No. 510, vs. JACK F. HANCOCK.

A charge of unmasonic conduct was laid in the Lodge against Bro. Jack F. Hancock by Wor. Bro. G. J. Murray, a Past Master of Coronation Lodge No. 677, under date of May 2, 1972. Invoking Rule 1 sections (G) and (S), Wor. Bro. Murray alleged that the accused brother had entered into an adulterous relationship with his wife and had taken up residence with her in the City of Toronto. On the 11th day of September 1972 Wor. Bro. Murray obtained a Decree Nisi for Divorce from his wife, under the Divorce Act naming Bro. Jack F. Hancock as co-respondent. The allegations of adultery alleged in the Petition for Divorce were not contested and a Decree Absolute was obtained on the 11th day of December 1972.

It appears from the report of the Secretary of Parkdale Lodge that the above charge was read at a Lodge Meeting on June 14, 1972, the first regular meeting after the lapse of ten clear

days from when it was filed. This is in conformity with Rule 7. However, it doesn't appear that notice of receipt of the charge was sent with the Summons for that meeting as required by Rule 8. At the meeting on June 14, the disposition of the charge was set over to the regular meeting in September, when it was again deferred to the regular meeting in October. In the Summons for the October meeting a notice appeared informing the brethren that a charge of unmasonic conduct had been laid against a member of Parkdale Lodge and that this charge would be read out and discussed at the regular meeting in October. No further particulars appeared in the summons, a copy of which was sent to Bro. Hancock. Apparently at the regular meeting in October it was decided to deal with the charge at a special emergent meeting. Notice of this meeting, called for December 21, 1972 was personally delivered to Bro. Hancock together with a letter dated Nov. 20, 1972 informing him of the time and place of trial and enclosing a duly attested copy of the charge. Bro. Hancock replied to the letter under date of November 22, 1972 asking for an adjournment of the trial and denying the adulterous association. On November 24 the Secretary wrote to Bro. Hancock informing him that the Worshipful Master of the Lodge, after due and serious consideration, considered it was not possible to grant the request for an adjournment.

The emergent meeting was held on December 21, 1972 with twenty-three members and one visitor present, that visitor being the accusing brother Wor. Bro. Murray. It should be noted that as provided in Rule 12 a regular meeting of the Lodge intervened between the service of the notice and the action of the Lodge in holding the trial.

Bro. Hancock did not appear on December 21, 1972 and a well skilled brother was appointed to act as his counsel and the trial proceeded. Wor. Bro. Murray being duly sworn produced the following documents: (1) Petition for Divorce, (2) Decree Nisi, (3) Decree Absolute and (4) a purported transcript of evidence given at the trial by the Superintendent of the building in which Bro. Hancock resides. After identifying Bro. Hancock and Mrs. Murray he stated that they had signed a lease (Mrs. Murray signing as "V. Hancock") on October 8, 1971 and had resided in the building since that date, being known as Mr. & Mrs. J. Hancock. This information is given in view of the statement of Bro. Hancock in his letter of November 22, 1972. The Lodge found Bro. Hancock guilty of the offence as charged, and in light of the decision of the Court and the Superintendent's evidence your committee concurs in that finding.

Wor. Bro. Murray retired after the evidence was taken and the Lodge opened in the second and third degrees. There the verdict of guilty was determined by ballot. The Lodge then voted for indefinite suspension and recommended to Grand Lodge that Bro. Jack F. Hancock be expelled. Bro. Hancock was notified by registered mail on December 27, 1972 of these decisions.

It should be noted that in processing this grievance certain deviations from our rules were permitted. Rule 8 was not observed in that notice of reception of the charge and of the time and place of the meeting was not sent with the summons for the regular meeting in June 1972. Then there was considerable delay in processing the charge. This however seems to be adequately explained when it is realized that in the fall of 1972 the question which the lodge had to decide was before the Civil Courts for determination. It appears only right and proper that the Lodge should delay action until the Court had an opportunity to deal with the matter. This not only prevented any prejudice to the accused brother but greatly simplified the unpleasant task faced by the Lodge at the trial.

It is also observed that notice of the emergent meeting of December 21, 1972 was not sent to all members of Parkdale Lodge, although notice that a charge had been received was sent to all members with the October Notice. Notice of the emergent meeting was sent to all members with the October Notice. Notice of the emergent meeting was sent to some 125 members all living within a fifty mile radius of Toronto. The total membership of the Lodge is 173. There is no doubt however, as above stated, that Bro. Hancock received ample notice, with full particulars of the charge and was competently represented at the trial. It is suggested that in the overall view of the proceedings these irregularities might well be waived and so recommends.

Your committee therefore approves the finding of guilt and the indefinite suspension of Bro. Hancock and recommends that he be notified by registered mail to appear at the next Annual Communication of this Grand Lodge to show cause why he should not be expelled and that in the meantime his suspension be continued.

3. WOODLAND LODGE No. 680 vs. TERRY GRANTLAND PAUL.

A charge of unmaasonic conduct was laid in Woodland Lodge No. 680, under Rule 1(p) alleging that the accused had been guilty of public crimes involving moral turpitude in that he had been convicted at Sault Ste. Marie of attempted rape and indecent assault. He was sentenced in the Supreme Court of Ontario on the 30th of October 1972 for a term of imprisonment of two years less one day with three years probation thereafter.

Woodland Lodge proceeded to deal with the charge on February 8, 1973. The evidence consisted of a Certificate of Conviction from the Supreme Court and a letter from Bro. Paul in which he admits receipt of the Lodge Summons specifying the Charge and Notice of Trial. The accused brother was of course unable to attend the hearing but he was ably represented by Wor. Bro. R. Campbell. Your committee has had the opportunity of reading a resumé of Wor. Bro. Campbell's evidence and submis-

sions, and are of opinion that Bro. Paul's defence to the charge was most competently presented to the Lodge. We have also read a copy of Bro. Paul's letter to the Secretary of the Lodge. Two points in the letter are worthy of note:— Firstly, it is obvious there is no feeling of animosity expressed and he realizes that the Lodge must take action and secondly, he asserts his innocence of the crime of which he was convicted.

Woodland Lodge found Bro. Paul guilty of the Masonic charge as laid, voted for indefinite suspension and recommended to Grand Lodge that he be expelled. Your committee is of opinion that in view of the trial and conviction of Bro. Paul, Woodland Lodge had no alternative but to proceed and approves the action of the lodge. It is therefore recommended that Bro. Terry Grantland Paul be notified to attend the next Annual Communication of Grand Lodge to show cause why he should not be expelled and in the meantime the sentence of indefinite suspension should be continued. Since in all probability Bro. Paul will be released prior to our next Communication and since he intimates in his letter that he will be in communication with the Secretary of Woodland Lodge the above notice should be sent to the last address available to the Secretary.

During the course of the year your Committee has been consulted by some of our Lodges with reference to matters of serious concern to their membership and to their community. In each case the problems have been satisfactorily disposed of, due in large measure to the co-operation and intelligent approach of the officers and members of the constituent lodges. This Committee is, at all times, willing to assist the Lodges, if requested to do so, on problems falling within our jurisdiction. Very often a minor infraction of our rules of conduct can be amicably resolved without recrimination or attendant publicity detrimental to the Lodge and the Order. In many cases all that is needed, in matters of disagreement and controversy is the practical application of the fundamental principles of our Order.

Respectfully and fraternally submitted.

P. STUART MacKENZIE,
Chairman.

GRAND CHAPLAIN'S REPORT

The Grand Chaplain, R.W. Bro. Rev. H. G. Lowry, presented his report. On motion of the Deputy Grand Master, seconded by R.W. Bro. Lowry, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The office of Grand Chaplain has afforded me a special opportunity to have a small part in the activity of Grand Lodge. I am most grateful for this rewarding experience and extension of my Masonic fellowship.

I thank our Grand Master, Most Worshipful Brother William Kirk Bailey, for his courage and trust in appointing me to this high office. It is my sincere hope that I have been worthy of the confidence of those Masonic friends who gave a favourable report of me to the Grand Master.

Given the opportunity of attending Masonic meetings throughout the province, I have been able to share in an enlarged fellowship that was a pleasure to experience and a memory to treasure. Having received so much from the brethren, it is my fervent hope that the presence of the Grand Chaplain has contributed to the honour and glory of God and to the welfare and well-being of Masonic brethren.

My work as Grand Chaplain has been made easier in that I have been preceded by brother ministers who have added to the dignity of the office. Right Worshipful Brother Davies, whom I succeeded, and the Grand Secretary Most Worshipful Brother J. A. Irvine, have been most helpful in guiding me in the right direction and I am grateful to them for their kindness and assistance.

I should like to commend the District Deputy Grand Masters for their promptness and good choice of their District Chaplain. To my knowledge they have worked together in promoting the District Divine Services. In the beginning of masonry, we acknowledge our trust in God and it is good to renew that loyalty in church with our brother masons and those of our friends who share a similar faith in God.

As a minister I have been enriched by my membership in the Masonic Order and I trust that the District Chaplains and all brother ministers share that same good fellowship. Your presence in the Lodge and in its activities can be a most helpful asset to the Lodge and will add to greater fulfilment in your own life and its work.

During the past year I have had the door of Grand Lodge opened to me, but in knowledge and experience I still stand only upon the threshold. The opportunity of serving as Grand Chaplain has increased my desire to know more about Grand Lodge and its work, and God willing, I hope to know and do more for the good cause of Masonry.

For myself and for you my brethren I pray that we may use the tools that the Great Architect has entrusted to our care, to build His kind of world of brotherly love, relief and truth.

In concluding this report, I must express my sincere appreciation to the Grand Master, Most Worshipful Brother William Bailey, who in his dignified, talented and scholarly way, truly exemplified for me, as I am sure he did for many others, those high qualities which we, as Masons, expect of our Grand Master.

May the Most High bless you for the good work you have done and strengthen you for the work that you have yet to do.

Respectfully and fraternally submitted,

HAROLD G. LOWRY,
Grand Chaplain.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

Presented by R.W. Bro. A. C. Ashforth, Chairman, on motion of the Deputy Grand Master, seconded by R.W. Bro. Ashforth, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Reports of the Grand Secretary, the Grand Treasurer and the Auditor's Report attached thereto, which have been referred to this Committee for consideration by this Annual Communication of Grand Lodge, appear to fully and accurately set forth all pertinent details relative to the financial position of this Grand Lodge for the year ended April 30, 1973.

They contain full information on all receipts and disbursements in respect to the General Fund, the Memorial and Semi-Centennial Funds. They also include details of all transactions and changes in the Capital Account as well as schedules of the securities in which Grand Lodge funds were invested as of the above mentioned date.

Your Committee makes the following observations respecting certain subject matters covered by these reports:

(1) The book value of securities held as of April 30, 1973 was \$1,710,406.74 while Cash on Hand and in the Bank amounted to \$55,427.36 bringing the total of all resources to \$1,765,834.10 as reported by the Grand Treasurer. The latter figure represents an increase of \$47,543.29 over the corresponding one a year ago.

(2) All securities in which Grand Lodge funds are presently invested are in the category of Trustee Investments, with the exception of 5% Series "A" and "B" Debentures of Masonic Holdings. On April 30th last the par value of debentures held was \$250,000 a reduction of \$10,000 having been made during the year. The original purchases amounted to \$392,000; thus redemption of \$142,000 has taken place. Masonic Holdings intends to further redeem these debentures whenever funds are available for such purpose.

Grand Lodge securities, with few exceptions, are registered as to capital and interest. They are presently held in the custody of The Canadian Imperial Bank of Commerce, Hamilton, Ontario whose confirmation certification is obtained annually by the Auditor.

(3) Total Receipts from initiation fees, dues, and interest on investments, amounted to \$226,482.74 being \$4,942.26 less than forecast a year ago. Disbursements of \$219,407.92 were \$11,597.08 less than the estimates. The net surplus for the year amounted to \$7,074.82 against a budget figure of \$420. An item which contributed largely to a change in budget estimates was the reduced amount paid to the Benevolent Fund namely \$27,400.00 against a budget figure of \$35,000.

According to the audited statements, grants for Benevolent purposes, less those refunded and cancelled, amounted to \$61,195.81 which is a decrease of \$594.15 from a year ago. These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund.

As stated a moment ago, the amount transferred from the General Fund was below the amount set aside in last year's Budget. The Committee on Benevolence, estimates the amount of Benevolent Grants this year will amount to approximately \$60,000 which will require a transfer of \$30,000 from General Fund. The Committee on Audit and Finance recommends that in accordance with Section 199 of the Constitution, as amended, appropriations from the General Fund up to an amount of \$30,000 for this purpose. Such funds to be transferred to the combined Memorial and Semi-Centennial Funds as and when required, in order to supplement the interest and income therefrom, thus making adequate provision for all benevolent grants which Grand Lodge may extend during the period May 1, 1973 to April 30, 1974.

The time, thought and careful consideration given to all cases requiring financial assistance of this Grand Lodge by the Chairman and members of the Committee on Benevolence and the Supervisor, V.W. Bro. Guy, merit the commendation of our membership.

The Report of the Grand Secretary includes a recapitulation of the membership as of December 31, 1972. The total of 118,970 reflects a net loss of 1943 members during the year

ended on that date and brings the loss total to 17,121 since the decline first started eleven years ago. Financially the loss of income at various levels is quite substantial.

Your Committee recommends that Grand Lodge approve the special donations totalling \$4,800 made under the authority of the Grand Master and itemized in the financial statements.

Insurance coverage, placed by Grand Lodge and currently in effect, is presently being reviewed.

We can assure you that all items of expense are under strict and constant control.

The Committee is pleased to observe the following bequests were received during the year.

Stephen Fred Hutchinson, \$25,000 and a further bequest of \$357.32 from the Elmer J. Sirrs Estate.

We are pleased to report your Committee has received the fullest co-operation and assistance of the Grand Secretary and the Grand Treasurer in its review of all matters covered by this report. It now formally recommends to Grand Lodge the adoption, without amendment, of the reports submitted by the above mentioned Officers, who are to be commended upon the conscientious and faithful performance of the duties of their respective offices. REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present to you the report of the Committee on Fraternal Correspondence. I should like, at the beginning, to pay tribute to the former Chairman of this Committee, M.W. Bro. D. J. Gunn, and express our appreciation for his leadership and dedication to the cause of Freemasonry. His contribution was great and we are the beneficiaries of his efforts.

This foreword is really an introduction to the several summaries of the Annual Proceedings of the Grand Lodges with which we are in fraternal relations. These summaries are the work of R.W. Bro. J. J. Talman, to whom we are indebted for a task requiring much time and effort. We thank R.W. Bro. Talman sincerely for his interesting and brief accounts of the happenings in sister jurisdictions which keep us up to date on the progress of world Freemasonry.

The desire of many applicants to join the lodges of their choice in preference to those within whose jurisdictional boundaries they reside is a matter of increasing concern in our Grand Lodge. Several of our sister jurisdictions in the United States have discussed state-wide concurrent jurisdiction after a trial period. The Grand Lodges of Ohio in 1970 and Indiana in 1972 are two which have permanently adopted this in recent years with evident satisfaction to all.

It has been traditional for Masons to care for the less fortunate member. Rising costs of maintenance and upkeep of Masonic homes are mirrored in the reports of quite a number of our sister Grand Lodges. We congratulate them on their successful efforts to keep up with the increases and still maintain the standard of care from year to year.

Our society has been slowly changing from rural to urban. This change has brought with it the usual problems of attending population shifts and will affect increasingly our rural lodges because of dwindling numbers of possible candidates within the jurisdiction of each lodge. While this has not happened in Ontario in recent years, we should alert ourselves to the possibility, and

study how our brethren in Alberta, Indiana, Manitoba and New Jersey have dealt with this item.

I have always been concerned with the long distances between lodges in Northern Ontario and the many miles travelled by our District Deputies as they carry out their duties for Grand Lodge. Should any of us think we have a monopoly on distances, we should read the report of British Columbia.

History has always been a vital part of Masonic Education and each new item broadens the picture of world Masonry for us. The reports of Japan, Vermont, Saskatchewan and Southern Africa will increase our fund of historical facts and add a few strokes to our Masonic painting.

Almost from time immemorial our Craft has had irritations and opposition. These have been reduced in varying degrees over the years with accompanying satisfaction as each item was resolved. I am sure you will be delighted to read the reports of Nova Scotia, Quebec and Rhode Island.

Once again, I assure you that the items mentioned above are only a few of the interesting events and actions reported in the Proceedings of our sister Jurisdictions. You should read them all. They are worth-while.

Respectfully and fraternally submitted,

BRUCE B. FOSTER,
Chairman.

Fraternal Correspondence and Reviews

ALABAMA — 1972

152nd Annual Communication — November 21-22.

Grand Master, 1971-72 — M.W. Bro. P. E. Bradford

Grand Master, 1972-73 — M.W. Bro. C. C. Robinson

Lodges, 434.

Membership, 72,402.

Loss, 616.

Two lodges received dispensations to continue work. The dispensations were necessary as they had failed to have representatives at two successive Grand Lodge sessions.

The laying of cornerstones remains a significant feature of Masonry in Alabama. The Proceedings record thirteen such occasions.

The Grand Master was forced to deal firmly with two improper activities. In one case an individual circularized the Masons of Alabama in an effort to promote a fifteen-day tour of "the Bible Lands and Cairo, with the possibility of a lodge meeting being held in King Solomon's quarry." The second case had to do with business cards bearing "the Masonic Emblem."

In his concluding paragraphs, the Grand Master gave a clear statement of his opinion of the state of the Order in Alabama.

"During my year, I have traveled this State from coast to the Tennessee line and from East to West across this State and I find that the quality of Masonry to me is improving. I can visualize an upswing in our Lodges throughout the State in the coming near future. I believe that our Lodges are turning upward in attendance and in Masonic interest throughout the State. Although we have not stopped the continual year after year loss of membership, we are reducing that number of loss and I predict with the proper leadership in the next two or three years we will be showing an increase rather than a decrease in our membership."

ALBERTA — 1972

67th Annual Communication — June 14-15.

Grand Master, 1972-73 — M.W. Bro. F. G. Fox

The Grand Master spoke enthusiastically about the Thirty-first Annual Conference of the principal officers of the four western Jurisdictions which met in Banff. The proceedings as he said "provide an inexhaustible store of material for the researcher into Masonic lore and practices." This year the theme was "Leadership."

The shift of population in rural areas has reduced memberships and made amalgamation of some lodges inevitable. These are not necessarily unhappy occasions as the Grand Master reported:

"I would like, however, to relate to you the tremendous uplifting experience it was to attend the amalgamation of Gleichen Lodge No. 36 with Standard No. 152. It was a festive evening and the amalgamation was conducted with the joy one usually finds at a wedding. I commend the brethren of these two lodges for their approach to this matter. It demonstrated clear Masonic thinking. It demonstrated an acceptance of facts as they are and it demonstrated a faith in the future and above all it demonstrated a real belief in brotherhood."

In another instance things did not turn out so well and the Grand Master revealed some of the pitfalls present when a charter is surrendered and some of the safeguards which should be thought of.

"Unfortunately, in another instance, and I refer to that of Joppa Lodge No. 40, it was not possible to effect an amalgamation of that lodge with any other lodge in the District and the brethren resolved to surrender their charter. This surrender provides a lesson to all members of this Craft on a very important point. One of the effects of surrender under our constitution is that immediately it is effected, by adoption of the resolution after notice of motion, the lodge immediately ceases to exist and all of its members receive in the mail a demit issued by Grand Lodge. In this instance there was a life member of many years standing as a Freemason. The jeopardy in which his life membership stood had been pointed out to the Lodge. I find it incomprehensible that steps were not taken prior to the surrender of that Charter to have this brother affiliated with another lodge so that his membership in his declining years, in the sere and yellow leaf of old age, could be continued without interruption."

In view of the declining rural population the Grand Master set up a special committee as he said "rejoicing in the name of the Grand Master's Special Committee of the Craft in a Mobile Society." The purpose of the Committee was to consider the best means to approach the problem of shifting population. The Committee did its work and the results have been given to the incoming Grand Master for possible action.

The speaker at the Annual Banquet was our own M.W. Bro. W. K. Bailey. He pointed out that he had been preceded by the late M.W. Bro. C. M. Pitts in 1961. On the following day M.W. Bro. Bailey was made an Honorary Past Grand Master of the Grand Lodge of Alberta.

ARKANSAS — 1972

131st Annual Communication — November 21-22.

Grand Master, 1971-72 — M.W. Bro. P. C. Bush
Grand Master, 1972-73 — M.W. Bro. M. C. Lewis, Jr.

Lodges, 372. Membership, 50,394. Loss, 518.

Once again three lodges moved a resolution to establish State-wide concurrent jurisdiction for lodges. We reported on a similar proposal last year. The matter was referred to the Committee on Masonic Law and Usage. The Committee recommended against adoption. An amendment which would have provided for a trial period was defeated. Finally, the resolution was rejected with the proviso that the Committee spend the next year studying the problem and bring in a report to Grand Lodge in 1973.

An appeal sent out by the Grand Secretary produced \$2,693.00 from 121 lodges to assist New Franklin Lodge No. 350, whose lodge building had been destroyed by fire.

The Grand Master ruled "quite properly, by the Law" according to the Committee on Masonic Law and Usage, "that a church, which had sold its property could not have the use of a Lodge Hall."

The Grand Secretary, M.W. Bro. J. B. Donham (G.M. 1960), added an appropriate word of advice in his report.

"Masonry, in its final analysis, is a very personal thing founded upon the dignity of the individual and his relationship as an individual to his God and his fellowman. May I suggest that instead of trying to make Masonry relevant to the modern world of today, or anything else, that each of us as Masons try the obvious solution of practicing what we preach."

BRITISH COLUMBIA — 1972

101st Annual Communication — June 22-23.

Grand Master, 1971-72 — M.W. Bro. H. P. Baikie

Grand Master, 1972-73 — M.W. Bro. F. W. Coffin

Lodges, 170.

Membership, 25,186.

Loss, 371.

District Deputy Grand Masters are a hard working body in any Jurisdiction. The number of lodges in a district, however, cannot be taken as a criterion of the work involved. Atlin-Yukon District No. 11 has only four lodges: Atlinto Lodge No. 42, Atlin; Whitehorse Lodge No. 46, Whitehorse; Yukon Lodge No. 45, Dawson; and Northern Lights Lodge No. 157, Mayo, Y.T. Attendance is necessarily a problem, nevertheless all four lodges had candidates, for two their first in five years. The District Deputy Grand Master travelled 2,700 miles, sometimes in temperatures registering 50 degrees below zero.

The District Deputy Grand Master for Vancouver District reported on a member of a Vancouver Lodge who received recognition as a member for 70 years. At 92, driving himself, he regularly attends meetings of his Lodge and meetings of its Board of General Purposes.

CALIFORNIA — 1971

122nd Annual Communication — October 11-15.

Grand Master, 1971-72 — M.W. Bro. L. S. McElwain

Lodges, 703.

Membership, 230,583.

We could not report on this large jurisdiction in 1972 as the Proceedings did not arrive until July 11. When one sees the size of the volume he can understand the magnitude of the work involved in publishing it. It consists of 559 pages and contains no fraternal reviews. A relatively small percentage of the pages stand from year to year. California is one of the jurisdictions which includes the date of the charter of all constituent lodges in the roll of lodges. The record shows that seven lodges were warranted in 1873 one of which has been erased.

The Grand Lodge produced a concise history of the Jurisdiction in booklet form. Three brethren, two newspapermen and a professor of history, produced a most acceptable volume. The Grand Master would now like to see a history of Masonry in California and Hawaii in a single volume of perhaps 400 pages. There is already a four volume work on the subject published in 1950 but it is too large to attract the casual reader.

W. Bro. Don Ingalls, Chairman of the Special Committee on Film Projects, has written, directed and produced a twenty minute sound picture in colour entitled "Journey into Truth". We are told "It is a strikingly dramatic and artistic production portraying the journey of a man into the realms of Masonry."

The question of a Grand Lodge for Hawaii is again being promoted by some lodges. There is a marked division of opinion on the subject among the Hawaii lodge members. Hawaiian Masonry has been closely allied to California Masonry since 1852 and all ten lodges in Hawaii were chartered by the Grand Lodge of California. They continue their existence as constituent lodges of the jurisdiction of California.

The Grand Master and the senior officers of the Grand Lodge believed that if a majority of the lodges in Hawaii, by fair and equitable procedures, with a majority of the members of those lodges, unite in the movement they should be supported. Other lodges in the state, in the interest of harmony and the welfare of the Craft, should accede to the will of the majority. The Grand Master was supported by the Grand Lodge.

It speaks well for the Jurisdiction that it became necessary to lay down rules for a mortgage burning ceremony. Such ceremonies (somewhat elaborate in form) are open to all interested persons.

The Committee on Policy and General Purposes recommended against a proposal of the Grand Master that the Grand Lodge enter a float in the Pasadena Tournament of Roses Parade. The cost of the float would have been about \$25,000.

Although Latin American governments frequently change with great suddenness and the following item of information may well be obsolete before it appears in print it is interesting nonetheless. The Committee on Recognition of Foreign Grand Lodges had this to say about Chile (a Jurisdiction which we recognize):

In connection with recent political and economic events in Chile, the President of that Country, Senor Salvador Allende, has been variously described in our news media as a Marxist, an atheist and a mason. To resolve this seeming contradiction, our Grand Secretary queried his opposite member in Chile and we are informed that Brother Allende was made a mason in 1935, served as W.M. of Hiram Lodge No. 65, and has been active in the Craft during his masonic life. Also, that he has never declared himself to be an atheist but has publicly reiterated that he is a mason, and finally that since Allende's youthhood he has been a member of the Socialist Party and never of the Communist Party, those parties being antagonistic to each other. The Grand Secretary of the Grand Lodge of Chile adds that Communists cannot be members of Chilean Freemasonry.

CALIFORNIA — 1972

123rd Annual Communication— October 9-13.

Grand Master, 1971-72 — M.W. Bro. L. S. McElwain

Grand Master, 1972-73 — M.W. Bro. W. H. Price

Lodges, 697.

Membership, 227,214.

Loss, 3,369.

This year, although the Grand Lodge did not close until October 13, the printed Proceedings arrived on March 12. In view of what we wrote regarding the 1971 Proceedings (and those for 1972 are only 50 pages less) the publication and distribution in five months is a real achievement

Of the 697 chartered lodges in the Jurisdiction, 661 were represented at the Annual Communication. The grand total of representatives was 3,027.

The proposed Grand Lodge of Hawaii was again before the Grand Lodge. Following the decisions of 1971 some of the Hawaiian Lodges requested a proper form of ballot for distribution to their members to get an expression of opinion. Two of the lodges did not distribute ballots as the membership had been negative earlier. A third did not reply to the Grand Master's letter. In the ten lodges in Hawaii, there are 3,165 members. Of these only 1,565 voted. Those voting did have a 70.9% vote in favour of a Grand Lodge of Hawaii. They, however, represented only 35.07% of the total membership. The Grand Lodge of California, therefore, supported the view of the Grand Master that he seriously doubted the wisdom of forming a Grand Lodge of Hawaii at this time.

During the year the Grand Master received gavels at such occasions as cornerstone layings, dedication ceremonies, mortgage burnings, and many others. From the list it would appear that he received 25. He employed all at one time or another during the Annual Communication.

The Grand Master reported that on several occasions the Knights of Columbus participated in the cornerstone ceremonies, often presenting the U.S. flag to the school when and where the Grand Lodge had laid the cornerstone. The Grand Lodge Ritual Committee is working on a new ceremony as nowadays many cornerstones are laid symbolically, after a building has been erected.

In his official duties the Grand Master travelled 50,000 miles by air and more than 25,000 miles by car. He found the condition of Masonry in California and Hawaii to be sound. None of the problems which undoubtedly will continue in the future as "nothing is so permanent as change" will be insurmountable.

CONNECTICUT — 1972

184th Annual Communication — April 5-6.

Grand Master, 1971-72 — M.W. Bro. M. E. Tapley

Grand Master, 1972-73 — M.W. Bro. W. C. Neu

Lodges, 136.

Membership, 42,037.

Loss, 936.

The Grand Secretary in the returns of the constituent lodges shows the dates of the charters of all lodges. The earliest, Hiram No. 1, New Haven, was constituted in 1750. Ten are over 200 years old.

The Grand Historian reported, in part, that three lodges can boast of a continuous existence unbroken during the Revolution. Others went dark, no doubt, when harmony was disrupted at refreshment by differences between patriot and loyalist members. There were probably not more than 400 Masons in Connecticut in 1772.

In addition to his formal report, the Grand Historian continued his series of articles printed as appendices to the Proceedings. He covered Connecticut Masons in the American Revolution, 1777-1778, this year.

In this Jurisdiction the Deputy Grand Master is required to present a report covering his activities during his term of office. He described one useful programme:

"The Grand Master assigned to me the task of establishing a program of fraternal visitations by Grand Lodge officers to constituent Lodges. This program served a dual purpose: first, an opportunity for the officers and Brethren of the Lodges visited to get acquainted with those serving in the Grand Lodge chairs; and second, it was an opportunity for the Grand Lodge officers to meet and associate with Brethren whom they might never have known in the normal course of events. From all reports, this program meets with the enthusiastic approval of all."

In addition the Deputy Grand Master generally supervised the District Deputies.

DELAWARE — 1972

167th Annual Communication — October 28.

Grand Master, 1971-72 — M.W. Bro. W. E. Nelson

Grand Master, 1972-73 — M.W. Bro. P. E. Ellis

Lodges, 29.

Membership, 9,250.

Loss, 12.

We did not receive the Proceedings for 1971. In the 1971 Reviews we reported on 1969 and 1970. There evidently is some unevenness in the distribution. Heading the list at the Annual Communication was M.W. Bro. W. K. Bailey.

The Grand Master was of the opinion that the year had seen Masonry draw closer together than in many years past. "There no longer exist the down-state Masons and the up-state Masons." Communications and visitations between lodges in the State increased.

The first All State Table Lodge Committee, appointed in 1971, reported that the Table Lodge was held. Twenty-seven Delaware lodges were represented. They and prominent Masons from New Jersey, Pennsylvania, Maryland, and Virginia met to honour the Grand Master and his staff. A total of 383 attended.

Two issues of the "Delaware Freemason", each containing six pages, were sent to all Delaware Masons during the year. The issues stressed news items at the expense of editorial comment. Proposed Code changes were included thus reducing the overall Grand Lodge printing costs and familiarizing all readers with the actions of Grand Lodge.

DISTRICT OF COLUMBIA — 1971

161st Annual Report

Annual Communication — December 15.

Grand Master, 1971 — M.W. Bro. R. F. Sutphin
Grand Master, 1972 — M.W. Bro. N. N. Engleberg

Lodges, 47. Membership, 16,599. Loss, 581.

The Grand Lodge of Maryland and its constituent lodges consistently granted requests for waivers of territorial jurisdiction. The granting of 61 provided clear evidence of the cordial relations between the two Jurisdictions.

The largest lodge in the Jurisdiction is Samuel Gompers Lodge, No. 45, with 1,324 members. Here is one place where the memory of one of the great American labour leaders is commemorated. He was born in England in 1850 and died in 1924. Except for two years he was President of the American Federation of Labor from 1886 to 1924. Another large lodge is Naval Lodge, No. 4, with 1,031 members. Justice Lodge, No. 46, and Barristers Lodge, No. 48, suggest the likely make-up of the membership. Petworth Lodge, No. 47, gives no clue. Petworth is a parish in Sussex, England.

A Past Master of a lodge in Australia submitted a request to Grand Lodge that the Master Masons presently or formerly employed at the Embassy of Australia in the United States be permitted to form a Masonic Club, to be known as "The Boomerang Fidelity Club." A further addition to the membership will be available upon nomination to Masons not employed at the Embassy, but such membership will be limited at all times to not more than 30 percent of the total club membership.

The Committee on Jurisprudence recommended approval.

ENGLAND — 1972

Quarterly Communications—March 8, June 14, September 13,
December 13.

Annual Investiture — April 26.

Grand Master — H.R.H. The Duke of Kent, G.C.M.G.,
G.C.V.O., A.D.C.

Grand Secretary—R.W. Bro. James W. Stubbs, P.G.W.

The lodges on the Grand Register in 1971 totalled 7,547, an increase of 506 since 1962. Grand Lodge certificates issued totalled 19,161 (17,044 issued at Freemasons' Hall and 2,117 issued by District Grand Masters). The total figure for 1970 was 17,882. The 1971 figure was the largest since 1966 and indeed in the approximate range of the figures for 1962-65.

When speaking about the Grand Lodge accounts the President of the Board of General Purposes stated that the Fund of Benevolence showed "an almost unhealthy balance." He expressed the hope that the lodges would be more active in finding cases of hardship among their members, past members and widows, which the Fund is expressly designed to relieve. The Fund now stands at £1,421,846.

In March, 1971, the Grand Lodge, "with deep regret and as a last resort" withdrew recognition of the Grand Lodge Alpina of Switzerland. The principal reasons were the lack of effective sovereignty exerted by Alpina over its own lodges and members, as a result of this the way was opened for irregular Masons to visit Swiss lodges. The Swiss Grand Lodge withdrew a circular letter which precipitated the matter. This action enabled the United Grand Lodge of England to return to the status quo as it was prior to March 10, 1971. The President of the Board of General Purposes added: "The Board is firmly convinced that the United Grand Lodge of England has made a successful stand for regularity on behalf of Freemasonry as a whole."

The Quarterly Communication, September 13, was marked by a noteworthy event, the recognition of the Grand Orient of Italy.

In spite of statements to the contrary the Grand Lodge had never recognized any sovereign Masonic body in Italy, though there can be no reasonable doubt that the earliest lodges there had obtained their warrants from England. It seems clear that the present day Freemasons are in direct Masonic descent from those lodges and other equally regular parent bodies. After conversations with the Grand Lodges of Ireland and Scotland and other Masonic authorities outside and inside Europe it became clear that the Grand Orient is the predominant Masonic organization in Italy and for two decades has been meticulous in avoiding any imputation of political interference.

As a memorial to the late Pro Grand Master, Lord Scarborough, the Grand Lodge contributed generously to the restoration of the Rose Window in York Minster. The widow of Lord Scarborough in a letter of appreciation showed how appropriate the memorial was. Lord Scarborough, she wrote, "was born in York, represented it in Parliament, and was Her Majesty's Lieutenant for the City and West Riding for 21 years. He had a deep and abiding love for York and its Minster and he was proud to be the Minster's first High Steward and to be called upon to help to save it. How pleased he would have been to know that Freemasons should have remembered him in such a splendid way by contributing so generously to the restoration of the Rose Window. This is exactly the form of memorial he would most have appreciated."

Many readers of these Reviews will undoubtedly recall that the Minster contains more stained glass than any other English, or indeed any, cathedral and that the Rose Window is notable.

FLORIDA — 1972

143rd Annual Communication — April 26-28.

Grand Master, 1971-72 — M.W. Bro. W. W. Masters, Jr.

Grand Master, 1972-73 — M.W. Bro. E. Crary, Jr.

Lodges, 315.

Membership, 78,261.

Gain, 845.

All but 15 lodges on the roll of lodges were represented at the Annual Communication. The gain in membership was the largest since 1967.

The Grand Secretary has begun processing lodge membership and annual returns by computer. "While the data processing system is obtaining the desired results of relieving lodge secretaries of the drudgery of manually preparing the returns and moneys are collected more rapidly for early investment . . . there are still 'bugs' in the system." The Data Processing Committee is changing to another service bureau "which will be more efficient." One

complication is the fact that one-third of the Lodge Secretaries change annually.

The Cuban Avouchment Committee certified 25 special identification cards which enable qualified Cuban Masons to affiliate with Florida Lodges. Since 1967, 247 such cards have been issued.

GEORGIA — 1971

185th Annual Communication — October 26-27.

Grand Master, 1970-71 — M.W. Bro. R. C. James
Grand Master, 1971-72 — M.W. Bro. J. G. McKenney

Lodges, 473. Membership, 96,745. Gain, 124.

The net gain in members contrasted favourably with recent years. Once again four cornerstones for new lodges were laid. Three years saw the laying of cornerstones for sixteen new Temples. Masonry must be flourishing in Georgia. The Grand Master remarked that the increase was healthy because of the care given to investigation and proper Masonic instruction.

The Grand Lodge, in Emergent Communications, unveiled historic markers to the first Grand Master of Georgia and the Grand Master 1843-56, in Savannah and Greensboro respectively.

The Jurisprudence Committee prepared legislation which was adopted to solve the problem of applications from candidates involved in the serving of beverage alcohol. As matters stood even "those employed in the area of supermarkets, operation and maintenance of a common carrier" and like occupations, if liquor was involved were not eligible for membership. The new legislation, strongly supported by the Grand Master, restricts the prohibition to those actually serving alcoholic beverages.

GEORGIA — 1972

186th Annual Communication — October 24-25.

Grand Master, 1971-72 — M.W. Bro. J. G. McKenney
Grand Master, 1972-73 — M.W. Bro. G. E. Oliver

Lodges, 473. Membership, 96,485. Loss, 260.

As readers of these reviews can see the Proceedings for 1971 arrived too late for inclusion in the 1972 Reviews. This year, however, the volume arrived in our Grand Lodge Office less than

three months after the Annual Communication. The Grand Secretary achieved the speedy publication by producing the Proceedings by offset printing from typed copy. The effect is pleasing and the method, no doubt, economical.

The Grand Secretary listed the three lodges with the largest and smallest membership. The figures were 1,277, 1,188, 1,175 and 17, 14, 13. The average membership of lodges in the Jurisdiction is 204.

One lodge in Georgia is selected each year for outstanding service not only within the Masonic Fraternity but in the community as well. The cup for 1972 went to Eastman Lodge, No. 279. It was the Lodge's centennial year and the members made a year-long celebration of the event, holding some type of special programme at every meeting of the Lodge and other events during the year.

The strict attitude of the Grand Lodge toward applicants who have any association with beverage alcohol was shown in a ruling by the Grand Master that a mechanic in a brewery was not eligible for membership.

IDAHO — 1972

105th Annual Communication — September 19-21.

Grand Master, 1971-72 — M.W. Bro. G. W. Knoff

Grand Master, 1972-73 — M.W. Bro. S. Mahaffey

Lodges, 84.

Membership, 12,917.

Loss, 299.

The Grand Lodge met in four Special Communications to lay cornerstones of two high schools, a public library and a court house. The Grand Lodge had laid the cornerstone of the earlier court house in 1912.

The Grand Lodge Relief Fund has served distressed Masons well over the years. But the growth of retirement plans, social security and other programmes available to individuals requiring assistance gradually reduced the demands on the Fund. Although the per capita tax was lowered from one dollar to ten cents the Fund continued to grow. The Grand Master, therefore, recommended that a special committee be set up to provide college scholarships for sons and daughters of Masons to attend Idaho colleges or universities.

A few of the original Masonic Temples of the early years of Freemasonry in Idaho still stand and some are used regularly. In some cases, however, lodges have moved but endeavour to maintain the original building. With the continuing rise in maintenance

costs the care of two Temples can become a real burden for a lodge. In the interest of the Idaho Masonic heritage, the Grand Master recommended that a Special Committee be appointed to study the problems of the preservation and maintenance of the old Masonic Temples at Silver City, Idaho City, Placerville, and others that are of historic importance.

ILLINOIS — 1972

133rd Annual Communication — October 6-7

Grand Master, 1969-71 — M.W. Bro. C. H. Lang
Grand Master, 1971-73 — M.W. Bro. J. R. Murphy

Lodges, 816. Membership, 186,983. Loss, 4,444.

Among the distinguished visitors was M.W. Bro. E. G. Dixon. He was preceded by M.W. Bro. F. L. Hyde, of Manitoba.

Demand for admission to the Masonic Home exceeds the limits of accommodation. The Grand Master laid the cornerstone for an additional care facility which, when the entire complex is completed, will provide space for 53 additional residents and several necessary services. With the expanded facilities and accommodations, costs will rise \$250,000.00 per annum. On June 25, 1972 approximately 2,000 Masons and their families made the annual "Pilgrimage to the Home." During the afternoon programme over \$500,000.00 was contributed to the endowment fund from estates, lodges and individuals.

An outline of the activities of the Grand Master tell a great deal about the activities in the Jurisdiction as a whole.

- Laid five cornerstones.
- Dedicated eight new temples.
- Attended four state schools.
- Had eight conferences with Grand Lodge Officers and others.
- Installed officers in five lodges.
- Attended four 50th anniversaries.
- Attended one 75th anniversary.
- Attended seven centennials.
- Attended one 125th anniversary.
- Made 72 visits to lodges in Illinois.

The Chairman of the Committee on Lodges has compiled an extensive and useful index to all Grand Lodge Proceedings from 1840. This comprises 200 typewritten pages. The Grand Master is having copies made for all Grand Lodge Officers. One may well imagine that the project took "thousands of hours and many years" to complete.

M.W. Bro. E. L. Lawrence (G.M. 1937-38) wrote his 18th and last report of the Committee of Correspondence. Ill health forced him to give up. He was not able to attend the Annual Communication but sent a tape recorded message which was played. Up to this year he had attended 57 consecutive Grand Lodge sessions.

INDIA — 1972

Grand Festival Communication — March 11.
Regular Communication — July 8.

Grand Master, 1961-69 — M.W. Bro. Bhogilal C. Shah
Grand Master, 1969-75 — M.W. Bro. M. S. Thacker

Lodges, 209.

Since 62 lodges had not submitted returns, figures of membership are not available.

M.W. Bro. B. C. Shah, Grand Master 1961-69, died on June 30. A pillar of strength in the Grand Lodge, he assumed the chair of the Grand Master at a most difficult time. He was a chartered accountant and at the time of his death "was the doyen of his profession in Bombay." Born in 1898, he was initiated in 1930. During his years as Grand Master, 35 new lodges were consecrated and membership increased from about 7,000 to about 9,500. He travelled far and wide through his Jurisdiction.

M.W. Bro. Thacker was not able to attend the Regular Communication owing to illness.

The new building for the use of Grand Lodge was completed and occupied.

Lodge Anchor and Hope No. 1 (G.L.I.) completes 200 years of "a happy and proud Masonic history in 1973." To celebrate the event an endowment is being instituted from which the Grand Master may make suitable grants to laudable causes at his discretion. Lodges and Brethren "have been exhorted to contribute at a rate of Rs 200.00 each."

INDIANA — 1972

155th Annual Communication — May 16-17.

Grand Master, 1971-72 — M.W. Bro. C. R. Brown
Grand Master, 1972-73 — M.W. Bro. J. H. Jena

The first Grand Master to be welcomed was M.W. Bro. W. K. Bailey. All the visiting Grand Masters were received with a trumpet fanfare.

After an 18 months' trial period, state-wide concurrent jurisdiction was adopted on a permanent basis.

The Grand Master dedicated the new 40-bed addition to the Masonic Home Hospital. The Special Hospital Committee signed a contract with an architectural firm for the preparation of plans for the second stage of the three phase hospital construction programme. The second phase includes improvements suggested by the Indiana State Board of Health and the building of a chapel made possible by a generous gift in the will of Bro. F. L. Kresge.

Although mergers of lodges in the Jurisdiction have not been so frequent as in some others, the Grand Master believed that they might become more frequent. He made a strong recommendation, well worth noting, that whenever two or more lodges merge that either the merged lodge be given an entirely new name or a hyphenated name using the names of both lodges. In many instances where mergers are effected, the name and number of one lodge is retained and the other dropped, "ofttimes leaving those former members of the Lodge whose name is dropped to feel rejected and unwanted."

Two items of legislation were not adopted: To establish a one-year waiting period before a Master Mason may petition another Masonic organization and to give the W.M. authority to hold an open installation of officers without opening a lodge of M.M.'s at his option. The second proposal would have modified "what might be termed the 'time immemorial' rule that the ceremony of installing officers of a Lodge is a Masonic ceremony, to be conducted in a Lodge open on the Master Mason degree." The avowed purpose of the proposed modification was to permit related organizations to inject programme numbers, ceremonial formations, and the like, into what should be a traditional Masonic ceremony. The Committee on Jurisprudence concluded "For reasons that should be readily understood, your committee cannot give its approval."

The Grand Master was greatly impressed by the Annual Communication of our Grand Lodge, which he attended.

The Committee on Lodges Chartered and Under Dispensation received a difficult assignment. The Masonic Code of Iowa states that the Committee is authorized to require any subordinate lodge which fails to be represented at the Annual Communication for two consecutive years to appear before it prior to the next Annual Communication and to show cause why its charter should not be revoked. The Grand Master instructed the Committee to meet more frequently and to face the challenge of the Code. The Committee first looked into the history and background of each lodge coming under review to find the reasons for the absences. They believed that an educational approach would serve best. Better communication between Grand Lodge and the lodges concerned was developed.

One lodge celebrated its 150th anniversary and five their centennials.

Among dispensations granted were two to lodges to have a Masonic float in "quasiquicentennial" parades. The word is unknown to this reviewer. Did they mean "quasicentennial" being somewhat short of the hundred years? Other dispensations permitted lodges to move their charters "to the Tice farm for the purpose of conferring the third degree," to a Presbyterian church while its new temple was under construction and to a wooded lot to confer the third degree.

ISRAEL — 1972

Annual Communication — October 24.

Grand Master, 1971-72 — M.W. Bro. J. Bar-Ner
Grand Master, 1972-73 — M.W. Bro. Yehuda Treivish

With the establishing of friendly ties with the Grand Lodge of West Mexico, the Grand Lodge is now "on friendly terms with 116 Grand Lodges in the world."

"Shimshon" Lodge of Ashkalon, which has been inactive for a number of years is back in operation. The Grand Lodge consecrated their temple "in a public shelter which was prepared handsomely and made suitable for Masonic Work."

The Grand Lodge also consecrated a new lodge, named "Har Tavor" No. 64 in Affula. Many brethren from all over the country attended.

The Grand Committee decided to add a second storey to the Temple in Jerusalem and to build offices for the Grand Lodge on an adjoining empty lot.

The Immediate Past Grand Master is the guest speaker at the Annual Communication. Normally his talk is given in English but on this occasion, in view of the large number of Japanese brethren present, the speaker confined himself to Japanese. The address was subsequently translated into English and printed in the Proceedings. It speaks well for Freemasonry in Japan that the Jurisdiction is taking on the characteristics of a truly national organization rather than those of a somewhat foreign body.

After outlining briefly the history of Freemasonry in Europe and the United States, the speaker gave a history of the Craft in Japan.

"History says Freemasonry in Japan was started in the year 1862 shortly after the opening of the first trade port in Japan, following the visit of Commodore Matthew C. Perry, USN. The first Lodge was Sphinx No. 263, under the Grand Lodge of Ireland, which was formed by approximately 20 members at Yamashita-cho in Yokohama and was active for three years (1862-1865) . . . Then Yokohama Lodge No. 1092 in 1866 and Otento-sama Lodge No. 1273 in 1869, both of the English Constitution, were formed. Lodge Star in the East No. 640 of the Scottish Constitution was formed in 1879 and is still very active today. In the meantime other Masonic Orders, such as the Scottish Rite Bodies (1882) and the York Rite Bodies were constituted. However for about 70 years or more after the formation of the first Masonic Lodge in Japan, the doors of Freemasonry had been closely shut for the Japanese people. This is the most distinct difference that we observed in the history of Freemasonry in this country and of that in Europe and America . . .

The Japanese Government issued an Edict to prohibit the assembling of groups or societies of a secret nature on December 25th, 1887 . . . In 1894, the Masonic Bodies in Japan entered into a gentlemen's agreement with the Japanese Government, which did not allow the Japanese people to become members of any Masonic Order in Japan, so the above Edict was not applicable to the Masonic Bodies, then operated by foreigners only . . .

During World War II, the Japanese Government did not authorize the existence of Freemasonry in its entirety, and took over the properties and facilities owned by the Masonic Bodies. Thus Masonic activities were completely shut down during that period.

However World War II was over in 1945 and Masonic activities began to function again. In 1954 a District Grand Lodge under the Most Worshipful Grand Lodge of the Philippines was constituted in Tokyo . . . Prior to its formation, a Blue Lodge was newly formed in 1947, and the Japanese Government authorized the Japanese people to become members of a Masonic Lodge, if they so desired. This memorable change is well known among us all. Since the recognition by the Government, Freemasonry has been introduced in detail to the general public in this country. The old rumor that it is an adverse secret group has been generally corrected, many intelligentsia have understood that it is a fraternal organization of favorable nature, and in 1956 Kanto Lodge U.D. (now Tokyo Yuai Lodge No. 11) was formed by Japanese Masons and the first Japanese language rituals were adopted. On March 15, 1957, the Grand Lodge of Japan was constituted as the result of the earnest desire of Masons residing in Japan. Thus the Masonic Lodges involving Japanese Masons were placed on a firm foundation in this country as a fraternal organization."

One of the high points of the year was the celebration of the 75th Anniversary of the Kansas Masonic Home. The Grand Orator at the Special Communication of the Grand Lodge opened at the Home to celebrate the occasion was Bro. Harold R. Fatzer, Chief Justice of the Kansas Supreme Court. Great improvements have been made in the Home over the past several years. This year ground was broken for a 50-bed addition to the Infirmary.

The Grand Master issued a proclamation calling for a general and simultaneous observance of the Feast of St. John the Baptist by the lodges of the Jurisdiction on the Sunday nearest June 24. He asked all lodges to plan attendance at a church service in a body and as a lodge on June 27.

The Committee on State of the Order reported that during the year the Grand Master visited approximately 65 lodges in Louisiana, laid 12 cornerstones for lodges, churches, and public buildings, dedicated 6 lodge halls, constituted one lodge and presented centennial plaques to three lodges. In view of this record, the Committee scarcely needed to add that Freemasonry is "vibrant and growing" in Louisiana.

If readers of these Reviews check the figures of membership from year to year it may be explained that in the case of this Jurisdiction major corrections by Secretaries and the Grand Secretary showed that the loss in 1971 was 259 less than reported.

The History Committee suggested that the time had come to bring the history of the Grand Lodge, published in 1962, up to date.

The Committee on Masonic Law and Jurisprudence presented a full and lengthy report on the matter of the laying of cornerstones. In the course of coming to their conclusions, precipitated by a proposal to add private non-sectarian schools to the eligible buildings, the Committee provided a most informative history of the custom.

"It is interesting to note from the writings of Dr. James Anderson that by 1723 the practice of laying cornerstones had passed from operative to speculative Freemasonry. It is also interesting to note that all of the early cornerstone layings were church edifices, and public or private institutional buildings. Quite clearly the custom did not originate with the laying of cornerstones of Masonic buildings.

"There has never existed in England any established Masonic form or ritual for the ceremony of laying a cornerstone. All indications are that a precise ritual for the Masonic ceremony of laying a cornerstone was first devised in America."

As regulations stand today the Grand Lodge of Louisiana may lay cornerstones only for buildings of undoubted Masonic, public or sacred character. The Committee recommended that no change be considered and the Grand Lodge supported the resolution.

MISSISSIPPI — 1972

The most notable development during the year was the gain of 502. This was the first gain since 1962, when the figure was 93. Actually, during the decade two years saw losses of only 44 and 46 respectively. Corinth Lodge No. 116, chartered in 1850 with the name Farmington, Tishomingo, but changed to Corinth in 1857, conferred 117 degrees. The membership totals 594.

The Jurisprudence Committee encountered a novel question. "Is it improper for a Lodge to supplement 2c per lb. on one calf shown annually by 4-H members at Live Stock Association." The answer revealed some details of Grand Lodge regulations. "Lodge funds may be appropriated as the members see fit, except for degrees gratuitously or paying counsel to prosecute members. Such expenditure of funds must have Lodge approval." So presumably the supplement was paid.

The Grand Lodge suffered the loss of the dean of its Past Grand Masters, M.W. Bro. H. R. Gillis. Born on November 5, 1870, he died on December 2, 1971. He was Grand Master in 1936 and 1937.

The Grand Master found the condition of Freemasonry satisfactory. Some sections of the State are much more active than others. On the other hand, small lodges that have not been receiving applications in the past are now busy with degree work. Much progress was made during the year in the educational programme by increasing the number of schools of instruction. Attendance was satisfactory.

The establishment of an Advisory Council has proved to be a wise and successful step. Two regular meetings are scheduled each year and emergency meetings can be called on short notice. This body, made up of the elective Grand Lodge Officers and all Past Grand Masters, can transact business, other than legislation, between Grand Lodge sessions.

The year was remarkable for the erection and completion of new Masonic Temples. The Grand Master listed seven lodges which find themselves in new buildings. Five more lodges have similar plans. Many lodges celebrated anniversaries of their founding. The record is spectacular: 175th, one; 150th, six; 100th, two.

M.W. Bro. R. J. Pollard presented his twenty-seventh Annual Report on Correspondence. Needless to say the reviews are of the highest quality and the Foreword contains much too much to digest here. M.W. Bro. Pollard must surely be the dean of reviewers. Yet one can safely venture the opinion that he has enjoyed every minute he has spent on the work.

MANITOBA — 1972

97th Annual Communication — June 7-8.

The Constitution of the Grand Lodge requires six regular meetings of the Board of General Purposes. In addition the Board meets before and after the Annual Communication.

The Annual Communication received petitions from four lodges to amalgamate as two and two other lodges requested permission to surrender their charters. The cost of the upkeep of lodge premises and grounds and the moving of members to urban centres are causing some distress in rural lodges. Actually the total number of brethren in the lodges concerned was not great but the surrender of a charter must always be a matter of regret.

The Grand Secretary, M.W. Bro. T. C. Jackson announced his retirement after 20 years in office. Three weeks before he had celebrated his 86th birthday and felt that it was "now time for a younger man to take over". As a last observation he wrote "let me suggest that you resist all proposals for a change in the ritual."

The Grand Lodge held five Special Communications, three to lay cornerstones of Masonic Temples and two to dedicate new ones. Although there was a net loss of members during the year the second half showed a net gain. The lodges raised 1,137 but deaths alone amounted to 1,105.

The thirty-eighth Summer Lodge of Instruction was held in the Masonic Temple in Baltimore on Tuesday nights from July 6 to August 31. Although one might think that a programme at such a time could not attract many participants the average attendance was 213. An even hundred did not miss a night and 31 missed only one. An average of 67 lodges was represented. This figure represents over half the lodges in the Jurisdiction. The work concentrated on the exemplification of degrees. A real tribute to the Summer Lodge of Instruction was the attendance of six past Grand Masters on the final night. Four were given perfect attendance certificates. This activity, carried on when most lodges are not working, must have a most significant effect on the work of the lodges during the winter.

Massachusetts, like California, is a great jurisdiction on which we did not report last year. Our latest review, in 1971, covered the year 1969. The explanation is that the Proceedings arrived too late to get a review into the hands of the printer. The Proceedings when they do arrive certainly reveal a great deal of activity. Thirty-three Special Communications alone require an immense amount of reporting. All the Special Communications but one were held to celebrate special anniversaries of lodges and in each case a brief history was included. Two of the lodges celebrated two hundredth anniversaries and four of them one hundred and seventy-fifth anniversaries, a great deal of history. No wonder the volume, with paper cover, weighs over three pounds.

Since the 1971 Proceeding arrived much earlier than last year it is possible to give a much more up-to-date report in the following Review.

The Grand Lodge of Massachusetts numbers several lodges outside the State on its roll. These include seven in the Canal Zone, three in Chile, four in China and one in Guantanamo Bay, Cuba. The Grand Lodge held a Special Communication in Cuba and four in the Canal Zone. The Communications evidently were prompted by the Fiftieth Anniversary of Chagres Lodge at Balboa. The Proceedings list the "date of precedence" of each lodge. The record shows that the first lodge in the Canal Zone was Sojourners, at Cristobal, warranted in 1912. All lodges in the Canal Zone District were dated prior to 1921. The three lodges in Chile were established between 1853 and 1884 and are located in Valparaiso, Santiago and Concepcion. Of the lodges of the China District, established between 1863 and 1921, only Sinim, in Tokyo, is working. All the others are "in recess" although they still record a membership. With the improvement of relations between the United States and China the lodges in Shanghai, Peking and Tientsin, may begin working again.

Of all the Special Communications recorded in the Grand Lodges of the world that held in Boston, on November 28, 1971, "for the purpose of laying the corner-stone of the new building of Pere Marquette Council No. 271, Knights of Columbus, of South Boston," must be the most uncommon, if not unique. All the regular officers of the Grand Lodge were present. The Grand Lodge presented the cornerstone.

M.W. Bro. T. S. Roy completed his history of the Grand Lodge of Massachusetts from its beginnings in 1733 through 1969. The author, who spent three years on the project, is well known beyond the borders of Massachusetts.

The Grand Master of Massachusetts is elected annually but serves through three years. At the Quarterly Communication on December 8, 1971, R.W. Bro. D. W. Vose was unanimously elected Grand Master. He was installed at the Stated Communication on December 27. The speaker at "The Grand Feast" that followed was R.W. Bro. E. D. Canham, Editor in Chief of the Christian Science Monitor, a leading writer, radio commentator, public speaker and editor.

The Library-Museum Committee reported that plans were under way to break ground for a "magnificent million dollar plus"

building, to be erected on three acres of the North Campus of the University of Michigan. The building is designed to house Michigan Historical Collections. In our Reviews for 1970 we wrote that the Grand Lodge of Michigan and the University have had close ties since the beginning of the latter. To date the Grand Lodge has contributed \$75,000 to the Ann Arbor structure. The occasion was marred by the death, a few weeks before the plans came to fruition, of M.W. Bro. R. O. Bonisteel, Dean of Michigan's Past Grand Masters. Not only had he taken a leading part in the arrangements but also had served as Chairman of the whole Michigan Historical Collections project.

The Historiology Committee pointed out the importance of adequately celebrating the sesquicentennial of the Grand Lodge in 1976. The year 1971 saw Detroit Lodge No. 2 celebrate its 150th Anniversary. The Lodge published "an ample and illuminating history" to celebrate the occasion.

For thirty-five years the Grand Lodge has appointed an Orphans Committee, designed to help children of deceased Master Masons to improve their education. Although numbers have dwindled, the Committee reported on some highly successful cases and suggested that as 3,933 Master Masons had died during the previous year there must have been worthy cases which had escaped their notice. They called on each lodge in the Jurisdiction to cooperate.

Among the interesting reports, many covering topics which have been described in these Reviews in recent years, perhaps the outstanding this year is the Report of the Committee on Masonic Research and Education. Only three of the projects worked on and completed can be briefly described here.

First was the planning, designing, drafting and editing of the presentation "What Can You Say?" It is designed to be of help to all Master Masons by way of suggesting numerous ways in which the genuine purpose of Masonry might be talked about and explained, not only to Masons, but to any man who is interested in learning what Masonry is as a way of life, its aims and objectives. The presentation was given at all seven Area Conferences held in various parts of the State during the autumn and winter 1971-72.

A second project was to encourage the use of "The Table Lodge" first prepared and made available to Constituent Lodges a year ago. Its use has been expanded, and reception by many Lodges which have used it as a program has been most gratifying.

Another project was the up-dating and expansion of the Speakers Bureau.

Morelos Lodge U.D. had a net gain of six. However, as it was felt that the work was "not quite up to standard" a charter was not granted. The problem is largely one of not being able to find sufficient officers who are fluent in Spanish.

The Grand Master visited all constituent lodges and also installed the officers in two. He also visited the Grand Lodge of Tamaulipas and the Grand Lodge of Nuevo Leon.

The Grand Lodge publishes the "Craftsman," six times a year, which goes "to all corners of the Masonic world." In order to relieve the Grand Secretary, who had been doing all the work as chairman of the Publications and Printing Committee, an Editor and Assistant Editor were appointed. The publication has been coming out for eight years.

One of the rulings of the Grand Master, when asked if a lodge might rent its basement to a Lions Club for the purpose of playing bingo to raise funds was that "this would be a form of gambling and in violation of Masonic Law."

The first three lodges on the roll of existing lodges, Nebraska No. 1, Western Star No. 2 and Capitol No. 3, were chartered by

the Grand Lodges of Illinois, Missouri and Iowa, in 1855, 1856 and 1857, respectively.

The Fraternal Review, printed as a pamphlet separate from the Proceedings, marked the 25th prepared by M.W. Bro. W. B. Wanner. He remarked on the absence of New York from among the Proceedings received, writing "New York has been missing for several years and I cannot find mention of it in any other review. How come, have they quit printing a proceedings." This fact had escaped the notice of this reviewer, perhaps because we did receive 1969, noticed in 1970. In any event, we have received 1971 and 1972 this year.

M.W. Bro. Wanner found that Tasmania is often quoted by reviewers. The publication actually is quite small but our experience bears him out. In 1972 for example, we devoted well over two pages to Tasmania. One explanation we gave was that "year after year the Grand Lodge of Tasmania has been served by most thoughtful and articulate Grand Masters." At this writing we have not yet received the 1972 Proceedings.

M.W. Bro. Wanner noticed one item of information which we missed. Montana's first livestock brand was a square and compasses registered some time before May, 1872.

The "Cornerstone Ceremonies", five in number and all educational buildings, secondary or university, were well attended.

The Grand Master, while pleased with the state of the Craft, was disturbed by three matters. The first was the failure of many Masons, particularly Masters and Wardens, to read and study the Masonic Code. The second was the number of members suspended for non-payment of dues. The third was the large membership of some lodges. As he said "This is a difficult matter to work out, and is not by any means an original idea of mine. It has been discussed before and is not intended as a criticism of the larger lodge membership." The Returns from Lodges show one with a membership of 795 and another of 751. After these the next largest has 592 members. The smallest has 24. It was warranted only in 1970.

The Grand Lodge, since 1935, has had an officer who holds the position of Grand Historian. In all only five have held the office. The present holder is V.W. Bro. B. E. Duffy who presented a comprehensive report, his first since he assumed office only in mid-summer 1971. The Grand Lodge lost two Past Grand Masters, M.W. Bros. J. S. Hoyt (1942-44) and A. S. Robinson (1945-46). The latter had reached the ripe age of 90.

One lodge celebrated its 100th Anniversary and another its 50th. The second, Westmoreland No. 44, lost its Temple by fire only eighteen days after the celebration. Fortunately, the brethren were able to save a considerable amount of regalia, furniture and records and the lodge was able to function in rented quarters. Nothing daunted the members—they decided to build a new Temple of their own.

The Jurisdiction is divided into seven districts, each presumably averaging seven lodges. The D.D.G.M. for District No. 1 showed how seriously some take their responsibilities. He reported that he had visited all the lodges in his district four or five times. He witnessed nine first, nine second and seven third degrees. He found the work well exemplified.

A proposed discussion in respect to a lower age limit for petitioners was, on motion, tabled for presentation in 1973.

This is the first time we have been able to report on Newfoundland since 1967. It is a pity that we did not receive the Proceedings for the 100th Annual Communication last year.

The District Grand Master holds office for several years although listed from year to year. Since 1870, when Newfoundland was detached from the Provincial Grand Lodge of Nova Scotia, there have been only eight District Grand Masters. R.W. Bro. Dewling died suddenly after less than two years in office.

The membership in this District Grand Lodge remains almost constant. In 1967 we reported a membership of 2,275.

Since most of the lodge visitations had been made by R.W. Bro. Dewling the Deputy District Grand Master Designate reported on the year's work under difficulties. He said that a large delegation had gone from Newfoundland to London where a special centennial meeting of the District Grand Lodge was held in Freemason's Hall. This was a unique occasion as it was the first time a District Grand Lodge had held a meeting in London to celebrate its 100th anniversary.

Several pages of the Proceedings are given over to accounts of the installations in several lodges.

Every lodge on the roll was represented at the Annual Communication.

The success story of the year was the publication of "Three Centuries of Freemasonry in New Hampshire." The Committee in charge reported that the book was going out and orders were still coming in. There would be few of the 2,000 copies left. The author was Bro. G. Foss. One reviewer said that the research was exhaustive, the format professional, the printing well done in readable type, the paper of good quality and the binding substantial and enduring. The author's style was clear-cut and readable. Since the seal of the Grand Lodge shows that it was organized in 1789, the volume must carry the record well back into the earliest years of Freemasonry in America, more than one hundred years before the Grand Lodge.

The second big project of the year was the Masonic Home Improvement Fund Drive. This was the first time the Masons of New Hampshire were asked for funds for the improvement of the Masonic Home in Manchester. The Fund went over the total set

by the time 25 percent of the members had been canvassed. It was hoped to reach all brethren before the Fund closed. The minimum goal was \$500,000. The Home Trust amounts to over two million dollars. This sum shows clearly the high cost of operating a home. The number of residents average 40 and the net cost per capita is almost \$5,000.00. It has doubled in ten years. The Home developed from an orphans home first set up in 1902.

Only three lodges were not represented at the Annual Communication.

During the year the Grand Lodge moved its headquarters from Trenton to new facilities in Burlington. The move was made smoothly and all agree that the new quarters are beautiful and up-to-date. The cornerstone of the new building was laid on October 3, 1971, with 1,500 brethren and their families in attendance. The ceremony was preceded by a religious service at St. Mary's Episcopal Church in Burlington, close to the last resting place of many prominent Masons.

The Grand Master visited 20 lodges celebrating anniversaries including one 150th and nine 100th.

Once again the Grand Lodge used an automated balloting procedure which expedited the counting of ballots. A great deal of work was required, however, in "preparing the punch cards, interpreting the printing, collating the ballots together, placing them in their proper envelopes" and so on. In order to apply the system nominations were closed on March 31 for the April 27 election.

During the year ten lodges merged into five. This large number prompted the Grand Master to make several recommendations, indeed running to more than a page of fairly small type, to simplify the procedure.

NEW MEXICO — 1972

As he himself said, the Grand Master made more recommendations than usually are presented at the Grand Lodge. Generally speaking these were administrative but some would have cut quite deeply into customary practice. One would have permitted the giving of the lecture for the first degree at any time before the second was conferred. The Committee on Grand Master's Address tersely stated "We do not believe that any changes in the by-laws or ritual should be made that may weaken or detract from the discipline or impressiveness of our ceremonies." The specific proposal described above was not adopted.

The Jurisprudence Committee did recommend the adoption of the proposal that the words "one candidate at a time" be struck out and "no more than four candidates at a time" be substituted. Since the whole paragraph is not given the amendment clearly does not tell us much. It does, however, suggest a development which should be implemented with caution. The amendment, furthermore, could not solve many problems as, a glance at the returns shows, only seventeen of the 65 lodges raised more than five and eight of the seventeen raised only five.

One of the first duties of the Grand Master for the year was to "set the foundation stone" to start the building of a village for the aged at Edgeworth, near Newcastle. The ground was donated by an active Freemason, his wife and sons. The project originated with the Masters' and Wardens' Association of the Newcastle Districts.

About two months later the United Grand Lodge held a Special Communication in the City Hall, Newcastle, to commemorate the 75th anniversary of the Association. In delivering an address of welcome on the occasion, M.W. Bro. H. L. Wheeler, P.G.M., said that what was needed was not a new faith but a reawakening and reassertion of those virtues which have been latent in the modern mind. Truth, Charity and Beauty do not change. Only by strengthening these virtues can Masons meet the great unknown afraid. The Mayfield Masonic Orchestra and Newcastle Masonic Choir provided various orchestral and choral items. There was considerable amount of television, radio and press coverage.

Two lines in the record of events attended by the Grand Master provide an interesting note. "Annual Dinner of the Kwei Kui (Chinese) Masonic Re-Union, at the Mandarin Restaurant, Sydney."

The Grand Master also attended the "Foundation Banquet of the Greek Masonic Association." About 120 brethren of Greek descent journeyed from all parts of the State to be present. The Ambassador for Greece, Bro. A. Stephanou, of Lodge Solon No. 55, Greek Constitution, travelled from Canberra specially for the occasion.

In 1959 the Grand Lodge established a Masonic Temples Fund requiring each lodge to pay \$2.00 per annum for each member, with certain exemptions. The purpose was to provide for (1) the building and furnishing of a Memorial Temple with administrative offices and lodge rooms, with air-conditioning and (2) the building, air-conditioning and alteration of suburban and country temples. Since that time it has been possible to advance, through loans and repayments, \$1,429,109 to projects under the second heading. At the same time there is a sum of \$2,393,011 standing to the credit of the first project, that is the Memorial Temple. (Incidentally, the Australian dollar is worth about \$1.40 Canadian.)

The Grand Lodge is now ready to go forward with the re-development of the Grand Lodge site. A separate building for the Masonic headquarters is envisaged with an office block which it is expected will eventually support the whole development. The plans fit into the City Council projections of development to the year 2000.

The composition of the Masonic headquarters has been a matter of considerable discussion. Five lodge rooms are planned along with facilities for committees, rehearsals etc. The office block will consist of about 30 floors rising over 300 feet. It should be an outstanding landmark in Sydney.

The Proceedings of this large Grand Lodge arrived too late to permit a review to get into the hands of the printer before our own Annual Communication. Furthermore, we did not receive the Proceedings for 1970 at all. Consequently we have a great deal of catching up to do.

The Grand Master spoke warmly of the support he had received, as had his predecessors, from the officers of the Grand Lodge, both elected and appointed. The reports presented showed clearly how much the many and varied activities of the Jurisdiction owed to the efforts of dedicated brethren. The Grand Master spoke of the Service and Rehabilitation Committee, The Masonic Home, The Masonic Foundation for Medical Research and Human Welfare, the Brotherhood Fund and many other fraternal activities.

The Service and Rehabilitation Committee deals with Masons and sons and daughters of Masons in the armed services, in military and veterans hospitals and assisting in problems of rehabilitation.

The Masonic Home at Utica had an extremely frustrating year caused by problems in dealing with personnel, inflation and the wearing out of buildings. There was a budget deficit of more than one million dollars in operation and another million required to rehabilitate and reconstruct the hospital building. The Home houses about 600 persons.

The Masonic Medical Research Laboratory, which was opened in 1958 on the grounds of the Masonic Home in Utica, had a successful year. Beginning with research in the field of rheumatoid diseases and setting up a separate research agency in that field the Laboratory moved into the field of "gerontology which is the aging process."

The Brotherhood Fund is a committee whose sphere of activity is to "enlist the interest of all members of the Fraternity in the elimination of the deficit of the operation of the Home and in exploring all avenues of raising funds." The goal is one million dollars, of which \$705,000.00 has been contributed to date.

With figures such as those given in the various reports the amount of effort put forward by many individuals must be immeasurable.

The Grand Lodge has expanded its cruise activities. The schedule for the year included cruises to the Caribbean in January, to the Scandinavian countries and Russia in June, to Bermuda in August and to the Mediterranean in September. The cruises have met with an increasingly enthusiastic reception. The profit realized is directly used to curtail the deficit in the publication and distribution of the "Empire State Mason."

The Grand Master concluded his address with some sound views. "Sometimes I have thought we spend too much time mourning the lack of members, and certainly not enough time in realizing that increased membership is available to us if only those present Lodge members who really want entire success for their Lodges will concentrate their efforts on getting their fellow members to come out and participate in the work of the Craft."

The Chairman of the Committee on Constitution reported that one lodge had proposed an amendment to the Constitution providing that all lodges in Chemung County have concurrent jurisdiction and that another had proposed state-wide concurrent jurisdiction. There were also many other proposals. The Committee recommended that all the proposals be laid over. There is evidently a growing disposition to extend jurisdictional lines. A motion that an exhaustive study be made on the subject of lodge jurisdiction to guide the Constitution Committee in its future recommendations to Grand Lodge was unanimously carried.

The system for filling the elective offices in the Jurisdiction deserves a few lines. Rule 67 of Grand Lodge Laws provides that the Board of General Purposes adopts and puts forward a "Scheme of distribution of the Elective Offices in Grand Lodge." This in fact is a slate of all officers except the Grand Master and Pro Grand Master, who are nominated and elected separately. The list of officers is long, on this occasion being 85, including many officers who are appointed in our Grand Lodge.

Rule 68 permits a member of Grand Lodge to raise an objection to the Scheme and to demand a ballot. On this occasion an additional nominee was put forward for the office of Grand Almoner. The rule evidently requires notice as a ballot had already been prepared and the Pro Grand Master announced: "Brethren, the method of voting is to strike out the name of the Brother for whom you do not wish to vote." This appears to be an unusual form of balloting.

The Grand Master is installed annually even though he may have held office during the preceding year. M.W. Bro. Sir Arthur

Porritt, the Governor-General of New Zealand, was re-elected and installed for a fourth year. In his address the Grand Master made a proposal which incidentally tells us something of one of the practices in the Jurisdiction.

"I venture to put forward a simple suggestion. It seems to have become accepted practice for a Provincial Grand Master to do all the Installation Ceremonies within his bailiwick. I wonder if the Masters of Lodges were allowed to install their successors whether it would give them, the Masters, greater experience in their year of office and greater overall experience—and at the same time permit the Provincial Grand Masters to visit more Lodges carrying out their month to month routine work—and so stimulate by his presence and by his contact with them that essential backbone of the Craft—the ordinary mason, working his ordinary ceremonies in an ordinary Lodge. As in most walks in life, the delegation of authority is a difficult but infinitely worthwhile virtue—all the more difficult in our hierarchical system."

The Grand Master concluded his address with an unusual expression. "Now—and for all the future, Brethren, I greet you well."

The Grand Lodge met in Emergent Communication eight times. Three of the occasions were to dedicate new Temples but another three, unfortunately, were called to conduct graveside services over the remains of three Past Grand Masters, M.W. Bros. C. C. Ricker (G.M. 1962), W. E. Burrier (G.M. 1963) and W. N. Sherrod (G.M. 1937). Two Emergent Communications were held to lay cornerstones.

The Grand Master granted dispensations to eight lodges to erect one-story buildings.

The Board of Publication continued to make improvements in "The North Carolina Mason." However, owing to the excessive cost of colour production, the Board decided to limit printing to black and white. The Board is investigating the possibility of updating the printing equipment. The plant is used to teach the printing trade to boys in the Oxford Orphanage.

The Grand Secretary continued to bring out his monthly bulletin which was well received. He believes, however, that "a more ambitious publication" is required.

Four lodges were recommended by Grand Lodge for recognition as One Hundred Year Lodges and a fifth application was being considered.

The Masonic Foundation of Nova Scotia set up only two years ago for the purpose of engaging in general charitable undertakings has begun operations. Investments now total \$33,500.00. Benevolent grants during the year included assistance with the expenses of two funerals, assistance to a fire victim, to two widows and small monthly grants to two elderly widows. In addition grants were made to a children's hospital and to youth work.

As the Grand Master said "Masonry does not inquire into the private faith or doctrine of its members, beyond a belief in one Supreme Being." Nevertheless, he did introduce a matter which we may be permitted to reintroduce here since it is printed in the report of his address. It appeared to him that "we cannot be unmindful of the melting away of certain human barriers, not of our choosing . . . Four years ago . . . one of our Lodges held a St. John's Day service in a Roman Catholic church . . . A substantial number of Roman Catholics are becoming Masons in Nova Scotia and this year one member of that church is serving his Lodge as Master."

Once again an Ohio lodge building was destroyed by fire. This time it was Wm. Hoover Lodge No. 770, North Canton. Fortunately the Secretary had the records at his home and the original charter was not on display.

The history of the Grand Lodge in three volumes which carried the story from 1808 to 1912 are out of print. Many students of Ohio history are asking for a fourth volume or a complete history. Discussion with other Grand Lodge officers suggested that a single volume history is the answer. The Ohio Lodge of Research has agreed to assume the task. Two charters for new lodges were granted at the 162nd Annual Communication and a dispensation was granted for a third during the year. Five new temples were built and many others renovated.

The Grand Lodge, to comply with the terms of a will, placed \$25,000.00 in a fund with the provision that the income would be used for the development and promotion of a State Masonic Museum and Library.

The Jurisprudence Committee again reported on the experiment in State-wide concurrent jurisdiction for constituent lodges. They found that in three years the number raised was 15,671. Of these only 746 were raised outside their normal jurisdiction. The explanation given in 623 cases came under the headings: relatives and friends, co-workers and friends. The system appears to be working well.

Although the Grand Lodge of the State of Oklahoma was not organized until 1909, after the State was admitted in 1907, the year 1972 marked the 99th Annual Communication of the "Annual Lodge of Indian Territory." The Centennial Committee is planning celebrations for 1974. The members have many ideas. One is to publish a brief history of Masonry in the early days and erecting a marker at the site where the first Grand Lodge was formed. They also suggested that all dues cards, letterheads, envelopes, etc., where possible be marked to indicate Centennial Year.

The Jurisdiction is history conscious. Another committee is endeavouring to locate the graves of all deceased Past Grand Masters with a view to marking them. They had good success in locating graves during the year, one going back to the Grand Master (i.e. of the Annual Lodge) for 1879-80.

For the first time in Oklahoma two Grand Master's breakfasts were held open to all Master Masons in the State, one in Oklahoma City and the other in Tulsa. Each gathering was addressed by one of the local Baptist ministers.

One of the highlights of the year occurred when approximately 1,000 people gathered in Guthrie to honour M.W. Bro. L. H. Swan, Grand Master of Oklahoma fifty years before.

On March 3, 1972, the Grand Lodge of Oregon received the Grand Lodge Officers of Washington and British Columbia at Friendship Masonic Temple in Portland with a capacity number of Master Masons in attendance. The following night the Grand Lodge Officers of Oregon and British Columbia were guests of the Grand Lodge of Washington at the Vancouver (Wash.) Masonic Temple.

The Senior Grand Warden is responsible for reviewing applications for educational assistance from the Educational Assistance Fund. He reported that the Fund has now reached almost \$750,000.00. The annual interest only is expended but even so over \$36,000.00 was granted to 75 children from 42 families. The Senior Grand Warden did suggest, however, that the lodges to which the cheques are sent should follow up all cases.

The Committee on Masonic Culture reported that the response to the Grand Master's letter to the District Deputy Grand Masters stressing the importance of a speakers' bureau had been poor. Replies from 18 districts produced only 127 names. Requests for speakers, however, have been heavy and the service is functioning. The volunteer speakers are receiving many calls.

The Grand Lodge met six times to dedicate new lodge rooms.

A major construction project was started and a building renovation programme was completed at the Masonic Homes. One

project added space for 23 beds and another was designed to provide a new 116-bed extended care facility. The new building will cost \$3,500,000. The rolls show approximately 650 residents.

A great many improvements were made to the Masonic Temple in Philadelphia in time for the bicentennial celebrations of independence in 1976.

PHILIPPINES — 1972

56th Annual Communication — April 27-28.

This Grand Lodge has jurisdiction over lodges a good distance from the Philippines. For example, under the list of Districts may be found lodges in Japan, Korea, and even one in Saigon, Vietnam. The Grand Master made an official visit to the last.

In speaking about his Jurisdiction, the Grand Master said: "Masonry in our jurisdiction, generally speaking, is being felt outside and gaining strength inside the lodge halls. The many visitations made to district or regional conventions, the installations and other public functions were characterized by the presence of the members of the families of the brethren and their friends . . . We have lodges who are actively engaged in community development and projects. Many are granting scholarships to poor deserving students, distributing gifts to the needy on Christmas, giving charity to the widows and orphans, working for charitable institutions in time of calamities and cooperating with public places."

He also pointed out that some of the overseas lodges are facing problems as American servicemen and firms pull out. The turning over of Okinawa to Japan may require some arrangement with the Grand Lodge of Japan.

PRINCE EDWARD ISLAND — 1971

The Jurisdiction is small and compact enough to hold a seminar in Charlottetown attended by all Worshipful Masters and

Secretaries of lodges as well as all Grand Lodge Officers and Past Grand Masters. The meeting took the form of a panel where certain questions were put to the brethren present. The gathering which met during an afternoon and evening was such a success that it was proposed to hold it annually.

Another worthwhile programme planned by the Grand Master was the inauguration of informal visitations of Grand Lodge Officers to the constituent lodges at their regular communications. These officers were appointed by the Grand Master for one specific visitation, for the purpose of discussing with the local Masons, in their own lodge room, the workings of the constituent lodge, to explain some of the symbols and allegories used in the degree work of the lodge, to explain and demonstrate floor work, to demonstrate and explain the meaning of signs used in the lodge room, the placing of the furniture, the recognition and origin of the Landmarks, or any subject that the local lodge members might choose, and to endeavour to answer questions put by the members. Those informal visitations received high praise from the lodges involved.

The Board of General Purposes met four times. A request from two constituent lodges to hold an open installation was considered and declined.

In his Address the Grand Master included some paragraphs addressed to the francophone brethren. He believed that the attitude of the majority of the citizens towards Freemasonry had changed considerably. He took this change for the better as evidence of the deportment of the individual members and called on them to continue their work in the cause of good understanding between men. His remarks clearly showed that language is not a divisive force in Masonry. Indeed a petition for the formation of a fourth francophone lodge was received. The petition will be studied but preliminary investigation appeared to favour the application.

The memorial service to honour departed brethren was conducted by the Grand Master assisted by R.W. Bro. Rabbi Solomon Frank.

During the year the Grand Master granted 52 dispensations of which 16 had to do with visits to or from sister jurisdictions.

The most unusual, however, grew from the revolt against the Soviet-dominated regime in Hungary in 1956 and the subsequent flight of many of those involved. Of those who came to Canada some, inevitably, settled in Montreal. The Grand Master explained the complex problem and his solution.

"The Grand Lodge of Hungary was at that time driven to darkness and no longer exists. Fourteen former Hungarian Masons applied for recognition by our Grand Lodge and subsequent affiliation. As it was not possible for these men to produce acceptable documentation of their claim to have been Masons in good standing at the time the Grand Lodge of Hungary was extinguished, affiliation was not possible. Each of the fourteen therefore applied for acceptance as new petitioners for the degrees of Masonry. Two, however, were of advanced age and afflicted with some physical impairment which would have presented many difficult problems to confer upon them the degrees of our Order. I therefore requested a thorough examination of both of these men to determine their comprehension of English and to establish by a board of trial whether they had a sound knowledge of the Order. In both cases the comprehension was sufficient and their knowledge of Masonry was commendable. I therefore granted a dispensation to confer the degrees of Masonry on these two brothers by means of a proxy for those parts which they physically could not undertake. I am informed that this action has won the approbation of all who witnessed the conferring of these degrees and has done much to give tangible expression to the spirit of brotherhood inherent in our order."

Readers of the Reviews for 1972 will recall that the Grand Lodges of Quebec and Vermont by joint dispensations permitted residents of Vermont to apply for membership in Golden Rule Lodge No. 5, Quebec, if that was their closest lodge. The waiving of an international boundary was a historic decision. It can be reported that Golden Rule Lodge No. 5 had an increase in membership of one and an average attendance of 53 at 13 meetings. Since the total membership is 161 attendance was almost exactly one third of that figure.

This year again the Grand Lodge of Quebec may well have recorded the most notable development in world Freemasonry. We cannot do better than describe it in the Grand Master's own words.

"It should be of satisfaction to members of our craft to know that our Order is held in such esteem by some members of the clergy that on four occasions I was invited to deliver the sermon in four different churches. While this certainly should evoke satisfaction, one of the occasions was historic. On January 19, 1972 I accepted an invitation to preach the sermon in a Roman Catholic Church to a congregation of over 400 worshippers. This was the first time in the history of Quebec that the Grand Master had preached in a Roman Catholic Church. The invitation was extended by the Rev. Marsolais of Rawdon, approved by Bishop

Audet of Joliette and apparently with the full knowledge of Monseigneur Gregoire of Montreal. It has been suggested that this might very well be the first time any Grand Master of any jurisdiction has had such a happy experience. I must add that the sermon was delivered in both French and English."

The Grand Master at his installation asked his hearers to keep in mind those Brethren in the far flung Jurisdiction which includes the Territory of Papua and New Guinea who were prevented by distance from being present.

Since 1971 marked the Fiftieth Anniversary of the United Grand Lodge of Queensland, he gave a brief history of Freemasonry in Queensland. The State was set up in 1859 and in the same year the first lodge was established under an English charter. By 1866 English, Scottish and Irish Provincial Grand Lodges had been inaugurated. This was the position until the turn of the century when a Grand Lodge was recognized by the Grand Lodges of New South Wales, Western Australia, New Zealand and some other Grand Lodges but not by the Grand Lodges of England, Scotland or Ireland. Finally, in 1919, the lodges under the jurisdiction of England and Scotland voted to form a Grand Lodge, thus leaving the State with two. These quickly united in 1921. The ceremony of union was a most impressive occasion attended by 2,000 brethren.

A motion which would have had the effect of reducing the numbers of those granted past grand rank was defeated. According to the mover, the Grand Lodge has an inordinate number of recipients of the honour. Indeed, he went so far as to say: "This current situation in Queensland which has been building up for a great number of years now has made us the laughing stock of Jurisdictions in other States and abroad."

The fact that the Board of General Purposes "gave permission to a country Lodge to publish dates of meetings in a local newspaper" is a somewhat surprising piece of information to those of us who are accustomed to look for such information in our local paper.

The Grand Master, in his September quarterly report, restated a well-recognized fact but in such terms as to bear repeating here.

"The status of a Lodge and the estimation in which its officers are held, both by visitors and its members, is in direct proportion to the pride displayed in the knowledge and accomplishment by its officers in the execution of their work. The grace and dignity and expedition with which the officers of the Lodge acquit themselves, adds immeasurably to the reputation of that Lodge. It inspires in its new Initiates a pride in their membership and a desire to emulate the examples that are set for them. It is the obligation of every member of a Lodge to avail himself of the information and instruction that will equip him to become a valued and exemplary officer."

Although a relatively small Jurisdiction, the Grand Lodge has on its rolls two lodges outside the United States. One is a lodge in Germany, Berlin Lodge No. 46, constituted in 1948. Membership increased from 660 to 665. The other Al Hasa Lodge No. 49, Dhahran, Saudi Arabia, chartered in 1966 is not doing as well. An American working in Saudi Arabia can remain only as long as a national of the country cannot be found to replace him. Consequently potential candidates are few. The Lodge did consider surrendering its charter. The Grand Lodge encouraged them to continue until the members could affiliate with other lodges of their choice. For example, the United Grand Lodge of Germany also has a lodge there. The latest information was that Al Hasa Lodge had a candidate and many non-affiliated Masons who wished to join.

In view of the fact that there has been agitation from several sources to permit the serving of "malt and spirituous liquors" at various lodge functions, the Grand Master appointed a committee to study and report on the matter on completion of the study.

At the Annual Communication, the Grand Master recessed Grand Lodge and invited guests to be presented in the lodge room. The Associate Grand Chaplain introduced Most Reverend Louis E. Gelineau, Bishop of the Roman Catholic Diocese of Providence. From the printed report it would appear that he spoke for ten minutes. His remarks showed that he had done some

reading on the history of the introduction of Freemasonry into America. At the same time he expressed a point of view which almost certainly would not have been heard a few years ago. Two paragraphs stood out.

"Freemasonry, in its amplitude of goodness, has expanded beyond a purely sectarian orientation. Locally, I am told, the George Washington Lodge is blessed by a substantial number of our Jewish brothers. How fortunate for that Lodge! Those of us who know and love Jews are aware that they are history's natural humanitarians. Whoever can count Jews among his householders is thrice blessed. As Christians, we are called upon to recognize them as blood kinsmen of our Savior. But the Masons were aware of this probably far in advance of most of us. They have invited the Jews into the sanctuary of their shrine, and all of us are the better for it . . .

"I ask your pardon if we have aggrieved you in the past, and I pledge my friendship to you in the hope for halcyon days in the future. We are inseparably linked together in our acceptance of the brotherhood of man under the Fatherhood of God. We can learn from each other and be mutually enriched. Masons will always be welcome in my house just as I hope I may always find a small corner of your Lodge in which I might chat with you informally so that we may get to know one another better. Together, may we cement the pact of brotherhood which is the real essence of corporate religious commitment."

The Bishop stayed for lunch.

The Chairman of the Committee on Condition of Masonry explained, as did the Grand Secretary, that the loss reported for the year is not a true figure. In this Jurisdiction the Grand Secretary separates those Masons on whom Grand Lodge dues are payable from life members. In a careful comparison of Grand Lodge and constituent lodge figures it was discovered that because of the unreported deaths of life members over the years the figures got out of line. Further explanation is not necessary here. Suffice it to say that the loss of 321 shown above balances the figures. Actually the real loss was an insignificant 152. The inordinately high figure shown last year precipitated the search. Actually, dues paying members were 169 more than previously stated, a fact

which prompted the Chairman to say "This is a clear indication that there really is nothing wrong with Masonry, our big problem is Masons. There are indications that imaginative planning and programming have contributed in no small measure to this improvement. Our more progressive Lodges are giving due attention to good programming and the results speak for themselves."

The Committee also stressed the need to provide proper safe-keeping for important and irreplaceable documents such as registers, minutes and other records. The fires in consecutive years in Ohio, to mention only two, underline the recommendation. The Committee found that generally speaking the work is being carried out in a most creditable manner. There are some exceptions. Stronger leadership from the principal officers might go far in improving the situation.

The speaker at the annual banquet was Bro. E. N. Hughes, District Court Judge in Saskatoon. He showed how young Saskatchewan actually is, telling of his father's experiences in 1909. At that date he still was driving oxen. Never again in one lifetime will transportation change from ox-team to jet plane travel. Change has been the outstanding characteristic of our time. The question which comes out is whether it is possible "for us as individuals to adapt to and cope with the pace of our surroundings." He put forward some principles which would assist: leadership, honesty, integrity and good character. He showed how his hearers could apply these principles. A reader of the printed words is left with the regret that he could not have heard the address.

SCOTLAND — 1972-73

M.W. Grand Master Mason, 1965-69 — Major Sir
Ronald Orr Ewing

M.W. Grand Master Mason, 1969-73 — David Liddell-Grainger
of Aytoun

Lodges in Scotland, 644.

Overseas, 408.

At the Festival of Saint Andrew, the Grand Master Mason gave an account of Grand Lodge and Scottish Freemasonry during the year. Initiations were down slightly but did number 9,700 candidates. Seven charters were granted during the year, several in Nigeria. The Grand Master Mason and Grand Secretary visited lodges in South-East Asia, Australasia, Belgium, Trinidad, Tobago, and Barbados. Rededications and visits also took them the length and breadth of Scotland. They visited 180 lodges in Scotland.

The Grand Master Mason repeated what he said last year. "It is long overdue that some of our lodges which are over-large should think of fostering a new lodge and thereby giving an opportunity to younger brethren to take their place in Freemasonry." In his visits he saw a vigorous, youthful interest emerging from

the Masonic ranks. "Younger Brethren are coming forward, an active and lively side is developing, and above all a pride in the treasures that a lodge may possess and the traditions of which we are all heirs."

In proposing a toast to the Provincial and District Grand Lodges, the Grand Bible-bearer remarked on the numbers of lodges in some of the Provinces. Provinces in Scotland approximate our Districts. Outside Scotland, the unit is called a District. The largest District is Transvaal and Orange Free State and consists of 92 lodges. To complicate matters, there are lodges working in English, Afrikaans, Greek, and the speaker suggested, "Scots." The largest Province is Glasgow with 85 lodges. Presumably all work in "Scots." The membership in Scotland, according to the speaker, is 179,000 and overseas, 22,000.

The opening pages of the Proceedings give the diary of the Grand Master Mason's tour of Ghana, October 8-20, 1971. The document tells us a great deal about Scottish Freemasonry in, and the folkways of, that country. Here are a few extracts:

"Our next courtesy call is on the Omanhene of New Juaben, Nana Kwaku Boateng II at his palace, the Ahenfie. Here we wait on the upper verandah until, with much ceremonial and accompanied by dancers and drummers, the Omanhene enters. The formalities of making a libation to the Spirits are carried through by pouring whisky on to a special stone in the courtyard nearby. Returning to the verandah and more informal surroundings, greetings are exchanged and the drummers furiously accompany the dancers . . .

"Lodge Koforidua is an energetic and thriving Lodge and it is interesting to note that it has a Lodge of Instruction meeting every Tuesday to which the Brethren are expected to attend. All attendances are recorded and unless a Brother has an attendance of 80% or more he is automatically not considered for any office in the Lodge! An imposed discipline that could well be applied to other Scottish Lodges.

"Thereafter we all go to the Technical School for the Installation Banquet. A magnificent meal with the usual speeches and taking of wine with the guests by the Master—the dinner finishes at 2 a.m.

"On looking around the assembled Brethren within the Lodge, there were present a very large number of the leaders of the nation and it is interesting to record some of them. There were present Cabinet Ministers, Members of Parliament, the Chief of the Defence Staff, the Attorney General, Judges, Magistrates, Doctors, Surgeons, the Dean of the Medical School, Vice Chancellor of the University, Chief Executive of the Volta River Authority, the Director of Civil Aviation, a Director of the World Bank, Ministers of Religion, Hereditary Chiefs, the Director

of Public Prosecutions and leaders in Commerce and Industry. A galaxy of leadership and talent and typical of the support that Scottish Freemasonry enjoys in Ghana."

SOUTHERN AFRICA — 1971/72

Annual Meeting — August 28, 1971.

Grand Master, 1961-66 — M.W. Bro. Col. C. Graham Botha
Grand Master, 1966-76 — M.W. Bro. E. Conradie

Lodges, 104. Membership, 4,526. Gain, 91.

The Grand Master is elected for a five year period. M.W. Bro. E. Conradie was re-elected for a second five years.

Three lodges were consecrated during the year one in each of the three Divisions. In the Southern Division the Grand Master consecrated a German-speaking lodge, Zur Eintracht, in Cape Town. In Transvaal he consecrated Losie (Lodge) Trichardt, a lodge using Afrikaans as its medium of instruction, in the Eastern Transvaal town of Trichardt; and on the South Coast of Natal, at Port Shepstone, Lodge Theophilus which will function as a bilingual lodge.

The Grand Lodge planned to celebrate the bicentenary of Lodge de Goede Hoop, No. 1 on the roll, by inviting the English, Scottish and Irish Constitutions to "the festivities" scheduled to take place in Cape Town. The occasion also marked the two hundredth birthday of Masonry in South Africa.

The Grand Master was outspoken when he described the early problems of the Grand Lodge and the way in which it had weathered the early storms.

"Another important happening has been the improved image which Masonry has acquired over these last years. There was a time when Masonry in this country was literally reeling under the attacks which were launched upon it from a number of quarters—notably the Dutch Reformed Church. The storm was weathered, and we are now once again approaching the stage where it is regarded as an honour by men in the profane world to be allowed to join the Masons. For this happy state of affairs we owe thanks to those countless Brethren of the Order who have never faltered in their attachment to the Craft and its principles, and in their efforts to live a truly Masonic life, thereby setting an example to the outside world. But our debt to those Lodges who have improved the image of Freemasonry by not only fulfilling their obligations to Masonic charities but also making handsome contributions to outside charities must not be forgotten. In the country districts of the Republic, especially this has been the main

reason for the high esteem in which Freemasonry is held at present and for the considerable increase in the number of candidates. It has given lie to the canard, so often repeated, that the Masons look only after their own, and I personally am very proud of those Lodges on the platteland which have contributed so handsomely to their local charities. May this continue. I may perhaps mention that the Grand Lodge itself has actively pursued this 'outward' policy by contributing during the past year to the National Kidney Foundation."

The Grand Master also spoke of the plan Freemasonry can play in drawing together the various groups in the country.

"There is in South Africa much talk these days of improving the relationships between the various population groups in this country. It is a question which is exercising the minds of political and other leaders, because it would seem as if our country is at last beginning to realise how valuable it can be for everybody concerned if men could dwell together in unity. In all humility we must point out that this is what Freemasonry has been preaching for centuries, and we can only hope that the day will soon dawn when the world and our country will come to accept fully, if not in name, then at least in theory and practice, those principles on which Freemasonry is founded."

Loss, 658.

Once again the loss figure was down from previous years but more significant was the fact that initiations rose.

The Grand Lecturer reported on the "J. R. Robertson Memorial library." All worthwhile new books on Freemasonry were bought. The annual stocktaking by members of the Committee of Masonic Education revealed a loss of less than one per cent. Many gifts were received. The Grand Lecturer, his panel of assistants and some Past Masters gave 164 lectures in lodges. Many of these were country lodges.

M.W. Bro. Ray spoke at the Annual Communication on Wisdom. Basing his address on a passage in the Song of Solomon, he asked "What then is Wisdom?" His answer was knowledge but not knowledge for its own sake but knowledge "which helps

to widen the horizon and deepen the communication between man and man." It is also experience and right judgement. The printed words clearly do not do justice to what must have been a powerful oration.

SOUTH CAROLINA — 1972

The Grand Lodge met in Special Communication eight times to lay cornerstones, dedicate new temples and constitute one new lodge.

The Grand Lodge has shown an increase each year since 1940 but the Grand Master pointed out as A. G. Mackey wrote more than a century ago "Let your great anxiety be not to increase the number, but the respectability and worthiness of your candidates . . ." He continued "Although we are proud of our continued significant increase in membership, our greater pride is in the belief that this gain is a healthy one because of the thorough and careful investigations of applicants and a good program of Masonic instructions."

The Grand Master made it his policy to refuse all requests for dispensations for conferring more than five degrees in one day.

The Masonic Light, the official bulletin of the Grand Lodge, continues to flourish and now has 9,300 subscribers.

The Grand Treasurer-Secretary, M.W. Bro. Rowe (G.M. 1960), reported that for eight years he has offered assistance to lodge secretaries in getting in touch with those members in arrears. During the period he wrote 2,122 letters and the results were gratifying. In 1972 only 164 were suspended for N.P.D., a small fraction over one member per lodge.

The Grand Master approved four requests to hold outdoor meetings. He also reported that he was encouraged by the large number of lodges that have had candidates for the first time in many years. The shift in population, however, made it difficult for many smaller lodges in some areas of the State to operate successfully. He recommended voluntary consolidation in such circumstances. Deaths during the year totalled 416.

The Grand Master recommended that consideration be given to assigning visitation responsibilities to each of the appointed Grand Lodge Officers. His idea was that such activities would "expand the contacts from Grand Lodge to the constituent lodges and . . . give the officers an opportunity to share in the service and rewards of Masonry."

TASMANIA — 1972

81st Annual Communication — February 26.

Grand Master, 1968-71 — M.W. Bro. W. H. Hill
Grand Master, 1971-73 — M.W. Bro. E. C. Gifford

The Grand Inspectors of Lodges, of whom there are four, reported that the work in the Jurisdiction is being well done. Some did suggest that Masters and Past Masters should remember to set a good example.

The Grand Master, as usual, gave a brief but thought-provoking address at the Annual Communication. He particularly stressed the value of Masonic education. But as he said, "Masonic education should cover a wider field than Ritual, Lectures, or Reading, for Masonry comprehends the whole of life." He continued, "Behind the allegories in which we act our part, behind the symbols that are briefly explained, there is the constant call to put our Masonic principles into practice and as in sport or work, it is through practice that we become proficient."

TENNESSEE — 1973

159th Annual Communication — March 28-29.

Grand Master, 1972-73 — M.W. Bro. J. C. Mobley
Grand Master, 1973-74 — M.W. Bro. D. S. Johnson

Lodges, 390. Membership, 96,056. Gain, 336.

In compliance with the action of the Grand Lodge last year, the Grand Secretary bought the equipment necessary to microfilm all the vital records of the Grand Lodge. Since some of the records go back over 150 years, the process will be long and tedious.

The welcoming address at the Annual Communication was given by the Governor of Tennessee, Bro. W. Dunn, a member of Corinthian Lodge No. 414. Although raised only on October 6, 1972, he clearly had studied the history and tenets of Freemasonry.

The Grand Master has custody of an emergency fund which evolved many years ago from a fund which was established to take care of emergencies arising in the Widows and Orphans Home. In more recent years its sole purpose has been to contribute to an emergency of some nature or to a needed charity and is not permitted to be used in long range programmes. During the year the Grand Master authorized sums of money to be sent to the Grand Lodge of South Dakota because of a flood disaster, to the Grand Lodge of the Philippines for a disaster, to a lodge which was completely destroyed by fire, to Veterans Administration hospitals at Christmas, and to the Grand Lodge of Nicaragua, for earthquake damage.

The Grand Lodge conducts an annual Memorial Service at the Hermitage, the home and burial place of President Andrew Jackson, Grand Master of the Grand Lodge, in 1822-3. The fact that the year marked the 150th anniversary of his serving as Grand Master, made the occasion particularly important. In spite of a prolonged and drenching rain a large crowd of dedicated Masons attended.

TEXAS — 1972

The Grand Master's programme was printed each month in "The Texas Freemason." For example, for February he gave a brief history of Freemasonry in the United States. He then asked each lodge, during the month, to present some type of programme which would remind the Brethren of the history of Freemasonry. M.W. Bro. Hightower wrote with the authority of an historian though in fact he was trained in law. Soon after he began the

practice of law he was elected to the House of Representatives of Texas. He did not seek re-election but was appointed a District Attorney and had a distinguished career. In 1964 he was elected to the Texas Senate, of which he is still a member. With that preamble we can get to his view of history, of which he wrote:

"We can learn a great deal from the lessons of history. We can be strengthened by our understanding of yesterday as we face the problems of our day. We can receive courage by the examples of the past in order to boldly meet the challenges that are ours. We should seek to emulate the lives of the pioneers and step forward as leaders in every effort to solve the problems which will always come to challenge a democracy in a world that is so full of ignorance, intolerance and tyranny."

In May he wrote "The Masons of Texas have one of the greatest child care institutions in America. The Masonic Home and School at Fort Worth is ours. It is owned by the Masons of Texas . . . Through it we carry out one of our obligations."

Each month had a similar message.

Every lodge was represented at the Annual Communication and in most cases by the W.M.

In his travels around the State the Grand Master was "heartened and encouraged" by the numbers of younger men joining the lodges. These young members are taking the place of older members lost through death and other causes. Although the numbers are not yet high they are "sufficient to form a firm foundation on which to build an interested membership," the kind of membership most needed and desired. As he said "After all, an aggregation of card-carrying jewelery-wearing members with no further interest in the Lodge merely waters down the Craft."

Increased costs necessitated the raising of the subscription rate for the "Utah Mason." Circulation, however, did not drop.

The condition of the 75 year old Masonic Temple in Burlington is causing concern. The building is of a type which is difficult to maintain. The Trustees in their report told of the many problems in great detail. Finally, they asked for power to sell the building for any reasonable price and to rent space necessary for the Grand Lodge offices. The report was accepted and referred to the Committee on Finance.

The Grand Historian continued to collect the histories of constituent lodges in the Jurisdiction. He now has 22%. Other lodges have committees at work. He encountered many items which described the activities of individual lodges in earlier days. One lodge having lost its building by fire in 1869 made arrangements with the town to build a second storey on the town hall. The lodge owned the second floor, half the roof and the balcony on the front of the building. The arrangement continued until 1930. Another lodge, chartered in 1863, leased the third floor of the town hall for 99 years. They paid \$150.00, the interest on which was designed to keep the outside of the building painted and in proper repair, with shingles when necessary. These figures tell us something of how the value of money depreciated over the years. The Grand Historian did not say if the arrangements lasted until 1962.

In one case a benefactor built a library for the town of Guildhall and added a second storey, completely furnished for the local lodge, Benton Lodge No. 88, chartered in 1900, with no expense to the members. There is much symbolism incorporated in the structure which is still used. The Grand Historian urged Masons to see it. The benefactor was Colonel Everett C. Benton.

A final item regarding the lodge in Waterbury, chartered in 1860, could almost certainly be duplicated in some of the lodge records in the Province of Canada at the same date. "The lodge bought of Moses Cutler one quart of gin, thirty-eight cents, one quart of West Indies Rum, thirty-eight cents, one quart of brandy, thirty-eight cents, three and one-half pounds of cheese, thirty-five cents, four dozen crackers, forty-eight cents—one dollar and ninety-seven cents." A fitting commentary is the line spoken by Prince Henry, in Henry IV, part one: "O monstrous! but one halfpennyworth of bread to this intolerable deal of sack."

The Grand Master holds office for two years but is installed annually on the third Wednesday in March. The Grand Master-elect, to be installed in 1972, was R.W. Bro. Judge Harris, Deputy Grand Master.

Although no explanation was given as to why the amendment was necessary, a motion to amend the rules in the Book of Constitutions regarding the Arms, Crest and Supporters of Grand Lodge was passed. The new text provides us with a concise history of the origins of the Grand Lodge.

"The Arms of the Grand Lodge are of shield shape, made up of four quadrants separated by the Cross of St. George. The top left sector depicts three lions, one above the other, walking to the left, with right front paws elevated. The sector at top right displays the five stars of the Southern Cross.

"The lower left sector exhibits a harp, and the lower right sector portrays a lion rampant facing left. These represent respectively the English, Victorian, Irish and Scottish Jurisdictions with which the 137 Craft Lodges which formed the United Grand Lodge of Victoria, were associated prior to 1889. The Crest above the Arms comprises, compasses extended to 45° with the segment of a circle at the points, and an all seeing eye in the Centre.

"On all certificates of membership and elsewhere when supporters are required, the Arms and the Crest of the Grand Lodge shall be supported on the left by an Emu, and on the right by a Kangaroo."

One variation from the practice in our Jurisdiction is the provision that in subordinate lodges "gauntlets of sky blue, edged all around with five-eighths of an inch silver braid or lace edging (with or without cuff of fringe, braid or lace) with emblem of office in silver, may be worn by the Officers."

The administration of the Royal Freemasons' Homes, up to now, has not really been legally a function of Grand Lodge but simply three trustees, "direct successors of the original three to whom a Crown Grant of land was made 107 years ago for the purpose of establishing thereon a Masonic charitable institution." Ties, however, have always been close, warm and cordial. For a long time the trustees have wished to merge with Grand Lodge. The change has been accomplished by making the three senior

brethren who are trustees of the Grand Lodge trustees of the homes.

At his second installation, attended by 4,000, the Grand Master expressed the view that Freemasonry is "really moving" in Victoria. The year saw an increase in the number of initiates and a decrease in the number of resignations. "I am confident" he said "that within the next couple of years, when the ageing process is not as evident as it is now, that we will be on the 'up' again."

The Masonic Home of Virginia "has been the capstone" of the Masonic charity of the Grand Lodge, according to the Grand Master. In 1970 the then Grand Master announced the start of a drive to raise "two million dollars in new money over a five year period," to increase the endowment of the Home. By 1971 funds received amounted to \$616,000. In the second year the total reached \$863,876.

Many studies have been made of the Home and the great need for the improvement of physical plant suggests to some that the Grand Lodge might "get out" of the Masonic Home field. The Grand Master believes that the Grand Lodge should continue. The Budget estimated that the expenditures for the home in 1972 would amount to \$514,000. Since the average population of the home is something under 90 the per capita cost is no small amount.

A brief note at the end of the Proceedings showed that those who could not find seats in the Grand Lodge were able to see and hear the transactions by closed circuit television. A total of 1,537 attended.

There appears to be evidence of a movement, as in Hawaii, to establish a Grand Lodge of Alaska. At the moment all the lodges in Alaska are constituent lodges of the Grand Lodge of Washington. The Grand Master issued an edict which made this fact clear. He added that a lodge in Alaska has the choice of (1) continuing in the relationship; (2) surrendering its charter and becoming extinct; or (3) requesting consent of the Grand Lodge of Washington to sever its allegiance in order to join in forming a Grand Lodge of Alaska; and abiding by the Grand Lodge's action on the request. So far no such request has been received. There are 16 lodges in Alaska and one U.D.

The Grand Lodge of Washington does not look with favour on the creation of a Grand Lodge of Alaska by a small minority of the members of the Alaskan lodges.

The Grand Lecturer presented a full and interesting report four pages long. One paragraph stood out.

"Our Secret Work is a marvelous manuscript of meaning and mystery. Its lines are filled with wise and wonderful wisdom. Hidden among its words are countless messages of eternal truth for the thoughtful searcher . . . It is based on the old English ritual and its composition and grammar do not correspond to the sophisticated prose of today. We are tempted from time to time to improve it. But who can say that the change of even one word would not destroy forever a clue to hidden mystery, waiting for a Mason's keen perception, maybe a hundred years from now. I believe that to change it, to modernize it or to correct anything other than an obvious error would be a tragedy. I fervently urge that we continue to restrain ourselves from any superficial meddling with our esoteric work—one of the world's most valuable and enduring writings. Certainly no action is required on this recommendation."

Grand Lodges meet in buildings of many kinds. Western Australia uses an uncommon type. The April Regular Communication was held in the Members' Pavilion, Showground of Royal Agricultural Society, Claremont. The October Regular Communication was held in the Grand Stand, Ascot Race Course, Belmont. The latter location was chosen so that one thousand could be present for the Communication and the Installation of the Grand Master.

The Board of General Purposes had something to say about recorded ceremonial music.

"The Board has received a report from the Masonic Music Committee, a submission from a former Grand Organist, and has itself conducted an examination of the subject of the use of recorded music in Lodge Ceremonial where no Organ or Organist is available, and is still actively pursuing the enquiry which is of some complexity. It is hoped that it will shortly be possible for an announcement to be made concerning the outcome of a very thorough investigation." In principle the Board is in favour of this type of musical assistance, provided quality can be matched with the economics so that no loss of dignity and decorum could be suffered in the Ceremonial workings of a Lodge by the adoption of mechanical aid to its musical needs. Other Jurisdictions will be interested in the findings.

The Grand Master reported that since the establishment of The Entered Apprentices hour, described in detail in these Reviews in 1972 that he has had the opportunity of meeting the majority of entered apprentices in the State and is glad to say unequivocally that the standard of new members being admitted to the craft "is particularly high just as it should be."

The United Grand Lodge of Victoria has advanced its view that an Australasian Masonic Conference could be advantageous to the Grand Lodges concerned and offered to act as convener. The Board is in agreement with this view and has suggested that the Conference should be held in conjunction with the next Grand Installation in the United Grand Lodge of Victoria.

The Board is currently examining the advisability of an officially authorised Lecture on The Tracing Board of the Third Degree. An appropriate announcement will be made of the result of its deliberations.

Loss, 280.

At the beginning of the year the Grand Master assigned each Grand Lodge Officer a group of counties and asked him to visit all the lodges therein. They did this in almost every case. Consequently, very few lodges missed a visit from the Grand Lodge, in addition to the visits by the D.D.G.M.s.

The Grand Master granted dispensations to four lodges to hold special communications in the W.Va. Masonic Home. He refused two: one to conduct business in case the three stationed officers were all absent and a second to have a public installation of officers.

One of the Grand Master's edicts declared: "It is illegal and improper in this Grand Jurisdiction to solicit Entered Apprentices and Fellowcrafts, prior to their becoming Master Masons, to agree to apply for membership in any Concordant Body, or to seek to interfere with, and particularly to accelerate the due and proper performance of the work by the particular lodges . . ."

The Grand Lecturer explained the policy of the Grand Lodge regarding the laying of cornerstones.

"Confusion continues to exist in relation to the preparation for the laying of the cornerstones by this Grand Lodge. It may be helpful to explain that our ritual ceremony requires that the stone shall be a supporting member of a corner of the building. Therefore, it must be lowered and laid in the very early stages of the building to meet this requirement." Modern architecture and building materials do not lend themselves to a proper cornerstone laying.

Because of economic forces at work, the population trends, the consolidated school system and other changes which have taken place in many communities and because distance is no longer the factor it once was, a number of lodges in close proximity to each other consolidated during the year. Other consolidations are being considered. On the other hand, a number of lodges are planning to move to new lodge buildings and others are planning to buy existing structures to be changed for lodge purposes.

The Grand Master granted two dispensations to permit the use of costumes and seven to participate in public processions.

According to the Grand Master "Perhaps the most significant change and adjustment" which confronted the Grand Lodge during the year resulted from recent reforms in the federal tax laws affecting the operation and control of nursing homes and hospitals. Legal advice was to set up a separate corporation. The actual

mechanics will change little. It was understood that the tax exempt status of the Wisconsin Masonic Home, Inc. could have been seriously jeopardized if the change had not been made.

Plans were well laid for the organized drive for funds to support a proposed Masonic Diagnostic and Research Centre.

The inter-lodge visitation programme organized in 1970 was continued and met with great success. No fewer than 3,000 Brethren were involved. In some cases visitations were not reported. Thus the figure is low.

The Grand Master visited all the 55 lodges in the Jurisdiction. Most of these visits were at regularly stated communications. In only eight cases did a time-table problem require the calling of a special meeting. Although he expressed concern over the lack of communication between the Grand Lodges and the members of constituent lodges he certainly did more than his share in improving conditions.

The Grand Master made only one decision which, as he said, might be construed as "precedent-establishing." He authorized and signed a certificate proclaiming a Master Mason an "Honorary Past Master." The action was prompted by the fact that the recipient had served as Secretary in a lodge for fifty years, indeed from the day it was chartered. While serving as Secretary he had taken part in all degrees and was fully competent to serve as Master.

APPENDIX "E"

ADDRESS BY M.W. BRO. MERVYN J. WOODS

AT THE

GRAND MASTER'S BANQUET

Held In The Canadian Room

Royal York Hotel, Toronto, Ontario

JULY 18th, 1973

THE GRAND MASTER: I should like now if Most Worshipful Brother Harry L. Martyn would introduce our guest speaker.

M.W. BRO. HARRY L. MARTYN: Most Worshipful Grand Master, Distinguished Guests and Masons of the Grand Lodge: On the Wednesday evening of every Communication of Grand Lodge for the past thirty-five years, with the exception of one, we have had a Grand Master's Banquet. This has been our practice for many years and each year we have been privileged to listen to an inspiring address by one of the outstanding Masonic leaders of our day. This year is certainly no exception. Our Grand Master brings us M. Wor. Bro. Mervyn Woods, of the Grand Lodge of Saskatchewan. From the background material provided for me, I have information that could apply to many of my friends and colleagues of days gone by. I find first that our guest speaker attended The Teachers' College at Moose Jaw and entered the teaching profession for some years in the hungry thirties of the depression. I have been assured by him that it wasn't too bad, but it might have been almost as good as it was in the City of Toronto during those years. I also find, brethren, that our distinguished guest has had his probably most eventful year in the year 1939. After having attended the University of Saskatchewan, the University of New York, he was called to the Bar of Saskatchewan on September 1st, 1939 and, probably before he finished the celebration of that event, he joined The Royal Canadian Navy on the 3rd of September the same year. In the year 1939 he showed what it meant to have looked over the field for many years and the excellent training he had received because, also in that year, he was smart enough to marry a charming lady from the Municipality of Long Branch, Ontario. Now that is pretty good for a native son of Saskatchewan to come down to Long Branch to make Miss Agnes Scott assume the name of Mrs. Mervyn Woods. From that delightful union has sprung two sons and two daughters. Now, brethren, our guest speaker practised law after a distinguished career in the Royal Canadian Navy, during which time he had assumed command of one of the Royal Canadian ships with the rank of Lieutenant Commander, having been decorated for outstanding war service. Also he was later

decorated for work in community service, particularly in connection with the St. John's Ambulance and the like voice. Our distinguished speaker, brethren, was initiated into Masonry in the year 1931, and it was a considerable number of years later that he assumed the Worshipful Master's Chair of his Mother Lodge in the year 1967 but, boy, when he started he sure travelled because in 1969 he was elected The Grand Senior Warden of The Grand Lodge of Saskatchewan, and took the Grand Master's Chair in the year 1972. He is associated with the old concordant bodies of Masonry and, brethren, on behalf of your Most Worshipful Grand Master, it is my distinct honour and privilege to present on his behalf, The Honourable Mr. Justice Mervyn Woods, a distinguished teacher, jurist, churchman, humanitarian, our guest speaker this evening . . . Mr. Justice Mervyn Woods. (Applause).

Brethren rise.

THE HON. MR. JUSTICE MERVYN WOODS: Most Worshipful Grand Master and Brethren: When you get such a wonderful chap—as I obviously am—(laughter) being introduced, you are bound to overlook something! I recall in my student days, Stephen Leacock coming to our university and speaking to us, and our President gave him a very fine, very lengthy and very appreciative introduction. But Stephen said at the end of it that the President had overlooked the most important appointment that he had had! He had apparently been appointed Historiographer to Sir Ernest Shackleton's Expedition to the North Pole, that never went to the North Pole. (Laughter) My introducer overlooked the fact that I do play the bagpipes. (Laughter) You can see now why he stumbled on the word "humanitarian." (Laughter)

Seriously, I am highly honoured to be invited to speak to you this evening, to such a truly inspiring audience, not only in numbers, but it is really inspiring to see before you so many people whom you know share so much with you. I thank you, before beginning the remarks that I have prepared, for your very kind and generous hospitality. I express my appreciation for the opportunity to meet a number of you whom I have known before and hope that, before I leave tomorrow morning, I'll have the opportunity of making some new friends.

Now, Most Worshipful Grand Master and Brethren, we are privileged indeed to be living in this particular age. Rapid change is the order of the day. Advances in every field of science, for example, is most marked. Man has altered his circumstances more in the last fifty years than in many preceding centuries. In my own time alone we have gone from the phonograph to the radio to television; from the balloon and zeppelin to the aeroplane to the interplanetary rocket; from the steam engine to the combustion engine to the turbine to the power of nuclear fission; diabetes, tuberculosis, diphtheria, pneumonia and polio are not the dreaded scourges they were when I was a boy. The fury of our ability to wage war has increased a hundredfold and this, of course, has frighten-

ing possibilities. We are now able to send men into outer space, and we are now able to send men to great depths in the ocean. One could go on in this vein at great length. Our way of life has undergone rapid and drastic change and when we think about it, I am sure most of us will agree that we have a great deal for which to be thankful.

However, everything has a price and I'm sure that many feel that we are paying for it now. To many of us it may well seem that everything has gone to pot. Old values are no longer accepted. Old beliefs are discredited. Some old standards are no longer followed. Old manners are often neglected and even derided. Old forms no longer seem to meet all of the demands of the day. I'm sure that many of us often feel like the elderly gentleman who said "Don't talk to me of progress, we have enough trouble as it is!"

You will appreciate of course that I have been exaggerating. You know, of course, that exaggerating is often a most effective means of emphasis. It is somewhat difficult to know just where our present trends will lead us. No doubt much of what we value will weather the storm, and more of it may only be slightly altered. Nonetheless, in my view at least, we are living in an age of dynamic change and to many there is much that causes concern. Our lives and those about us have undergone some rather drastic changes rather suddenly, and in no area has this been more marked than in that of morality.

During my lifetime we have passed through two World Wars. While the struggle in Vietnam has not been Canada's war, it has had a strong effect upon us. The moral tone and the moral standards of our part of the world have undergone drastic revision. Institutions basic and essential in our way of life, such as the home and family, marriage, monogamy, these have been eroded, challenged, and even threatened. In other words, along with everything else that is happening, we are in the midst of a moral revolution. To those of us who are middle-age or older, this has come as a startling phenomenon and, if we are honest, most of us will admit that it has made us just a little bit frightened.

Now, if this is true—or if you are in agreement with what I have stated so far—it will be, I think, immediately apparent to you that this is an age of particular interest to Masons. Masonry is described as a beautiful system of morality, veiled in allegory and illustrated by symbols. If this is so, surely Masons, above all others, should be concerned with to-day's developments and should be seeking answers.

While Masonry is a large and well-organized association of men, it is neither intended nor equipped to mount any form of regimented attack, nor to bring its collective resources to bear

upon the task of analyzing or understanding the motivations, the dangers, the antidotes, the cures or even the causes of any general moral problem or malaise. Masonry does not deal with moral matters in general, with any large organizational pooling of resources so as to influence sociological, economical or political events and institutions. No. Masonry directs its attention to the individual man. It gives to each of us its instruction, but the application of the principles and instruction thus dispensed is left almost entirely to you and me. It makes every allowance for human differences. There are a few common denominators that each of us must possess such as a belief in the Deity and in the revelation of His will. But by and large, however, we are left by Masonry to make our own decisions. The result is that in this gathering are to be found men possessing a host of different views on religion, on politics, on social standards and personal responsibilities. In this gathering we represent many ethnic groups, many and varied racial strains, many degrees of economic status, and many rungs of the ladder of affluence, or influence and preferment. Here we are, a variegated collection of men each of whom has sought and received some Masonic instruction. How have we been instructed to meet moral challenges? How have we been taught or advised to consider, analyze and delineate the questions of a moral nature that loom so very largely for us to-day? With what attitude or bent of mind does or should a Mason seek to find answers to the seemingly imponderable moral questions to-day?

Let us first consider what happens when a man becomes a Mason. A man must be changed in some way by Masonry if becoming a Mason is to have any real relevance. The craft, however, does not purport to make him a new man. There is no mystical or metaphysical metamorphosis when a man becomes a Mason. He is the same man after he joins as he was before. However, he is taught certain things and if these are remembered and applied in his daily life, his daily living, he will be a different man, at least, to the extent that he will be a better one.

In our lodges we are taught to hold the Deity in due reverence; to seek knowledge and practice virtue. In our ritual in Saskatchewan, our first degree concerns itself with the rules or guidelines of virtue. The third degree concerns itself with our ultimate task of meeting our Maker. The second degree teaches us how to find our way through life—by the continuing quest for knowledge and truth, and it is to this area that I would like to address the remainder of my remarks.

Now, to seek truth seems an obvious goal. In practice, however, it is a very difficult one to follow. Most of us do not really seek it, because we believe that we have already found it, and we carry this over into our assessment of most of life's problems. Most of us have not really examined our beliefs in years. Many of us still use yardsticks for our conduct and beliefs that we acquired before we were thirty. Most of us have been too busy to have a

good look at ourselves. Now that is not to say that they are necessarily wholly or even partially wrong—it is simply to say that most of us go through life in ruts that we dig when we are not very old. The result is that when a phenonemon like the hippie arrives on the scene or in our own home, we are simply not fitted to cope with the problem. Our failure to continue our search for truth throughout the years has atrophied our ability to assess new situations objectively, and we end up loudly declaiming everything that is new, largely because it is different from what we are following. Most of us are not equipped to deal with the hippie, in our home or elsewhere. We do not set out to try to understand him. We set out to prove to him that he is wrong. We cannot communicate meaningfully because we have answers that are pat answers. We often end up deriding him without any real appreciation of either his thinking or his problem.

What then does Masonry teach us? In each of the degrees there is some reference to the ancient philosophies and cultures. Students of philosophy, of history, and of development of mathematics, will appreciate more than others, for example, the precise significance of say the Pythagorean system of which mention is made in our ritual. Pythagoras deduced a complex system of philosophy based essentially on numbers. To him, things were related and things were separated by an ingenious and integrated pattern with mathematical parallels and proportions. To us, today, much of it seems almost superstition. It is not surprising that it was communicated, as most knowledge was, as a mystery and through secret societies. Yet out of it came much. There was in it, for example, the idea of a helio-centric universe, that is, it pointed past the concept that the earth was the centre of the universe, and it foreshadowed our modern view that the earth is but part of many larger systems. His concern with numbers led to great advances in geometry. Every schoolboy, of course, remembers the theorem of Pythagoras—"In every right-angled triangle the square of the hypotenuse is equal to the sum of the squares on the other two sides." It is illustrated in the jewel of the Past Master—at least in our jurisdiction—with the lines of construction included which are necessary for its proof. He also groped towards an atomic theory. To him the unit was not an atom, but what he called a spacial point, two of which make a line, three a surface and four a solid. Solids, therefore, always consisted of even numbered parts. The whole system was a bit primitive, but it did display the Greek propensity for curiosity, analysis, explanation and reasoning.

It is not, however, my purpose to discuss the Greek philosophers. The ritual doesn't do it, so why should I? But to conclude as to Pythagoras, however, it is interesting to refer to our astronauts. At the shoulder of every member of the control team in every moon shot and within the very machinery of the computers themselves stood, and still stands, the ghost of Isaac Newton. The entire operation could have never been foreseen, conceived, planned or executed without the mathematics of cal-

culus which were devised or discovered by Newton. In fact the views of Pythagoras as to the place of mathematics in the divine plan, has never looked so sensible as it does in the present day. Yet, he lived in the 6th century before Christ.

Masons, of course, do not necessarily study Pythagoras or men like him. Our lodges are neither universities nor technical schools. But we are taught to respect and follow his spirit. In the second degree the study of the seven liberal arts and sciences is earnestly recommended to our study. The whole spirit of inquiry is recommended to us, and I suggest that we should each try to exemplify it. Remember that Masonry and geometry were originally synonymous terms. In the speculative sense they still should be.

Masons are, of course, builders. The practical mason now belongs to a sub-trade like the plumber, the electrician, the carpenter and the bricklayer. But originally the mason was the master builder. Our old cathedrals were built entirely of stone, without steel frames. The mason was the designer, the architect, the craftsman and the artisan. All were skilled in at least one facet of building. All were workers in stone.

The mason required a breadth of knowledge. To calculate the pitch of a roof, the load on a pillar or the stress on a beam, he had to know some mathematics, especially arithmetic and geometry. To build a roof with a 45° pitch, he had to know how to calculate the length of the rafters and the plate. To know the thrust on a wall he had to know the weight of the room transposed in terms of the angle of thrust. In many instances the computations were relatively simple. In more sophisticated structures with towers and flying buttresses, a more extensive knowledge of mathematics was needed. But in all cases the aim was the same—to erect a building that was true, that was beautiful, that was sound.

With his level, square, plumbline and other tools, he constantly checked to make sure that his walls were perpendicular, his plane surfaces even, his foundations of sufficient depth and his areas of thrust with proper reinforcement and support. He had to bring to his task an unbiased attitude—an open mind. If he found that they had been using a piece of material for the purposes of measurement that was supposed to be six feet long, but was actually only five-and-a-half feet in length, he would reassess and, if necessary, re-do everything that was based on that assumption. He realized that stubbornness, anger and deviousness could never compensate for error. He would accordingly start anew from the true basis. His craft or profession would tolerate no assumption shown to be false. As a human he could not always be correct but, as a Mason, he always tried to be. He was ever ready to accept new knowledge and to make whatever revision was needed to arrive at a structure that was true. In other

words, he continually acquired knowledge and proceeded on it. His most valuable attribute had to be an open mind. Throughout the centuries of development of skill and knowledge from the pillared temples of the Greeks to the domed structures of the Romans, through the heavy Norman architectural structures to the graceful gothic arched cathedrals, and on to the intricate engineering of the Renaissance and our modern miracles of construction, the attitude of the true builder was constant. He proceeded on the basis of his present knowledge and made a continuing effort to extend it.

Now, as speculative Masons we are not all endowed with either the opportunity or the capacity of the practical mason. Each of us must spend our efforts in the restricted areas in which we live or for which we are trained. However, every Mason should exemplify, I suggest, the spirit of Masonry which, to me, is the spirit of inquiry in a continuing search for truth. Masonry, in the speculative sense should remain synonymous with the spirit of geometry. Like the practical mathematician, the speculative Mason should ever direct his efforts to an objective assessment of the problems that face him. True, we cannot all be scholars, philosophers or scientists. If, however, we have listened even half-attentively to the instruction contained in our ritual, we will all endeavour to be objective and open-minded. Masons may well vary as to what they believe or as to the conclusions they reach. But there should be a common basis of approach among them that takes its standards from Pythagoras, Ptolemy, Tycho Brahe, Copernicus, Galileo, Newton and Albert Einstein. We cannot emulate their genius, but we can all share their determination to solve problems uninfluenced by the transitory and superficial considerations that always tend to obscure our search for truth.

Now, that we all fall short of this is obvious. Many of us have spent our whole lives seeking a place in the establishment. Having attained it we are strictly on the defensive when anyone criticizes it. Our fear of losing what we have acquired with so much toil, robs us of much of our ability to assess such criticism objectively. We make decisions affected by prejudice and ignorance. We often do this in situations where facts and knowledge are available, if we could but see it.

Now, let us test ourselves on a few questions. Just for a moment think about these questions:

1. Do you believe that marijuana is a real danger to the health and well-being of our society?
2. Do you believe that practical politics is essentially a crooked business?
3. Do you believe that an Indian is by nature less able to handle alcohol than is a white man?

4. Do you believe that a very large percentage of church attenders are hypocritical?
5. Do you believe in capital punishment?
6. Do you think less of a young man because he wears a beard, lets his hair grow long, or goes in his bare feet?

I am not concerned with your answers, but I am sure that most of you have answers for most of these questions. The average man has answers that are pat, even very decided opinions on such matters as these. Now, most people decide these questions with very little inquiry or thought. Most of us have very limited knowledge of the factors involved in these questions, or in any of them, and yet most of us have very decided opinions on them.

Now Masonry, as I said, doesn't expect its members to be philosophers or scientists. In recommending to us a study of the seven liberal arts and sciences, that valuable branch of education, it's not expected that the Mason will become this kind of student. I suggest it is implicit, however, in the instruction given, that he be of an open mind so as to contribute insofar as he is able, to supply that much needed commodity—understanding. To be a Mason, I suggest, is to be a man with an open mind, an understanding mind in the highest sense. In the sphere of morality, this is to be tolerant.

The big question that we must answer, as Masons, in this age of moral revolution, is how tolerant and how understanding am I? Now, if we can answer this in the affirmative, the next step will not be too difficult. Thank you, brethren. (continued applause.)

Brethren rise.

DEPUTY GRAND MASTER GEORGE TURNER: Most Worshipful Brother Bailey, Distinguished Head Table and Brethren: Most Worshipful Bro. Woods, on behalf of over 2,000 of your brethren, I have the honour and privilege of extending sincere and heartfelt thanks to you for your very inspiring message. I am sure that the rapt attention of the brethren will indicate to you, Most Worshipful Sir, the high esteem in which they hold you. We wish you a safe return to Saskatchewan and look forward to the pleasure of again listening to one of your very very inspiring messages. Again, thank you, Most Worshipful Sir. (Applause).
